NOTICE

Due to the steel strike in the United States this past summer, the price on ranges and heating equipment took an increase on Oct. 1st. of from 10 to 12%. However during this sale we have discounted these items from the old price. After this sale we will be forced to add the price increase to this merchandise. So why not take advantage of these savings which will positively end this Sat. noon, only 2 1/2 days left?
