ATTENTION FIDDLERS AND STEP DANCERS! Island Championship finals to be held in Charlottetown on November 24th and 25th. Contestants should either their local eliminations or contact Y's Mens Club, Y. M. C. A., Charlottetown.

SHOWERS HELD - A pre-nuptial shower for Miss Adele Baker, bride-to-be, and a post-nuptial shower for Mrs. Alan Huestis (the former Joan Baker) were held recently at the home of the latter in Summerside with Miss Jean Heffel as hostess.

LEAVE FOR ONTARIO - Mr. John Nicholson, Upper Montserrat, recently for Ontario. His many friends wish him every success in his new work. Mr. Lawrence Van Buskirk of Valleyfield West left recently for Ontario. Laurie, as he is familiarly known, has been employed since early spring by Mr. Laughlin Gillis, Mt. Buchanan.

Dairy Problems - provides employment for hundreds of thousands of Canadians, and as farmers and labour in dairy processing and distributing plants and in allied industries providing materials and services used by dairymen.

High Milk Production - "Production of milk in Canada this year will reach the highest level since 1945 and will exceed 17.5 billion pounds. Our cow population has been increasing rapidly during the last two years and with the export markets almost entirely blocked, surpluses in the form of butter and to a lesser extent skim milk powder and cheese, threaten to reach unmanageable proportions unless steps are taken without delay to move greater quantities of dairy products into consumption right here at home.

Butter Prices - "It might be argued that the Government's price support program has resulted in holding butter prices at too high a level to encourage a maximum consumption. While this may be true from the standpoint of world competitive prices which are established by countries with lower living standards and more favourable climates for dairy production than ours and, as well, from the standpoint of the price of the substitute product made from vegetable oil imports in most cases on a duty-free basis, the fact nevertheless remains that most dairy products are lower today than last year. This is in the face of generally higher costs. Furthermore, in relation to labor income, consumers today can purchase 68 per cent more milk and 44 per cent more butter per dollar's earnings than was possible in 1939."

Health Benefits - "The benefits from the standpoint of normal health are tremendous if greater quantities of skim powder were used in 'milk' bread, instead of enrichment with synthetic vitamins," the speaker said. The introduction of a Federally supported school lunch program, now in effect in practically every county except Canada, would serve to improve the health of our children by augmenting present consumption of dairy products.

Five Taken To P. C. Hospital After Accident

Five persons were taken to the Prince County Hospital early yesterday morning as a result of a highway accident which occurred about 2:00 o'clock at Norboro, approximately five miles east of Kensington. The accident involved a late model Buick and a Ford car both of which were proceeding east when the accident took place. The Buick car crashed into the rear of the Ford and both vehicles were badly damaged.

The Buick was driven by Mr. Ralph Wigmore of Graham's Road and the other occupants of the car were Waldron Ferguson, Emerald, R. R. 3... Scott MacLeod, Stanley Bridge; Layton Burgoyne, New London and Fred Campbell of Graham's Road.

The Ford car was driven by Allison Larter of Charlottetown and he was accompanied by Mrs. Larter and Mr. Frank Larter. Members of the Larter family were able to proceed to Charlottetown although Mr. Allison Larter is believed to have suffered a broken arm and the others in his car, shock, cuts and bruises.

All the occupants of the Buick car were taken to the Prince County Hospital and last evening the condition of the driver, Mr. Ralph Wigmore, was reported to be unchanged.

Eisenhower Upholds U.S. Farm Price Support Principle

KANSAS CITY - President Eisenhower said Thursday night his administration is ready to launch the final phase of a solidly-based national agricultural program that will protect both farmer and consumer.

"We will have that program ready for the consideration of Congress early next year," he said.

The president spoke before the silver anniversary convention of the Future Farmers of America, a U. S. national farm boy organization.

Turning to price supports, he declared: "All of us know that the price support principle must be part of any future farm program."

He also detailed Thursday night what he thinks the federal and state governments should do about this "drought of devastating intensity," as he called it.

Heartening Remarks - "My own conviction is that the principle of partnership between the federal government and the state governments should govern our approach to such emergency problems," he said.

