Five Lousy Seconds

MONTON 4 UPEI 2
I am sitting here at the typewriter with Richard Willis swing a whip and shouting "Get it in" and don't know what to write for I am beating my head and repeating "5 seconds... only 5 seconds...only 5 lousy seconds and we had the upset of the year." Being written in such haste probably the best I can do is just put down my notes as I took them... sort of giving a microencapsulation of the game... 1st period... Radio Moncton U. in press box...tells me they have 8 new players ...team mostly from Quebec ...ask what is wrong with home grown players and he says they don't fo to college...something fishy there. Referee Dave Fraser from Moncton(at the end of my noters I appraise him as the sort of referee that makes Jesxe James and John Dillinger look like honest men)... rink only 1/2 full at start with lots of Moncton fans on hand... Donnie Brown gets roughting penalty at 30 second mark.. Jack Kanes' voice makes us wonder about rink accoustics... in the press box you can't make out loud speaker but can distinguish clearly everything Jacksays... play very fast... Wayne Bernard flying... Donnie McInnis sharp on tow successive drives...#20 Boivan outstanding... Tom Hayward gives best check of the season on #17... we have no scorecard and can't distinguish Moncton players... we pick up noticeably after this hit... Donnie Brown starts play and carries puck on his side, passes to Dave Murnaghan who gives to Wayne Bernard and into the net she goes for a 1-0 lead... goalkeeper deliberately shoots puck off ice... is that a penalty? none called.. pressbox argument about it... Moncton

clutches a lot.. at 15.30 their #2 goes off for holding and a 1814 Dave Murnaghan and #5 depart...#14 slashes McCarron from behind but no penalty... period ends 1-0 for the good guys. S.O.G. 13-5 for us. 2nd period McConnis makes 3 great saves in a row... followed by 2 Moncton stops ...Brown spectacular... at 4:50 McCarron off for high steck,... great chance by Wayne Bernard...8:49 GeniePower and Cormier off... at 9.16 Donnie Brown and Cormier...Moncton bat the puck into the net..no score... at 14.48 Boivan ties it up from in front of net Brown off at 15.53 and Ronnie McInnis drew a tripping penalty at 19/40 ...S.O.G. for the bad guys. 3rd period Shawn McIssac close twice... Ronnie McInnis makes three spectacular stops in a row... at 6.43 Ray Dunn makes it 2-1 on passes from McIsaac and Bernard...Brownie get holding penalty... horrible c call... McCarron gets penalty ...Moncton makes several close attempts but McInnis miraculous... Las Playing well.. off goes Dave Murnaghan for elbowing... count-down starts..one minute to go.. play in our end. 30seconds to go...25..20.. 15...10 they carry it in.. shoot-McInnis partly screened... not much chance... game 2-2 ...scorer Dennis Ingraham...S.O.G. Moncton 15 ,UPEI 7. Overtime..Boivan diditat 5.39 and Ouiselle's insurance goal at 7.36 didn't mean much.. Our team played well and obviously, could have won. ,.Moncton are big, fast and strong...undefeated to date and boast a win over S.M.U. We feel to depressed to comment much except ot say we'll be right in there af-

ter Christmas... the team converted a lot of doubtful fans today... Players who caught our fancy were McInnis, Brown and Wayne Bernard with a boquet to Tommy Heyward for that hit.

MOUNT A. '91 UPEI 86

Highly touted MountA. fresh from victories over Memorial and a 30 point win the night before over UNB were assumed to be big winners over the visiting Basketball Panthers who were playing their first league game and at half time, the hometown Sackville fans had every reason to believe that the teams were running true to form. Gary Heald's halftime analysis must have been terrific for the play took a marked turn-about and with full court and half court presses(whatever inHell that means...and how they changed the style of play) we shut them out for several minutes and ,at one

time, got as close as 3 points... only to lose by 5 Biggest difference was from the foul shots where Mount A. had an amazing 19 out of 20 whereas our record was about half that. Art Laffin had 30 for us and Jay Mingrane 21. Our boys have every confidence that they'll come out on top when they entertain MountA. here on 26 January. Next basketball action here is next Friday and Saturday when the Panthers host UNB in two league games that are "musts"... this is the best basketball we have had here in a long time so we hope for a big crowd of noisy fans.

Women's Basketball

Barb Mullally will trot out her Lady Panthers, from whom much is expected, for their inaugural matches next Friday and Sunday with UNB and Dalhousie being the opposition. Games at 6:00 on Friday and 3:00 on Sunday.
