

Miners Score Three Third Period Goals To Edge Islanders 6-5

The Charlottetown Islanders caught fire in the last twenty seconds to score two quick goals but it wasn't quite enough to cut down a three goal Glace Bay lead as the Don Penniston coached Miners took a 6-5 decision over the Trainers at the Forum last night before a crowd of 800 fans.

Bobby Brown, a graduate from the junior ranks of the Windsor Spitfires, provided Miners with their game winning punch in the third period as he scored two goals and set up Tommy Fyles for the winner.

The teams went into the third period tied up at 3-3 but once again the younger legs of the Miners stood up in the final frame and the Miners came off the ice with their third win over the Islanders in as many games.

After Brown and Fyles each scored the executioner's axe in the third the Islanders took advantage of two Glace Bay lapses in the dying seconds to fire two quick goals. Saindon shot the first and Trainer the last.

The Islanders started away at a fast clip in the opening period and raced into a 2-0 lead in the first eight minutes. They led 3-2 at the end of the session. The Miners scored the only goal of the middle period with Connolly being the marksman.

As a result of the game, played on heavy ice which slowed the pace, the Miners moved into sole possession of third place in the league standings. They have won their last four games.

Winger Bob Gray shot two goals for the Islanders. Trainer, Saindon and Frank Dorrington each one. Brown and Fyles each netted a pair for the Miners while Connolly and Miller shot singletons.

Gray opened the scoring when he caught the young Glace Bay goalie, Bill Dion out of position after a scramble around the goal mouth. He took Whitlock's short pass and fired the disc into the open cage.

Frank Dorrington shot one through Dion's pads to give the Islanders their second goal. Lorne Hennessey, playing his best game of the season and the best of the island forwards during the first period, did the spade work. He carried down centre ice, deked a Glace Bay defenceman before putting Dorrington in the clear.

Gordie Miller scored the Miners first goal as he used Connolly for a decoy and blazed a 30 foot shot past Bessette. Gray, after a beautiful set-up by Trainer, put the Islanders ahead 3-1 with a scorching 25 foot shot from the side.

Fyles rounded out the scoring for the period as he fired a low

angle shot into the left hand corner of the Islanders net.

In the second period Connolly put the Miners on even terms with the Islanders as he scored on a 25-foot flip after carrying down centre ice.

The Islanders controlled play in the opening minutes of the third period and both Whitlock and Gray came close to scoring. Whitlock missed the net by inches and Gray hit the goal post.

The Islanders were pressing in the Miners zone with a man advantage when Brown struck for his first goal. Treen took the puck from Saindon and passed ahead to the speeding Brown. He whistled through the Islanders defense and scored on a high 20 foot shot.

Two minutes later he received credit for his second goal of the game when his partially blocked shot went into the Islanders cage off Trainer's skate.

Tommy Fyles, who owns the hardest and most accurate shot in the League, applied the clincher at the 13:44 mark when he snapped a 30 foot shot through the Islanders defense into the top left hand corner of the net.

Saindon put the Islanders within two goals of the winners at a minute later as his slap shot bounced off Dion's pads into the cage. Trainer, after taking a pass-out from Whitlock, beat Dion on a 30 foot shot along the ice for the final goal.

Y Physical Director Has Wealth Of Experience

History was made last night in the Charlottetown Forum when a member of Canada's Davis Cup tennis team officiated at a Maritime Major Hockey League game. The referee was Bob Bedard, a 22 year old athlete from Sherbrooke, Quebec. In summer-time he is known as Bob Bedard the tennis player, the boy who lined up with Henri Rochon and Lorne Main to represent Canada in international tennis matches against the U. S. A., Cuba and Mexico.

Bedard played in the singles matches against the United States and Cuba last summer. He teamed up with Henri Rochon in the doubles and also played in the singles against Mexico. In the competition with the United States he played against Bernard Barzen, the Seventh-ranked player in the States. Bedard took one set from the American before dropping out of the match in four sets.

