

Steel Arrives For Bulk Oil Storage In Capital

Construction work on the new plant of the Irving Oil Co. drew a step nearer on Monday with the arrival of the M/V "Irvingwood" from Fort Erie, Ont., with 800 tons of sheet steel and girders to be used in the erection of the storage tanks.

The tanks, which will be used for bulk storage, are to be constructed immediately by the Horton Steel Co. of Fort Erie, which has all local labour competent to deal with the situation.

Next in order, work will be started on the warehouse and office buildings, which will be steam heated and modern in every respect. Finally garage facilities will be provided for a fleet of twelve vehicles equipped with delivery tanks. The paved ap-

proaches and other essentials will follow in due course when the entire area is levelled off. Officials of the Company said last night that they expect to have the plant in full operation early this fall in order that an abundant supply of fuel oil, stove oil and other petroleum products will be assured the public for the winter season. When completed the installation, which is located at the Charlottetown end of the Hillsboro bridge, will cover an area measuring 575 by 360 feet.

TALL TREES

Canada's tallest trees, the Douglas firs of British Columbia, some of them grow more than 300 feet high.

City and Central

BOY'S TAXI—Dial 6560 1569.

PERSONALS
Mr. and Mrs. George Chappell, Toronto, and the passengers on the plane arriving home Sunday evening and intend spending two weeks vacation with their families here.

Miss Bessie Rodd, Harrington, was hostess at a linen shower at her home in honor of Miss Betty Rodd. In a prettily decorated room

End First Two Weeks Camp At Greenwood

The departure of 250 Air Cadets from RCAF Station Greenwood on Saturday marked the end of the first two week period at RCAC summer camp. On Sunday the first draft of about 280 arrived on the station when 20 cadets and officers from Charlottetown arrived by air. The remainder of the camp including boys from Nova Scotia and Newfoundland are expected over the week-end.

Cadets arriving for the second camp will follow the same program of activities laid down for the first camp. This includes flying, sports, drill, swimming, ground instruction, leadership training and survival courses. This year's program in survival courses will stress water safety and other procedure followed in artificial respiration. To date, marked improvement has been noted in the number of cadets who have learned to swim.

Additional interest is provided in the newly completed No. 9 and No. 10 hangars. These two massive buildings with every conceivable modern development will prove of great interest to both the boys and accompanying personnel alike. Regular tours are being arranged so that all cadets get a chance to make close up observations of the activities carried on in these newly opened sections of Station Greenwood. The new Neptune aircraft also will be a source of much interest to the cadets.

A feature of this year's Air Cadet programme for lads coming to the camp is the pre-camp examination which all Charlottetown boys will have to undergo before leaving home. In addition, a second medical is given immediately on arrival at camp. This will ensure physical fitness. Furthermore, daily sick parades are held each morning and lads indisposed for any reason are given immediate hospital care.

As was the custom in past years, special attention will be given to the spiritual and moral well being of the boys. Religious and spiritual guidance is given by four padres devoted exclusively to the cadets in camp. Vespers services for Roman Catholics and Protestant denominations are held each evening in the station chapel.

Supervised recreation is one of the things which has been greatly expanded in addition to usual forms of outdoor sports such as volleyball, football and track; the snack bar, bowling alleys, hobby shop and a well organized air cadet lounge and reading room are at the disposal of the cadets.

Week-end excursions to points of historical interest in the valley and trips to Kentville will prove of great interest to the visiting cadets. Swimming parties should once again be a stellar attraction for boys on warm week-ends. All in all this Air Cadet Summer Camp should be one long remembered by the Charlottetown boys.

Staff Elects New Slate of Officers

The staff of R. T. Holman Ltd., Charlottetown, elected their new officers for their staff organization on July 15. The new slate of officers are as follows: President, Harry Taylor; secretary, George Kay Garnham; Executive Committee, Dennis Dowling, Rita Jackson, Peg Martin, Bernadette Costello, Rita Shanahan, Marg Drescher, Walter O'Brien, Freda Richards.