Whether present price supports will be continued after the December 1954 expiration date, or whether the program will be drastically altered, as some propose, Eisenhower declined to predict.

In Washington, Senator Francis Case (Rep., S.D.) called Eisenhower's remarks on the price support principle "heartening to a great many farmers in the Middle West."

Senator John Cooper (Rep., Ky.) said he favored maintenance of the present high-level supports for basic crops for another two years beyond the 1954 expiration date.

The Republican party and this administration didn't create price causes" for falling farm prices, Casper said, but the Republicans nonetheless have the problem to deal with.

Whatever unrest there may be among U. S. farmers over the administration's farm policies — and most observers saw some in last Tuesday's Democratic victory in a Wisconsin congressional election — wasn't noticeable among the future farmers Thursday night.

Twenty times in the course of his speech Eisenhower was interrupted by applause.

Build Markets - Mostly there was attention rather than cheering, however, when he spoke of his long-range plans to cope with the farmer's economic woes.

Freetown and Vicinity

Mr. and Mrs. Frank Jardine and Mr. Edgar Jardine of Charlottetown, were recent visitors to Freetown, where they were guests at the home of Mr. and Mrs. George Jardine.

Mr. and Mrs. Fred Reeves, North Bedouque, and Mrs. A. Burns, Freetown returned on Oct. 5 after spending a week visiting with friends and relatives in Halifax and Dartmouth, N.S.

Mrs. Andrew Jardine and daughter Adelle recently returned from Sydney Mines, C.B., where they had attended the annual convention, Eastern Division of W. M. S., of the Presbyterian Church.

A new heating unit has lately been installed in South Freetown school, replacing the old wood stoves. The new unit is oil-fired and is reported as giving excellent satisfaction.

Mrs. Winnifred Burns of the Civil Service, Halifax, arrived at her home in Lower Freetown on Oct. 11 to spend the Thanksgiving holiday.

Mr. and Mrs. Carlton Elliot of Sackville, N. B., and Mr. Donnie Proffitt, also of Sackville, spent the Thanksgiving holidays in Freetown, guests at the home of Mr. and Mrs. Allison Proffitt.

Word has been received by relatives in Freetown of the illness of Mr. Charles De Long of Taunton, Mass. Mr. De Long is a patient in Morton Hospital, Taunton, and his friends in Freetown and vicinity wish him a speedy convalescence.

Miss Dorothy Baxter, daughter of Rev. Mr. Baxter of Hampton, was guest soloist in Freetown United Church on Sunday evening, Oct. 12. The accompanist was Miss Myrna Humphries of Pictou, N. S. The solo, "Who Else But God," was very beautifully rendered. Miss Baxter and Miss Humphries are both students at Mt. Allison University.

The people of Freetown and surrounding districts assembled in Birch Grove Hall on Oct. 1 to honour Able Seaman Lloyd Reeves, lately returned from Cornwallis, N.S., and to bid him farewell prior to his departure for Vancouver, B.C., where he will be stationed for the next six months.

Mrs. Ernest Taylor was appointed master of ceremonies, who after a few brief remarks called on Mr. Leeman Campbell who read an address containing words of appreciation, and of best wishes for Lloyd in his future surroundings.

A presentation of a signet ring accompanied by a purse of money was made by Mr. Urban Perry, to which Lloyd made a fitting reply, after which all joined in singing "For He's A Jolly Good Fellow." A pleasant evening was afterwards spent in music, singing and dancing, music being furnished by Messrs. Sidney Bigelow, violin; Peter Perry, piano; Donald Warren and Frank Burgess, guitars. A delicious lunch was served by the ladies.

Miss Kathleen Williams, R.N., who has been on the staff of the Prince Edward Island Hospital is spending a pleasant holiday as guest of her parents, Mr. and Mrs. D. A. Williams, prior to leaving for North Carolina.

Mr. and Mrs. Everett Rix, Dartmouth, N.S., and family, spent Thanksgiving week-end with members of their family in Elmsdale and Woodstock.

Mrs. Russell Laughlin and Mrs. Compton, Summerside were visitors to Elmsdale October 6 with Mrs. Charles Barnett and Mr. Barnett.