Last winter at night he worked as a referee in an Outlaw Hockey League around Los Angeles and got in tennis practice during the day. He is substiting in the Maritime Major League until Jerry Mathieu gets on the job around the middle of December. Mathieu was appointed to the officiating staff last summer but was unable to commence work until his wife recovers from a hospital operation.

Guy Gignac, the left winger from Quebec, failed to arrive in time for last night's game but should be here early this morning and may work out with the Islanders in their practice around noon today. As far as is known defenseman Bill LeBlanc is on his way from Quebec to join the Islanders. LeBlanc, from all reports, is a big, rugged boy about the size of Vitale. He can hand out a stiff body check but in addition to being a tough customer on defense he is also a good all-round hockey player.

Coach Bucko Trainer was in touch with Frank Boucher of the New York Rangers yesterday for the third time since the season opened and was given pretty good hope that he could secure a player from the Rangers organization. Trainer will have definite word on the player later this week. There is still a tie-up on Marty Burton and Jim MacNulty. Burton wants his release from Sudbury before coming East. MacNulty can't obtain his clearance from a team in St. Catherine's. Apparently he's not happy in St. Catherine's and wishes to come to the Islanders. He has threatened to quit if he doesn't obtain his release.

There was no further word on the Bingo Ernst case yesterday. Trainer expected word from Ernst last night and tried to contact the player but he was out of town. Definite word on Ernst's status will be obtained today. Islanders officials are keeping their fingers crossed that there will be no tie-ups.

U. S. Court Rules Pro Baseball Still A Sport

WASHINGTON, (AP)—The U.S. Supreme Court ruled Monday professional baseball is still only a sport and hence is not subject to federal anti-trust laws.

The court's decision was given much-discussed player "reserve clause," keystone of organized baseball.

The appeals had asked the court to reverse a 1922 unanimous decision delivered by Justice Oliver Wendell Holmes that baseball is a sport, not a business.

53 Horse Racing Season Has Ended

TORONTO, (CP)—Canada's 1953 horse racing season has ended.

Dufferin race track officials decided to call it quits after a meeting Sunday which discussed the condition of the track following Saturday's heavy snow. Dufferin was the last track operating in Canada.

to Philadelphia last winter in a deal that sent Ferris Fain to Chicago White Sox.

Who To Trade?

The big question is what do the eighth-place Orioles have that could help the seventh-place Athletics? Eddie Joost, new skipper of the A's, said Sunday he isn't interested in trading for average ball players. But he did need a catcher, third baseman and some speed in his outfield.

Orioles are reported to be offering pitcher Marlin Stuart, first baseman Dick Kryhoski and infielder Vernon Stephens for Robinson. Athletics want Stuart and Kryhoski and also either catcher Clint Courtney, outfielder Roy Sievers or infielder Jim Dyck.

Joost and Mack held a high level conference Monday about possible player deals. It's reported that Harry Byrd and Gus Zernial will be offered as trade bait as well as Robinson.

Zernial hit 42 home runs and drove in 109 runs last year. Byrd, rookie of the year in 1952, was a big disappointment last season with a 10-20 record.

Bulldogs Not To Enter APC League

ANTIGONISH, N. S., (CP)—Antigonish Bulldogs will not compete in the Antigonish-Pictou-Colebrook Senior Hockey League this season because of lack of material, president H. A. Carruthers said Monday.

The league, one of the Maritime's oldest, is scheduled to open Nov. 16 but Bulldogs' withdrawal has left St. Francis Xavier University without an opponent on opening night.

Truro will play at Stellarton, and Pictou at Trenton.

Boston Tries Parking Ban

BOSTON, (CP)—Boston clamped a 1 1/2-hour parking ban on its tangled downtown area Monday in the hope of clearing up its monumental traffic snarl.

Reports of the first day of the 60-day trial were inconclusive.

The ban, effective from 8 to 9:30 a.m., is designed to ease the flow of traffic into the narrow streets of the city's business section, normally clogged by all-day parkers.

Observers noted a marked increase in motor traffic between 9 and 9:30 and suspected that some motorists simply were postponing their daily scramble for parking spaces for an hour or so.