The executive is now in office and will continue for the next 12 months.

The bride-to-be opened her gifts while Heather Rodd read the verses. The lunch which followed was enjoyed by all.

Mr. Gordon M. Dallyn, executive secretary of the Canadian Geographical Society and editor of the Canadian Geographical Journal, Ottawa, accompanied by Mrs. Dallyn, is spending a holiday in the Province.

Mr. Charles Newson, 177 Euston Street, has returned from an enjoyable visit to his brothers, Arthur, in Vancouver, and Fred, in Edmonton, Alberta. He also visited friends in Winnipeg.

In Memoriam

In loving memory of my dear Mother, Mrs. Elizabeth MacFarley who departed this life July 20, 1943.

It is twelve years ago today Mother. Since God called you to rest He knew the agony you were suffering. But his plans for you were best. So we will be brave Mother And pray to God each day And when He calls us home to you Your smile will lead the way.

Ever remembered by her daughter Mrs. Duncan MacKinnon, Riverdale.

Card of Thanks

I wish to express my sincere thanks to Dr. Moreau, Dr. Lantz, to kind Sisters and Nurses of the Charlottetown Hospital for the splendid treatment I received while a patient there; to all my kind friends who visited me and brought me treats and sent nice cards; to Father Frank P. Aylward who visited me so frequently. I also appreciate and thank very much our friends and neighbors for their many acts of kindness they have shown my wife; to Joseph Lawlor, St. Theresa's; Mr. and Mrs. Earle MacDonald, Lorne Valley; Merlin Devine, Peakes Station.

A sincere thanks to you all. FRED DUFFY, Riverton.

Kinsmen Bringing Popular Entertainers To Ch'town

Tom Auburn, widely known magician, and Miss Theresa Daly, the gifted Montreal singer and dancer, will visit Charlottetown this week to do a number of benefit performances. It was learned yesterday from Roland Taylor.

The Charlottetown Kinsmen Club are responsible for the appearance of the two entertainers who will entertain only the shut-ins and the children at the two orphanages.

In conjunction with the Kinsmen Club, Miss Daly and Mr. Auburn are giving of their time and talents to bring a part of the Charlottetown Centennial celebrations to the shut-ins and to those unable to take an active part in the year's events.

Tom and Miss Daly will appear in the pre-camp meeting at the Sanatorium for the Sanatorium patients, in the Veteran's Wing of the P.E.I. Hospital for the veterans at the Y Camp at Holland Cove for the boys who are sent to camp by the Kinsmen and at the two orphanages.

They are here on Thursday from Saint Andrews, New Brunswick where they are currently entertaining.

Little buildup is needed for either Miss Daly or Mr. Auburn. Both have performed in the Province for the Kinsmen before and few performers were better received and better liked than these two from Montreal.

As a magician Tom Auburn has no peer in Canada. He has been written about extensively and has appeared before numerous clubs and groups in Dominion wide performances. His slight of hand tricks have amazed thousands and he has practically every other easily handled object.

Each time he has come here Tom has made many friends with the small kiddies. He shows them Always he caught his number of youngsters with his question "Do you know one card from the other?" Getting a yes answer he would shoot back with the question "Okay, what's the other?" The kiddies loved it.

Since his last trip here Tom has developed an intense interest in Ancient Egypt. He has procured many objects from the tombs of Egyptian pharaohs and his studies of the early Egyptian customs have been the object of several articles in the Montreal press.

It is only natural that Miss Daly would like to return to the Island because she has a number of relatives here. One of Canada's most popular vocalists, she can sing in many different languages and has appeared on TV in Canada and the United States. In addition to being a singer she is also a tap and acrobatic dancer.

In Montreal she is always appearing at weddings, receptions etc., and leading orchestras in Montreal are always after her services. She is continually doing charitable work for Rotary, Kinsmen, Kiwanis Clubs etc., as well as visiting prisons and adding a few smiles to those less fortunate.