Mounties Gain

Lloyd Gaudet, Gus Dorias and Jack Reardon played hard running games in the Saints backfield and time after time made good gains with smart runs. Arnold Hickey was probably the outstanding forward with his sharp tackling.

Blenis Nicholson, the Mounties' picking quarter, played a very effective game and picked up valuable yards with his accurate kicking. Don Nicholson, big, blond-headed Mount A. wingman also turned in an outstanding performance.

Lineups: Mount A. — Forwards: L. Southerland, R. Thompson, McLeod, L. Rae, N. Clarke, B. McDougall; backfield: B. Nicholson, C. McLaughlin, D. Nicholson, L. McLennan, B. Naylor, D. Allen; fullback, B. Fluhmann; St. Saints: Forwards, R. McIvor, R. MacInnis, D. Wedge, A. Hickey, A. Ryan, M. Callaghan, B. Whelan; backfield, B. Lawlor, G. Dorais, B. Mooney, A. MacDonald, L. Gaudet, P. Jay; fullback, J. Reardon.

Elmsdale And Vicinity

Mr. R. D. McKinnon of the R. C. A. F. Summerside, spent a few days last week at the home and his brother, Mr. Fred McKinnon and Mrs. McKinnon.

Miss Kathleen Williams, R.N., who has been on the staff of the Prince Edward Island Hospital is spending a pleasant holiday as guest of her parents, Mr. and Mrs. D. A. Williams, prior to leaving for North Carolina.

Cites Evidence Of Railway Progress

SHAWINIGAN FALLS, Que., Oct. 16 - The transition in motive power from wood-burners through steam to powerful road diesels was cited here today by S. F. Dingle, vice-president operation, Canadian National Railways, as evidence of the continuing progress made by railways to keep abreast of changing conditions.

In an address before the Rotary Club, Mr. Dingle singled out the C. N. R. management training plan as the most significant of recent modern business practices adopted by the railway. "Judging from the interest that this staff training venture has aroused, we know that the results will be watched closely by all Canadian businessmen, for the problem of training potential executives is one which is common to all industry," he said.

Abandon Hope For Men On Plane

REYKJAVIK, Iceland, (AP)—All hope was abandoned Sunday night for nine men of a United States navy plane which ditched Sunday in heavy seas on the north Atlantic off Iceland.

Alberton And Vicinity

Miss Frances McAlduff, Alberton, was a visitor to Summerside on Saturday.

Scoutmaster Herbert Leavitt, Alberton, motored to Craupud on Saturday where he planned to attend a two-day Scout leaders course.

M. M. H. L. Opens

Wes "Bucko" Trainor, a standout with the Islanders a few seasons back and coach last year in Grand Falls, Nfld., has been called in to handle Charlottetown.

Gloucester Bay Miners will be coached by Don Peniston, long a coach of top professional and amateur clubs.

Player signing and dickerling with professional clubs is still in full swing and it is doubtful if any of the teams will have complete line-ups before the end of the month.

Again the league is faced with financial troubles. Ever since the league jumped into classification above Allan Cup play two years ago, operating costs have soared.

While all the clubs are returning, the Atlantics are reported to be the only one starting the season without a big deficit hanging over from last year.

Sydney almost didn't make it. Their status was in doubt until the end of September when a new group of backers took over.

The players performing in the league are among the highest paid amateurs in the country. The loop is a proving ground for players on their way up. They receive top coaching and play with and against some of the best amateur and ex-professionals in hockey.

Indications are that Charlottetown will have the youngest squad in the loop while the Atlantics will probably have the oldest.

The schedule for the week: Tuesday—Charlottetown at Sydney; Thursday—Halifax at Gloucester Bay; Friday—Halifax at Charlottetown; Saturday—Sydney at Charlottetown at Gloucester Bay.

Montreal, Detroit

Detroit nets, was looking for his second shutout in three games.

The 21-year-old rookie had kicked out 33 Chicago shots before Conacher slipped the puck past him from a scramble in front of the net. Larry Wilson got an assist on the long Hawk goal.

Detroit players were so infuriated they knocked over their own goal, slamming it against the backboards.

