

# MODERN STORE RE-OPENS in NEW GLASGOW - P. E. I. AFTER COMPLETE RECONSTRUCTION BY R. L. DICKIESON LTD.

I wish to thank my many friends and customers who have made this re-opening so splendidly possible.  
R. L. DICKIESON.

Revell Dickieson started business in his present premises in 1928, and by diligent application he developed the goodwill of his customers, and is highly conscious of the support given him by the community of the New Glasgow district.

During the years, Mr. Dickieson had the willing aid of his wife who took the highest interest in the progress of the store, and thus it was possible to make periodic improvements until in 1957 it was decided to plan a complete reconstruction and modernisation, whereby giving much wider scope for business.

This modern store now re-opens for business and the numerous friends of the Dickiesons wish them all success for their venture which is a real asset to New Glasgow.