Tom and Miss Daly will appear in the pre-camp meeting at the Sanatorium for the Sanatorium patients, in the Veteran's Wing of the P.E.I. Hospital for the veterans at the Y Camp at Holland Cove for the boys who are sent to camp by the Kinsmen and at the two orphanages.

Boys Rewarded By Police Chief

A monetary reward from the police department and words of high praise from the Chief of Police was the lot of three boys yesterday who recovered stolen goods and reported the theft.

While swimming at Pickard's wharf on Thursday three local boys, Anthony MacDonald, Lambert Wayne and Gerald Noonan, noticed their boat removing a chest of tools from the naval harbor craft after which they took the chest to the edge of the water removing some and throwing the balance along with the chest into the water.

Young MacDonald, who is the son of Mrs. Genevieve MacDonald, 72 King Street, dived into 12 feet of water from which he recovered the chest and with the help of his companions recovered the remainder of the tools. Wayne is the son of Mr. and Mrs. Lambert Wayne and Noonan is the son of Mr. and Mrs. D. E. Noonan, 84 Sydney Street.

The boys took the tools to the Navy and reported the theft. Yes they were awarded a monetary reward in connection with the theft appeared in Police Court and was remanded for one week. The tools were valued at \$175.

New Grenville Hospital Opens

ST. JOHN'S, Nfld., (CP)—The Grenville Association Hospital at North West River, Labrador, will be officially opened Sunday.

North West River is near Goose Bay in the southern part of Labrador. The new hospital was financed by the International Grenville Association, public subscriptions and a gift of \$8,000 from American and Canadian airmen at Goose Bay.

S. J. Hefferton, Newfoundland's health minister and Welfare Minister F. W. Rowe will officiate at the opening ceremonies.

Upon Dr. Dewar's return to the Island he was again called to see Mrs. Yeo who lived about 25 miles from his office. He advised her to consult a psychiatrist in Charlottetown to which she would at first not agree but with some persuasion from her husband she consented to be taken to the Prince Edward Island Hospital where it was arranged for her to be under the care of Dr. A. A. MacVicar, a psychiatrist. Dr. Dewar said that Mrs. Yeo, who was 49 years old, was a kind gentle person who would not think of doing any harm to herself or to anyone else. Her home life was quiet, happy and from conversations with her she had never given the slightest indication that suicide was on her mind.

DR. MACVICAR
Dr. MacVicar said that the reason he asked Dr. Dewar whether the patient was suicidal, was because he would either have her confined to another institution or take the precaution of assigning special nurses.

After his initial interview with her, he was of the opinion that Mrs. Yeo was mildly upset emotionally and that medication would bring about a change in her condition within a few days. He explained that he had in mind using shock treatment if the medication given proved to be unsuccessful. He told of using "serpassil" for the first day and when she did

tion.
HISTORY
Prefacing his questions with a short history of the Hillsboro Bridge, Mr. Matheson recalled that it had originally spanned the Miramichi River in New Brunswick and was dismantled early in taken to Charlottetown in the present century. He emphasized that the Province had for many years paid an annual sum to the Federal Government to pay for construction costs and maintenance. While the Board of Transport Commissioners ruled the bridge unsafe in 1951, Mr. Matheson continued, the Province felt that it had a vested interest in the structure by virtue of the annual payments it had made.

Final closing of the bridge to vehicular traffic was carried on the eighth of the present month and serious dislocation was threatened. Happily, he added, the Province was able to have the bridge reopened the same day that it had been closed. Speaking of the P.E.I. outlook for the future, the Hillsboro crossing, the Queen's member said: "Our suggestion was that the bridge be replaced by a causeway. When the causeway is completed, the railway should pull back its lines and abandon the 19.9 miles of line from Mount Stewart to Lake Verde. In order to save freight from Southport on my side of the river through Charlottetown by way of an existing line around the head of the river, would mean a distance of 40 miles.