Gus Bodnar, veteran Chicago centre, fell into the boards with Benny Wolt of Detroit in the second period and was carried from the ice on a stretcher. He suffered an ankle injury and the Red Wings' physician thought it was a broken bone.

Baseball Promoter Leaves For Texas

William D. Sumner of Tignish was in Summerside Saturday visiting friends before his departure today for San Antonio, Texas, where he will spend the winter months. For the last six years Mr. Sumner has been active in Prince County in the promotion of baseball and other sports. Last year he helped to organize the Tignish-Mimingham baseball club in the Intermediate "B" League. It will be remembered that this powerful team won the Island trophy from Peake's Station last year, and retained it this year when they defeated Morell at Tignish last month.

Plan Major Ball Team For Los Angeles

LOS ANGELES, (AP) - Bill Veck Saturday was named special adviser to president P. K. Wrigley of the Chicago Cubs and Don Stewart, president of the Cubs' Los Angeles club, to spearhead the campaign to bring major league baseball to Los Angeles.

3rd Program In School Parade Series Presented

Last Friday evening the M. F. Schurman Co. Ltd., presented its third Schurman's School Parade program of the season over radio station CJRW and it was a program that was packed full of delightful entertainment.

Because of sickness and other reasons beyond the control of the students, a good many of those who were to appear on the talent part of the program could not do so. These spots were filled in very ably on short notice by students from the Summerside High School.

The first two schools in the one to three classroom division interscholastic quiz competition put on an excellent show by answering, and correctly guessing in some cases, the complete answers, through five rounds of play.

The Sherbrooke school led in the scoring after three rounds of play by a score of eleven to nine. On the fourth round the Park Corner school forged ahead to cause a deadlock in the score at 13-all. This same team continued winning way through the fifth and final round to make the score read a very close 17 for Sherbrooke and 15 for Park Corner.

A member from each team had a perfect score for the evening, they were Frances Townsend and Frances Goldwell and from the Park Corner school David Simms, Ernest Howatt, Robert Montgomery, Enid Howatt and Mary Campbell.

The dollars for scholars winners were from the studio audience. Stude audience Adeline Bernard, a resident from the Misouche convent. These students shared prize money of \$10.00, \$2.50 and \$7.50 respectively.—S.

Ch'town School Rugby Team Wins At S'ide

An All-Star team from Charlottetown schools defeated the Summerside High School rugby team at the Queen Elizabeth Park gridiron Saturday morning by the score of 3-0. The only scoring play occurred after 18 minutes and 40 seconds of the first half when Jack Kane went over the Summerside line for another neat backfield passing about fifteen yards from the line. The attempt to convert failed.

The Charlottetown scrum was vastly superior to that of the home boys, getting the ball out about 90 per cent of the time. The Summerside field running was good, but the line did not fan out into formation as effectively as that of the visitors. Kane's kicking, particularly in the second half, was very effective, relieving the pressure when the home boys kicked very little, and gave for appreciable gains. Eugene MacLean, Charlottetown picking quarter, played an outstanding game.

The running of the three Harris brothers, and the tackling of Windsor Arsenault were features of the Summerside play.

Line-ups: Charlottetown: Scrum, S. McLean, S. McLean, E. Fraught, V. Kane, R. McArthur, G. Sermer, I. Gillis; quarters, H. McLean, R. McGonnell; line, G. Dillon, T. Redmond, G. Steele, J. Kane; fullback, M. Phillips.

Summerside: Scrum, Garth Harris, R. LeClair, T. Coles, V. Harris; quarters, W. Arsenault, Garland Harris; line, D. Coles, D. Spencer, W. Morrison, R. Arsenault; fullback, U. Gallant, Spare, G. Grady. Referee: A. Perry. Linesmen: G. Welner and B. Lefurgey.

Plan Major Ball Team For Los Angeles

LOS ANGELES, (AP) - Bill Veck Saturday was named special adviser to president P. K. Wrigley of the Chicago Cubs and Don Stewart, president of the Cubs' Los Angeles club, to spearhead the campaign to bring major league baseball to Los Angeles.

Veck recently disposed of St. Louis Browns* of the American League when Baltimore took over the franchise after a belated bid by Los Angeles civic interests.
