Work of Dodd's Kidney Pills Progressing Rapidly in the Territories.

BLAIRMORE, Alberta, N. W. T., 30 (Special).—Dodd's Kidney Pills are the most useful and widely used medicine in the North-West. They have produced more genuine results than any other remedy ever introduced here. They cure the common ailments which can nearly all be traced to the kidneys, from a pimple to Bright's Disease.

Walter H. A. Noble, of this place, is an example. His face was covered with pimples. He, of course, tried all sorts of remedies, but until he took Dodd's Kidney Pills for Backache the pimples remained. His blood was impure. The kidneys were not straining it.

On using Dodd's Kidney Pills for Backache, as every one does in this district, the Backache not only left him but the Pimples disappeared also, giving the same of both complaints was the same—Kidney Disease.

LETTER FROM MR. HORACE HASZARD.

SIR:—I ask space in your paper to correct some erroneous statements which appeared in Mr. Farquharson's letter of last evening.

Mr. Farquharson was in Ottawa in April last, and so had the conversation with Sir Louis during that month. He then claims to have written a letter at Point du Chene on his way returning home, also in April, withdrawing the statements he made at Ottawa. He further states that he wired Sir Louis a few days later confirming his letter and at that time he had my word, that I would withdraw in his favor if he intended running. Unfortunately for Mr. Farquharson I am prepared to prove beyond a shadow of doubt that he is all at sea in his statements and dates. It happened to be in Ottawa on the 17th day of May and it was on that date that Sir Louis urged me to allow my name to be submitted to the people of West Queens. I returned home on the 20th of May, found matters somewhat different from what I expected. Having heard a rumor, that Mr. Farquharson might yet be a candidate, I called upon him to enquire whether or not he intended being in the field, at the same time, I told him that if he decided to offer, I would stand aside but that it was necessary that he should let me know at once, as another gentleman was already canvassing the district in his own interest. Mr. Farquharson then and there gave me to understand that he would not be a candidate. I did not then however decide positively to go into the field, although urged to do so by a large number of Liberals of West Queens. I wrote to several friends and consulted many others, after which not hearing from Mr. Farquharson as to his intentions up to the 22nd, of June, I wrote him on that date to which he replied on the 24th, of June—both letters are herewith submitted. In the first part of his letter Mr. Farquharson claims to have withdrawn his statement made to Sir Louis that he would not be in the field two days after leaving Ottawa in April, whilst in the latter part of it he states that he decided to be a candidate on 24th June.

Further explanation on this point seems necessary. Whilst it is true that I did not invite myself into the field by a requisition drawn up at my request and afterwards signed by just twenty electors, I am proud to be able to assure Mr. Farquharson that I believe I had more of the electors of West Queens wait upon me to ask me to be a candidate than he can boast of.

Yours etc.
HORACE HASZARD.

Stanstead Junction, P. Q. 12th Aug., 1900. Messrs. C. C. RICHARDS & CO.

GENTLEMEN,—I fell from a bridge leading from a platform to a loaded car while assisting my men in unloading a load of grain. The bridge went down as well as the load on my back, and I struck on the ends of the sleepers, causing a serious injury to my leg. Only for its being very fleshy, would have broken it. In an hour I could not walk a step. Commenced using MINARD'S LINIMENT, and the third day went to Montreal on business, and got about well by the use of a cane. In ten days was nearly well. I can sincerely recommend it as the best Liniment I know of in use.

Yours truly,
C. H. GORDON.