"The Minister is acting in a dual capacity here so far as our Province is concerned. He is interested in this problem as the minister of the Crown charged with the responsibility of administering the Trans-Canada Highway. He is also the man who speaks for our Province at cabinet level."

some of the larger cities in the Maritimes have a very fine fire prevention division connected with their fire departments. What is there that we can do to help the smaller cities and Towns to improve the situation for them? I wish to thank our secretary, treasurer Dep. Chief Brundage for the splendid work and co-operation I received from him at all times. I can assure you, gentlemen, that the office of secretary treasurer is in complete hands. I also wish to thank Chief MacGillivray for the fine office for our executive meeting, also for his valuable assistance and hospitality extended to me and all the other members present at the February meeting. I hope you will find our programme interesting, helpful, and profitable.

SALES TAX
The federal government collects about \$12,000,000 a week through sales tax on goods manufactured in Canada.

Hospital Absolved Of All Blame For Tragedy

The Prince Edward Island hospital was absolved of all blame in connection with the death of Mrs. Percy Yeo of Hamilton, Prince County, by a coroner's jury which met yesterday afternoon to inquire into the death of the woman whose body was found in the bathroom of her private room at the hospital on the morning of July 14. Death was found to be due to suffocation caused by strangulation.

The late Mrs. Yeo was admitted to the Prince Edward Island Hospital on the evening of July 10 by Dr. L. G. Dewar of O'Leary who described her as a person with a melancholy condition. Dr. Dewar stated that the woman could not be classified as insane and he did not believe her condition would warrant her being committed to a mental institution.

Dr. Dewar turned the patient over to the care of Dr. A. A. MacVicar, whose first inquiry was "Does she have suicidal tendencies?" to which Dr. Dewar replied "No." The O'Leary doctor reviewed the case history of Mrs. Yeo, stating that she had first come to him on June 7, complaining of nausea and lack of appetite.

His first treatment of the patient was for the symptoms complained of but on subsequent visits he became aware that her condition was not so much physical as emotional. While Dr. Dewar was absent from the Province during the month of June Mrs. Yeo's condition worsened and she was admitted to the Prince County Hospital for a time by Dr. Reid of Wellington, who upon discharge described her condition as "neurotic."

Upon Dr. Dewar's return to the Island he was again called to see Mrs. Yeo who lived about 25 miles from his office. He advised her to consult a psychiatrist in Charlottetown to which she would at first not agree but with some persuasion from her husband she consented to be taken to the Prince Edward Island Hospital where it was arranged for her to be under the care of Dr. A. A. MacVicar, a psychiatrist. Dr. Dewar said that Mrs. Yeo, who was 49 years old, was a kind gentle person who would not think of doing any harm to herself or to anyone else. Her home life was quiet, happy and from conversations with her she had never given the slightest indication that suicide was on her mind.

Trinity Group Garden Meeting

Delightful weather, beautiful surroundings and good fellowship combined to make an ideal setting for the July meeting of the W.M.S. of Trinity United Church. The group convened at Mrs. Avard's garden and the meeting very fittingly opened with the hymn "The Summer Days Are Come Again". Worship was conducted by the president, Mrs. A. B. Bagnall, the theme being, "To live and to give." The scripture was followed by 40 minutes of meditation. Prayer was offered by Mrs. A. B. MacLean and the service concluded with the hymn "For The Beauty of The Earth".

Mr. S. S. Carson, Mrs. W. P. MacLeod, Mrs. C. H. Hodgson, Mrs. Vernon Mann and Mrs. G. D. Steel then presented a program explaining the financial policy of the W.M.S. This was very instructive and the members learned a great deal about the administration of the Society.

Reports were received at a meeting closed with Mizpah Benediction.

It was served on the lawn after which the members enjoyed about the garden enjoying the profusion of the flowers.

UNLUCKY FOR SOME

KRIBY, Notts, England (CP)—The driver of a black limousine swerved to avoid a black cat and crashed into a telegraph pole. The automobile was wrecked but the driver escaped with a few scratches.

