PWC Students Propose Visit To New York City

Representatives of Prince of Wales College United Nations Society are to visit New York City during the Christmas holidays.

Fourteen students and four driver-chaperons will leave here Monday Dec. 27 and return to Prince Edward Island Monday Jan. 3. Three cars will be making this unique trip.

The tour, strictly an educational and cultural one, will provide the young tourists with an excellent opportunity of discussing international affairs with students of other countries. Many similar groups are planning to be in New York at the same time as the Prince of Wales scholars, who will be housed at International House there. Discussion groups are planned during the short time in the largest city of the United States.

Prince of Wales United Nations Society has been in existence for four years but this is the first time that such an excursion has been undertaken. Already two-thirds of the expense money has been raised and the energetic young group is hopeful that some local benefactors will supply the remainder.

The Students' Council of PWC has made a substantial grant towards the trip. However, it was learned that the 14 students making the jaunt are actually contributing about one-third of the expenses themselves.

Mrs. Stuart Chandler and Harold Pollard.

Enroute the group will visit Boston and tour Harvard and the Massachusetts Institute of Technology. While in New York, educational tours will include visits to outstanding universities there.

The local college association is headed by Dave Raynor, Mt. Herbert. Sally Martin, Parkdale, is vice-president, Peter MacKinnon, Charlottetown, treasurer and Donald Large, secretary.

Other students making the trip Dec. 27 are: Kent Martin, program director, Connie Cullen, Kathie MacInnis, Brian Pollard, Glen Saunders, Val MacAleer, Sandra Horne, Muriel MacGillivray, Pamela MacKinnon and Gary MacLeod.

Local Teachers Discuss Salary

Teachers of the Mount Stewart Local Institute heard P.E.I. Teachers' Federation president, Charles Campbell, discuss the scale of grants as proposed by the P.E.I. T.F. to the provincial government.

The largely attended get-together also had an opportunity to look at the Nova Scotia scale of grants and compared it with the scale outlined by the local Federation.

The meeting went on record as supporting the scale and recommended that the salary committee and the executive continue their efforts to have the scale implemented.

Presiding at the meeting held recently was Rev. Sister Mary Alexander, Grand Tracadie.
