Rotarians Privileged To Hear Lt. Col. Baker On Work For The Blind

Of the 18,000 blind persons registered in Canada, 1,800 are engaged in fulltime occupations and some 2,500 others are doing something in their homes at various handicrafts, stated Lieut. Col. E. A. Baker, O.B.E., M.C., managing director of the Canadian National Institute for the Blind, who was heard in an inspiring address at the Charlottetown Rotary Club yesterday.

Blind since 1915 as the result of his service in the First World War, Colonel Baker has been indefatigable in his labour on behalf of others similarly handicapped, and the ovation tendered him at Rotary yesterday was indicative of the high regard in which he is held throughout the Dominion. Accompanied here by Messrs. A. V. Weir, general manager of the C.N.I.B., H. C. Murphy, O.B.E., chairman of the Maritime Board, and F.H. Flinn, superintendent of Maritime branch of the same organization, the party visited The Guardian office yesterday morning, accompanied by Mr. Gordon Foster who is chairman of the advisory board of the C. N. I. B. in this Province.

Colonel Baker spoke appreciatively of the work of Mr. George E. Wood, Provincial field secretary for the Institute, and also of the activities of the organization throughout the Maritimes generally. He said he had visited this Province on other occasions, and also had learned much about it from a former well-known Islander, Prof. "Sandy" Macphail of Queen's University. "Many of my friends have been from here, and I meet them across Canada," he said. Breaking down Canada's blind population into groups, he explained that about 150 are under six years of age, and are fairly well (Continued on page 13, Col. 5)

Large Attendance At Music Recital

A large and very responsive audience enjoyed the exceptionally fine recital given by Miss E. Lillian MacKenzie's senior pupils last night in Kirk Hall. The program was varied and interesting, including vocal solos, piano solos and duets, and unison and two-part songs by the Kirk Girls Choir. The pianists did excellent work, playing accurately and sensitively, and displaying in many cases, talent of high order, and unusually fine technical and interpretive ability. The vocalists were exceptionally good, both in tone quality and diction, and charmed the audience with their pleasing stage manner. The Junior recital Friday night was excellent also. The boys and girls played and sang delightfully, capturing the hearts of the audience, and giving promise of developing into fine artists.

Former Ch'town Man Prominent In Filming "Mrs. Mike"

Mr. H. Bruce Carruthers, (above) a former resident of this City, has been making a name for himself in Hollywood, where he has been the technical advisor on several outstanding pictures. The most recent of these is "Mrs. Mike" now showing at the Prince Edward Theatre, on which he has been the authority on every detail that concerns the Mounties, as well as playing a part in the picture. Mr. Carruthers is a son of the late Dr. George Carruthers, of Charlottetown, and a brother of Mrs. W. J. Reid, Middleton, P. E. I., and Mrs. Bonnell, wife of Rev. Dr. J. S. Bonnell, of the Fifth Avenue Presbyterian Church, New York. His stepmother, Mrs. Carruthers, resides in Charlottetown. At an early age, Bruce was attracted by the lure of the Mounties and he left to seek adventure in the West, where he became a member of the R. C. M. P. For over seven years he travelled the trails of the Yukon Territory, being based at Dawson City. Leaving the Mounties he moved to the United States and thence to Hollywood where his service as technical advisor was sought on several outstanding pictures concerning the R. C. M. P. In letters to several friends in Charlottetown, Mr. Carruthers recommended that they see "Mrs. Mike" at the first opportunity. The picture is a great Canadian story of a Mountie and his new wife in the Northern wilderness. In several of the final scenes of the film, Mr. Carruthers appears with the stars, Dick Powell and Evelyn Keyes, taking the part of a Mountie.

Latter Day Saints Leader Here

President S. Dilworth Young of Cambridge, Mass., one of the presiding authorities of the Church of Jesus Christ of Latter-day Saints ("Mormons"), will address a public meeting at the Charlottetown tomorrow, June 21. The meeting will be held in the writing room on the main floor at 8 p. m. and the public are invited. No collection will be taken. The visit of Mr. Young to this city is part of his 30-day speaking tour of the Maritimes and the New England States. Mr. Young is an officer in the presiding councils heading the entire church, an appointment he received in 1945. Other leadership offices he has held includes serving 23 years in executive posts of the Boy Scout movement, and his present assignment as a Mission President. He was a U. S. soldier in World War I. In 1947 Mr. Young was called to preside over the part of the Church located in the Maritime provinces as well as the New England States, where there are approximately 75 organized branches and auxiliary units of the Latter-Day Saint Church. Of the 5,000 L. D. S. missionaries, which are spread throughout most nations of the world, are 126 in this area, of which about 20 are in the Maritimes. Over the same area Mr. Young now presides as Mission President, his wife, Gladys Young, heads many branches of the Relief Society, a women's organization which operates for the welfare of the people. She will accompany her husband here. A plain and simply spoken man and having an affinity for the people of Canada, President Young appreciates the friendliness of those residing in the Maritimes. He was born in Salt Lake City, Utah, where the headquarters of the Church has been located since 1847. The local representatives located here are Elders G. J. Forsyth and D. H. Johnson.

There are at least 162 blind persons in the Province, it was disclosed by Field Secretary Mr. G. E. Wood last night at a meeting of the P. E. I. Advisory Board of the Canadian Institute of the Blind. Mr. Wood was reporting that two of the Province's blind persons had recently passed away. Col. A. E. Baker, O.B.E., M.C., of Toronto, managing director of the Canadian Institute of the Blind, Mr. A. V. Weir, general manager, and Mr. F. H. Flinn, Maritime superintendent, were guest speakers. Presided over by Mr. G. Foster, president, the meeting was well attended. Out of town board members present were Mr. John Myrick, Tignish, Mr. J. F. Arnett, Summerside, and Judge J. S. DesRoches of Montague. Col. Baker spoke of the importance of the work and the need of educating the public about the big job undertaken by the C.N.I.B. He told of the combination of both sighted and blind members of the staff by the Institute in better serving Canada's 18,000 blind. Mr. Weir pointed out that there were more than 135 advisory boards in Canada composed of some 3,000 voluntary members who are largely responsible for the success of the Institute. Col. Baker and Mr. Weir in reply to questions about employment for the blind stated that 1800 blind persons were employed and that the Institute is investigating possibilities where productive work can be done by blind persons in their homes.