Most Reverend Malcolm A. MacEachern, Bishop of Charlottetown will celebrate Pontifical High Mass this morning at ten o'clock standard time in St. Augustine's Church, South Rustico. The sermon will be preached by the Archbishop of Moncton, Most Reverend Norbert Robichaud.

The official opening of the celebrations will take place at two o'clock with an address of welcome by Rev. Clarence Pitre, parish priest at South Rustico and an address by Mr. J. Edmund Arsenault, president of the Island Acadian Society.

An address will be read to Bishop MacEachern by Mr. Edward Blanchard. Speakers will include Premier A. W. Matheson, Mr. C. F. Savoie, president of the Acadian Bicentennial Committee, and general president of the Assumption Society, Mr. Adlard Savoie, of Moncton, General Organizer of the Acadian Bicentennial; Mayor Henry Wedge of Summerside; and Mr. Martin Legere, manager of the Federation of Acadian Credit Unions of New Brunswick from Carleton Place.

Mr. Hubert Guerin, French Ambassador to Canada, will attend Mass in the morning and speak during the official opening. In the evening at 5:30 there will be Benediction of the Blessed Sacrament and at night there will

be a parade of floats at seven o'clock and a play at eight o'clock. Most Rev. Romeo Gagnon, Bishop of Edmundston, New Brunswick, will deliver the closing address.

During the day there will be amusements of all kinds. Music will be served and music will be provided by the Miscouche Band.

Try To Refloat Freighter (CP)—The foundation tug Josephine left Quebec today for another attempt to refloat the freighter Middlesex, which ran aground 20 miles east of her in a heavy fog Saturday.

The cargo was unloaded from the freighter Monday to give the tug a better chance to pull her off the bottom. Cargo also was being unloaded from the Norwegian freighter Ogan County today to prevent another attempt to free her. The vessel ran aground Saturday near Batskan, some 80 miles west here.

Both ships will be taken to Quebec for inspection when they are freed.

Two Planes Crash At Noon
BALTIMORE (AP)—Two military planes crashed in the air near Friendship international airport shortly after noon today. The pilot of one plane was reported killed. One of the craft, reported to be a C-45 twin-engine ship, crashed across the highway from a high point school near Greenhaven about 15 miles south of Baltimore in the Chesapeake bay area.

Changes Announced In RCMP Personnel Locally

Sergt. Major D. A. Dunlop will retire from the R.C.M.P. on July 28th on the completion of twenty-six years of service, it was announced yesterday by Inspector W. H. Nevin, commanding L. Division of the force. Before coming to P. E. I. in 1951, Sergt. Major Dunlop had served in various western provinces and he also spent several years of his service in the Yukon Territory. With his wife, Sergt. Major Dunlop intends taking up residence in British Columbia.

Replacing Sergt. Major Dunlop will be S/Sgt. D. R. George, who is now in charge of Charlottetown detachment. S/Sgt. George has twenty-three years of service and has served in Nova Scotia, Newfoundland, and Prince Edward Island. He is a veteran of the Second World War, having served with the R.C.M.P. Provost Company in the Mediterranean and North West Europe theatres.

Sgt. A. M. Johnston, a veteran of twenty years service in the R.C.M.P. will replace S/Sgt. George as N.C.O. in charge Charlottetown detachment. Prior to coming to P. E. I. in 1946, Sgt. Johnston had served in the western provinces. He is also a veteran of the Second World War.

Big Four In Moscow Papers
MOSCOW, (Reuters)—Moscow's main newspapers delayed publication about six hours Tuesday to print full texts of speeches by the "Big Four" at Geneva. Most were six pages instead of four.

The Soviet government newspaper Izvestia says in an editorial the first meeting of the four "convincingly demonstrates that a spirit of co-operation prevails," and declares Russia was "prepared to examine most attentively the proposals of the other parties."
