N. Y.-Montreal Winners Saturday NHL Games

TORONTO (CP)—A former player in the livery of New York rangers came back to haunt the Toronto Maple Leafs Saturday night as Rangers took a 4-2 National Hockey League victory.

The win moved Rangers into third place Toronto, with only a tie in three straits, is tied for fifth with Chicago Black Hawks.

Danny Lewicki, who couldn't make the NHL as a Leaf, scored the winning marker for the visitors early in the third period after Leafs dropped a 2-0 lead.

Dean Prentice added the insurance marker when he slapped a shot in an empty net in the last minute of the game after goaltender Harry Lumely had been yanked.

Rangers took advantage of a two-minute penalty to Hugh Bolton in the second to tie the score. The lead of Ron Murphy cut the lead to 2-1 at 10:28 and Bolton was still there when defenseman Bob Christal beat Lumely at 11:52.

Dave Creighton gave Leafs a 1-0 lead at 1:48 of the first period and Ron Stewart made it 2-0 at 10:10 of the second.

Stewart made a lazily skating Allan Stanley look bad on the play. The shorthanded Leafs iced the puck. Stewart went after it, scooped past the slowly moving Ranger defenceman and slapped a shot past a surprised Gump Worsley.

Rain Postpones Plowing Match

BRESLAU, Ont., (CP)—Heavy rain forced postponement of major events scheduled for today at Detroit's international plowing match.

The district has had 10 days of rain-so far in October.

To Spread Garden Toil Do All You Can This Fall

There are two kinds of fall planting — one which must be done now, or not at all and an optional kind, which may be done this fall or next spring.

Among the "musts" are planting spring flowering bulbs, peonies, iris madonna lilies, the seeds of some perennial flowers and that of the annual larkspur.

"Musts" include evergreen and deciduous trees and shrubs, roses, the seeds of most perennial and quite a few annual flowers and vegetables, and lawn seed.

Garden owners who like to do things the easy way will spread their planting over two seasons, instead of waiting to crowd it all into a hectic spring.

In the fall there is no "spring fever," rather there may be lassitude. Like the plants themselves, the gardeners may long for a winter of dormancy, before undertaking a new season of growth.

But for those who resist the temptation to rest, fall planting pays rich rewards. In sections where winters are cold, most garden color in the early spring comes from plants in the "must" groups, which should be planted in the fall, or not at all.

In the vegetable garden, perennial onions must be planted in the fall, to bear green onions next spring, before onion sets could be planted. Rhubarb and asparagus roots may be planted now with good results. Spinach and other hardy greens can be sown for very earliest harvest next spring.

For the asparagus bed, roots should be obtained and placed in a location which need not be disturbed during the life of the garden, since a good asparagus bed will last several decades. Deep, rich soil is required and the plants should be given ample room, with three feet each way between hills.

Rhubarb is another long lived plant. Six plants will suffice for the average family and they should be placed where they will not be disturbed, perhaps near the asparagus in a garden screen or border.

The hardiest winter onion is the red perennial, sometimes called the Egyptian. This is one of the onions which instead of bearing seeds, produces at the top of the

GIVE asparagus roots plenty of room.

will old friends. They remark that many changes have taken place. Many of the old faces no longer are seen and new ones have taken over the old familiar homesteads.

The South Lake Christian Church Ladies' Aid meeting was held at the home of Miss Pearl Stewart, Bothwell, September 21 and was well attended.

Potato picking has started in most of the districts and a good crop is reported. The help situation is not at all good.

Mr. Laurance Campbell, Bangor Maine, visited with relatives in Little Harbour and Souris Line Road.

The Sunday School Rally Day Service was well attended in the East Point Baptist Church, Kingsboro on September 26. The service was conducted by Rev. D. I. McClare assisted by Messrs. Edson Rose, Kenneth McGregor and Master Weston Rose and Sunday School pupils.

Mrs. Harry Bruce, Red Point, spent some time with her daughter, Mrs. Fred Dixon who is ill in Truro, N. S., also with Mr. and Mrs. George Smith, Moncton, N. B.
