THE FOREIGN MAIL arrived at 11 45. COVERHEAD.—Mr. T. C. James will speak at Covehead on Sabbath next, 15th inst., at 11 a. m. and 6.30 p. m. TO-NIGHT.—Mr. Hamlyn's lecture before the Natural History Society takes place to-night. Y. M. C. A.—A meeting will please remember that the adjourned annual meeting of the association is to be held in the hall at 8 o'clock, this evening. AT HALF PRICE.—Back numbers of the Evening Ladies Journal with large sheets, at the Diamond Bookstore. Half price. Call early and get bargains. TAKE NOTICE.—In another column will be found Mr. Morrison's ad. Any one having culture, lands, etc., to dispose of at auction would do well to give him a trial. ACKNOWLEDGMENT.—The thanks of THE EXAMINER are due to Mr. A. E. Macdonald for his New York papers; also to Mr. J. E. O'Shea for late Sp. Kane Falls publications. ANOTHER SOCIAL.—Another grand entertainment and basket social will be held in Pierpont Hall to-morrow evening at 7.30 o'clock. Another pleasant time may be expected. DYSPEPTIC.—Is not a palliative, but a cure; it first relieves, then controls, and finally entirely subdues the irritation and inflammation of the stomach that causes indigestion and dyspepsia. REQUISITE.—The handsomest and newest stationary comprising the "Gondolier," "Mazurka," "Electric," "Siberian," "Cossack," etc. Also the latest in mourning. Write "Graphite" at the Diamond Bookstore. THE SOCIAL.—The members of Hazel Brook Singing Club will hold a pie social in Pierpont Hall, Lot 49, on Wednesday, March 13th, to which all are invited to attend. A short entertainment will be given. STOLE CLOTHING.—Mrs. Fred. Ryan to-day issued a warrant for the arrest of a young woman named Todd whom she charges with breaking into her house some time ago, and taking therefrom a quantity of wearing apparel. ST. PATRICK'S DAY.—We understand that the sermon in St. Dunstan's Cathedral on St. Patrick's Day will be preached by Rev. Father Curran, of St. Dunstan's College. The entertainment in the Lyceum, with which the day's proceedings will be brought to a close, will conclude with a laughable farce. WHO WAS SHE?—The New York World says: Among a party of visitors to the Pulitzer Building recently was a young lady from Prince Edward Island getting her first glimpse of the metropolis. At every turn she encountered some new (to her) marvel, but still not tempt her to enter an elevator again. REMEMBER MR. A. A. BARTLETT'S LECTURE on "Banks," in St. Paul's Church Schoolroom to-morrow evening, 13th inst. Mr. Bartlett has been requested to repeat this lecture for the benefit of St. Paul's Church Sunday School Library. Let him have a bumper house, and do not miss one of the best lectures of the season. SEVENTY FOUR AND HOMELESS.—On Saturday afternoon, saw a MONTREAL desperado, who brought an old woman before the Justice and asked for charity's sake. That she be committed to the female jail as she had no home, and was wandering about the streets. Her name is Floe Levesque and she is 74 years of age. She was committed for three months on a charge of vagabondage. PREPARING FOR ST. PATRICK'S.—A local dramatic club, under the auspices of the St. Louis Benevolent Irish Society, intend giving an entertainment in the Court House, St. Louis, on the evening of the 17th. "The Good Natured Man" will be put on the boards for the first time there, and we have no doubt but that those having the matter in charge will make the occasion a very pleasant one indeed. LEWIS LEAGUE.—A branch of this league was organized at the Methodist Church, St. Louis, on Tuesday evening, with the following membership: Joseph Mitchell, H. L. Duchemin, James D. Dingwell, Clarence Bishop, A. Williams, George McFall, Mrs. Christie, and Miss Carrie Dingwell. The Rev. J. H. Mitchell was chosen president, Miss Annie McFall secretary, and C. C. Carlton, treasurer. A QUESTION FOR THE BOYS.—A send a Boy that cost \$200, to sell, with an agreement that each should have half the net profit. The expenses, freight, etc., are \$18.75, of which amount A pays \$15.24 and B pays \$3.55. What amount does B still owe to A? An accountant in one of the principal Dominion cities, several book keepers in some of our large business establishments, and one of the managers of one of our stock companies, have been working at this, and differ very materially in the results. Boys, what is the result? CONCERT.—We direct the attention of the musical public to Mr. Vinicombe's Concert announcement in to-day's issue. This concert promises to be a grand affair, far superior to any formerly given. There are some twenty performers on various instruments, in fact a full orchestra such as has never been heard before—a relief to the Province. They have been preparing their parts for the past two months, and are really in splendid form. The music is such that all can enjoy, bright and pleasing. Some of our best vocalists will assist, which will add to the success of the concert. The price of admission is only 5 cents, hoping that it will be an inducement for all to hear one of the finest concerts given here. WALLACE'S REGISTRY.—An exchange says: There is a general revolt of horsemen against J. H. Wallace, the official registrar of the National Association of Trotting Horse Breeders. Wallace has conducted the registry for the past 15 years and the number of animals in his register now exceeds 40,000. For the past two years there has been much dissatisfaction, and on Jan. 29th the National Association withdrew their confidence from Wallace, since which date no registration has been official. At a meeting of leading horsemen on Thursday it was decided to establish a new registry, and if possible purchase of Wallace the records in his possession. The general impression is that Wallace will not stand a lively struggle with Enace. The net proceeds of Wallace's registry for the past year was \$300,000 of which his nephew Robert got away with \$12,000, which landed him in state prison.

SPECIAL DESPATCHES TO THE EXAMINER.

Springhill Horror

VERDICT OF THE CORONER'S JURY.

NO BLAME TO THE MANAGEMENT.

SPRINGHILL, March 12. The jury in the Springhill coal mine disaster returned a verdict yesterday afternoon to the effect that the disaster was caused by a flame from a shot fired in No. 3 bord of No. 7 balance, igniting coal dust and certain portions of gas which might have been present at the time. The jury believe that there was an unusual flame from said shot, owing to a slip in the stone. The explosion was accidental and no blame is attached to the management, every precaution having been taken for the safety of the workmen.

The jury recommended that in future, where safety lamps are used, and in very dusty places powder should not be allowed; also that in gaseous portions of the mine, before the men resume work after dinner, the places should be examined by competent officials.

T. DeWitt Talmage's son, a member of the last graduating class at New York University, bids fair to step into his father's shoes when the latter shall cease to exhort. Though only 21 years of age, young Talmage has already gained success as a lecturer. During the winter he made a tour throughout the West, filling engagements at \$100 and \$200 a night. In personality he greatly resembles his esteemed father—slight, sensational and effective.
