G. H. TAYLOR,

SUNNYSIDE.

A DELICATE CHILD

Let a delicate child take a little Scott's emulsion of cod-liver oil after breakfast or dinner—not too much—too much will upset the stomach.

Better too little than too much

The effect will be slow; it ought to be slow. In a week, you will see it began the first day. Don't be in a hurry.

We'll send you a little to try if you like.
SCOTT & BOWNE, Chemists, Toronto.

EARNSCLIFFE NOTES.

We wish everyone a very merry Xmas.

The Patriot's fiction department—its editorial columns.

Mr. John Wright who has been very ill for the past few weeks is slowly recovering.

The wheat was separated from the chaff on the 12th inst. And some intelligent people actually think it strange that there is more chaff than wheat.

One of the many interesting developments in the late Dominion campaign in East Queen's is that at some polls the Deputy Returning Officer refused to initial the voters' ballots that were objected to by the Conservative agents.

After several attacks of thought we have come to the conclusion that about the only really independent man in Canada to-day is the business manager of a newspaper. He is therefore a very lucky man, for he toils not, neither doth he spin.

Mr. Daniel McDearmid, who has been living in Earncliffe since last spring, returned to his former home in Cardigan on Monday. The many friends that Mr. McDearmid has made here during the past few months unite in extending him their best wishes for his future prosperity.

Mr. Roderick McKinnon returned home on Monday from a pleasant holiday with friends in North River.

In a recent issue of THE EXAMINER we noticed that a writer spoke of an event as occurring in "Gallas Pt." We take the liberty of reminding writers that there is no place on this earth bearing such a name. There was once; but "Gallas Pt." was "buried" four years ago. Of course this is a free country, and anyone who wishes to dig up the old "corpse" and use it, can do so, but they are just four years behind the times. That's all.

During the coming week the people of Vernon River and vicinity will have an opportunity of hearing a lecture by Mr. Fred B. McRae, on the South African war. Considering Mr. McRae's many thrilling experiences on the veldt; his eloquence, and great talent for describing scenes and events we feel sure that a great treat is in store for those who will have the pleasure of hearing this lecture.

During the recent election in East Queen's a prominent Lot 50 Grit got a case of "medicine for purifying the electorate." In taking the cork out of one of the bottles he spilled some of the medicine on his boot, and in a few moments it

POINTS OF EXCELLENCE.

A Few Reasons Which are Rapidly Making a New Catarrh Cure Famous.

Stuart's Catarrh Tablets, the new Catarrh cure has the following advantages over other catarrh remedies:

First: These tablets contain no cocaine, morphine or any other injurious drug, and are as safe and beneficial for children as for adults; this is an important point when it is recalled that many catarrh remedies do contain these very objectionable ingredients.

Next: being in tablet form, this remedy does not deteriorate with age, or an exposure to the air, as liquid preparations invariably do.

Next: The tablet form not only preserves the medicinal properties but it is so far more convenient to carry and to use at any time that it is only a question of time when the tablet will entirely supersede liquid medicine as it has already done in the medical department of the United States army.

Next: No secret is made of the composition of Stuart's Catarrh Tablets; they contain the active principle of Eucalyptus bark, red gum, blood root and Hydrastin, all harmless antiseptics which, however, are death to catarrhal germs wherever found, because they eliminate them from the blood.

Next: You can not cure catarrh by local applications to the nose and throat, because these are simply local symptoms and such treatment can not possibly reach the real seat of catarrhal disease which is the blood; for this reason, inhalers, douches, sprays and powders never really cure catarrh, but simply give temporary relief which a dose of plain salt and water will do just as well.

Catarrh must be driven out of the system, out of the blood, by an internal remedy, because an internal remedy is the only kind which can be assimilated into the blood.

Stuart's Catarrh Tablets do this better than the old form of treatment, because they contain every safe specific known to modern science in the antiseptic treatment of the disease.

Next: The use of inhalers and spraying apparatuses, besides being ineffective and disappointing is expensive, while a complete treatment of Stuart's Catarrh Tablets can be had at any drug store in the United States or Canada for 50 cents.

burnt a hole clean through the leather. The one thing that surprised us is that the "medicine" did not eat its way through the glass.

Some time ago we heard a young mother complaining that she could not understand why it took her little girl so long to learn to talk. "I spend hours every day trying to teach her," she said. Five minutes later this is what we heard: "Bess its footsy-tootsies! Doesn't muzzer des do ever sing she tan to det it to talky-walky! Tum to its muzzer! Popsy-wopsy doncy duckens! Wid olecome biddlecome fiddlede-de! Toze its pittty little eyes now an' go s'leepy!"

"Papa," said a little boy the other evening, "where is Hades?" "My boy, replied the old gentleman with a far-away look in his eyes as he thought of East Queen's and other steals. "Hades is

A place where there's no ice or snow. Where all the Liberal boodlers go And cry from out a stolen pew, "Say, is this hot enough for you," And very savagely they grasp An empty sheep-skin-whiskey flask, And underneath their smoking socks There's a stuffed and stolen ballot box, And when the sweat in torrents start They howl at Farquharson and Tarte."

REX.

—William Boulton, a wealthy but wicked druggist in Nottingham, Eng., deserted his wife, and ran off, away to Victoria, B. C., with the wife of a friend. A few days ago, Mrs. Boulton appeared in Vancouver and gave her husband such a tongue-lashing on the street, that, to escape it, he threw up his hands, and fell over on the pavement, dead. The doctors say he died from fright.

FATAL FOOLHARDINESS.

COLUMBUS, Ind., Dec. 17.—Dragging at the heels of a frightened horse, a boy named Hall was battered to death yesterday at Mount Liberty, six miles north of Nashville. Two older companions, Pitman and Coopenhaogen, in a spirit of boyish recklessness, tied young Hall on the horse's back, telling him they would teach him to become a circus rider. They released the horse and struck the horse. The animal took fright and began to run away at a terrific pace. The rider was not captured. The rider had fallen under the horse's hoofs and was kicked and battered beyond recognition.

NO SHADOW

Of outward misfortune can darken the smile of the loyal wife and loving mother. But when disease comes the smile slowly fades, and in its place comes the drawn face and tight closed lips which tell of the constant struggle with pain.

When the delicate womanly organism is diseased the whole body suffers; the form grows thin, and the complexion dull. The first step to sound health is to cure the diseases which undermine the womanly strength.

Dr. Pierce's Favorite Prescription establishes regularity, dries disagreeable drains, heals inflammation and ulceration and cures female weakness. The wonderful cures of womanly diseases effected by the use of "Favorite Prescription" place it at the front of all put-up medicines specially prepared for the use of women.

"I was troubled with female weakness for eight years, and suffered more than I can tell," writes Mrs. Gust. Moser, of Orando, Deer Lodge Co., Montana. "My disposition was affected to such an extent that to say a pleasant word to any one was almost an impossibility."

"I had two operations performed by one of the most skilled surgeons of the West, but did not get relief. Then, against my doctor's strict orders, I commenced taking Dr. Pierce's Favorite Prescription and Golden Medical Discovery; and also followed the advice given in the Common Sense Medical Adviser."

"I continued this treatment for three months, and to-day am as healthy and well as a woman can be. I cannot thank Dr. Pierce enough for his kind letters to me."

Dr. Pierce's Pleasant Pellets cure biliousness and sick headache.
