GREAT P. E. ISLAND REMEDIES!

WILLIAM R. WATSON would direct public attention to the annexed original Preparations, which he guarantees to be all that he claims for them, viz., *the best Medicines of the kind ever offered to the public.* Innumerable certificates, of the highest authority, might readily be adduced as to the efficacy of each, but the universal celebrity they have attained throughout this Island where they are manufactured, and consequently best known, renders it unnecessary.

Balsamic Syrup.

AN INVALUABLE REMEDY FOR COUGHS, COLDS, HOARSENESS, ASTHMA, CHRONIC COUGHS, INFLUENZA, DIFFICULTY OF BREATHING, AND ALL DISEASES OF THE LUNGS, AND PULMONARY COMPLAINTS.

THIS Medicine has the extraordinary property of *immediately* relieving Coughs, Colds, Hoarseness in the Throat, &c. It operates by dissolving the congealed phlegm, thereby causing a free expectoration.

Those who are troubled with that unpleasant tickling in the throat, which deprives them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle will, in most cases, affect a cure.

Where a gentle aperient is required, take an occasional dose or two of "WATSON'S DYSPEPSIA BITTERS." They operate without producing those unpleasant and often distressing effects which frequently continue for a day or two after taking powerful medicine.

Dyspepsia Bitters.

AN INVALUABLE REMEDY FOR DYSPEPSIA, OR INDIGESTION, JAUNDICE, BILLIOUS COMPLAINTS, BAD BREATH, SICK HEADACHE, HEARTBURN, ACID STOMACH AND DIARRHŒA, AND ALL DISEASES HAVING THEIR ORIGIN IN COSTIVENESS, OR BAD DIGESTION.

These Bitters will be found beneficial in the first stages of Diarrhœa or Dysentery, by taking half a teaspoonful at bed time, but when it fails, "WATSON'S DIARRHŒ MIXTURE" will be found a perfect remedy.

Dysentary & Diarrhœa Mixture.

IS A SAFE, SPEEDY AND EFFECTUAL REMEDY FOR DIARRHŒA, DYSENTERY, CHOLIC, AND DISORDERS OF THE BOWELS GENERALLY—IN ADULTS AND CHILDREN; AND IF PROMPTLY APPLIED IN CASES OF CHOLERA, WOULD BE PRODUCTIVE OF THE HAPPIEST RESULTS,—AS IT QUICKLY RELIEVES ACUTE PAIN, DISPELS FLATULENCE, SUBDUES PURGING, AND COMFORTS AND INVIGORATES THE WHOLE SYSTEM.

*** The public will please observe, there is a Seal—"Watson, Druggist, P. E Island,"—upon the Cork of each Bottle, and that on the back (in panel) of each Bottle there are these words: "W. R. Watson, Charlottetown, P. E. Island," without which none are genuine.

A. J. WHITE & CO., Sole Proprietors, 50 Leonard Street, New York.

THIS philanthropist has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—It was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectorant, that opens and unclogs the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out bountifully by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood: the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills no only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.

For sale at the Apothecaries' Hall, and at the Drug Stores of W. R. Watson and M. W. Skinner and sold at all the stores throughout the Island. Persons wishing supplies of the above Medicines, can be furnished at Proprietors' prices at the Drug Store of

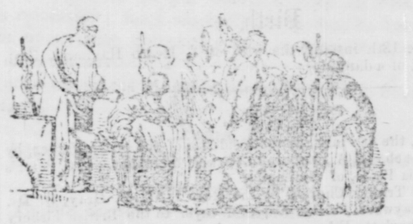
The Blessing of Health.



HOLLOWAY'S PILLS.

WHY ARE DISEASES SO FATAL IN TROPICAL CLIMATES?

Merely because we prescribe for their effect, instead of their cause and try to relieve symptom instead of striking at their root. The action of these Pills is precisely the reverse. They expel from the secretive organs and the circulation the morbid matter which produces inflammation, pain, fever, debility and physical decay; and the basis of disease being removed, its manifestations vanish. While ordinary remedies only afford a temporary respite to the sufferer, whereas these Pills annihilate the disorder.

ILL HEALTH IN HOT COUNTRIES

Frequently arises from nervous disorders affecting the action of the heart and deranging the whole animal economy; these fine Pills will restore the nervous system however deranged, and bring back health and spirits when all other medicine failed.

DROPSICAL SWELLINGS AND TURN OF LIFE.

This is a most distressing period in woman's history, it destroys thousands, the whole of the gross humours collect together, and like a tide sweep away health and life itself, if not timely and powerfully check'd. The most certain remedies for all these dangerous symptoms is Holloways Pills. Armed with this great antidote, the fiery ordeal is passed through, and the sufferer is once more restored to the possession of unimpaired health. These Pills are equally efficacious in all female complaints, and obstructions at the dawn of womanhood.

STOMACH AND LIVER COMPLAINTS.

These are the complaints of the million, particularly those in warm countries; few escape them; and if neglected, they lead to innumerable dangerous maladies. But why neglect them when Holloway's Pills will eradicate them, as certainly as water extinguishes fire? They relieve the Bowels, purify the fluids, and invigorate the system and the constitution at the same time They are admitted by virtue of special decrees into the dominions of despotism, and thus have become the great household remedy.

DYSENTRY AND BOWEL COMPLAINTS

These famous Pills should be taken once or twice a week by all classes in this part of the world, by which means, none need fear the attacks of these direful scourges.

A WORD TO FEMALES.

The local debility and irregularities which are the special annoyance of the weaker sex; and which, when neglected, always shortens life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.

Holloway's Pills are the best remedy known in the world for the following diseases:—

Ague	Dysentery	Liver complaints	toms
Asthma	Erysipelas	Lumbago	Tic-Doloureux
Bad Complaints	Female Irregularities	Piles	Tumours

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Colds, Coughs, and Hoarseness.

DEERFIELD, MASS., 20th Dec., 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your CHERRY PECTORAL. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.

A. B. MORTLEY, Esq., of UTICA, N. Y., writes: "I have used your *Pectoral* myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

SPRINGFIELD, MISS., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

HIRAM CONKLIN, M. D.

AMOS LEE, Esq., MONTEREY, IA., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, PA., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and regard,

ORLANDO SHELBY, OF SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

FORTY-EIGHT FROM ONE!

St. John, N.B., March, 1856.

Certificates from persons of the first respectability in New Brunswick, concerning Fellows' Worm Lozenges.

Messrs. Fellows & Co. Gents.: I cannot forbear letting you know of the effects produced by your wonderful Worm Lozenges. I gave my son, 12 years old, two doses, and in a short time he passed six large worms. My daughter, 10 years old, took four Lozenges, and in a few hours she passed sixteen; subsequently I gave her more, and the worms continued to come from her until Forty-Eight Large Worms were passed. Strange to say, they acted in a similar way on two grown persons in my house.

I am of opinion that very many children die annually from the effects of worms, who are treated for other diseases.
