Louis was the second oldest son of Mr. and Mrs. Robert Nicholson of Belle River. His marriage to Mary was known to a wide circle of friends. Young and old always received a warm and friendly welcome from them, as he was always ready to lend a helping hand.

His parents, their families and his many friends were left to cherish his memory. Mary Christine Nicholson was predeceased by her husband Robert on October 6, 1962.

The funeral service was held from his late residence on Sunday afternoon, January 27, at 2 p.m. by Pastor Rev. Donald Nicholson. The hymns sung were: "The Lord Is My Shepherd" and "Over With the Lord."

Here are the reasons why Motor Trend Magazine chose the 1963 Rambler as the "Car of the Year"

1 Handling and Driving...pleasingly light and responsive under all cornering conditions...a good boulevard and highway ride. There isn't any pitch or choppiness noticeable even on rough roads. 2 Value and Features...Quality has always been one of American Motors' largest selling points and continues to be on the new models. In addition to the long-recognized owner appreciation features inherent in all Ramblers, the factory has doubled the new-car warranty to 24 months or 24,000 miles. In summing up, all we can add is that it looks like the new Rambler will be an even better buy than it has been in previous years. That's what the experts say. They are echoing what Rambler owners have been proudly claiming for years. To prove to yourself Rambler's exceptional value see your Rambler dealer soon. Take a test drive in the "Car of the Year" - the 1963 Rambler. Ask your Rambler dealer for your free reprint of the 26-page Motor Trend article.
