

Island Jet Pilot Buys Saving Bonds

Murray Harbour North

Rev. Carl Currie has returned from attending the Eighty-First Meeting of the Synod of the Maritime Provinces of the Presbyterian Church in Canada. The Synod met this year in Glace Bay, N. S.

Miss Blanche Millar left on October 8, for Boston, Mass., where she will remain for the winter months. She was accompanied to Charlottetown by her sister, Miss May Millar and Mr. and Mrs. John Clow.

Mrs. Louis Ferguson, Piclou, N. S., spent the holiday week-end with her parents, Mr. and Mrs. Newton Hicken.

Mr. and Mrs. Hazen McLure had as their guests on October 8, Mr. Chester McLure, Carl and Margaret, Montague and Miss Belle McLure, Taunton, Mass. They also attended the Dedication Service.

Miss Florence Dollar and Miss Muriel Collins, Charlottetown, were guests of Mr. and Mrs. George Clow on October 5.

Miss Catherine Millar, teacher at Ugg, spent the holiday week-end with her parents, Mr. and Mrs. Edward Millar.

Mr. and Mrs. Wendell Graham, Gaspareaux, were visitors to Charlottetown on October 8.

Mrs. Herbert Llewellyn was hostess to the members of the Women's Institute at her home on October 5, with 19 members and one visitor present. After the business period a dainty luncheon was served by the hostess, assisted by Mrs. Maryvyn Johnston, Mrs. Newton Hicken and Mrs. Weir McLure.

Mr. and Mrs. Laurie McLure and Elaine, Charlottetown, spent the week-end at their home here.

Miss Verna Johnston, student at Horton Academy, Wilfville, N. S., spent the holiday week-end at the home of her parents, Mr. and Mrs. Verne Johnston.

A dance and sale of lunches, sponsored by the School Trustees and Women's Institute was held in the local hall on October 8. Music was supplied by Miss Florence McKinnon and Mr. Roy McDonald. Proceeds in aid of the school.

Mrs. Sarah Stewart, Murray Harbour is spending some time with her brother and sister-in-law, Mr. and Mrs. Sydney Llewellyn.

Mr. Louis Kerwin, student at Piclou Academy was the holiday week-end guest, of his parents, Mr. and Mrs. Clyde Kerwin, Cambridge.

Mr. and Mrs. Verne Johnston were visitors to Charlottetown on October 4th.

Miss Lorraine Jamieson has resumed her duties as teacher at Murray Harbour North School, after being confined to her home for several days due to illness.

Mrs. William Kennedy is spending some time in Montague as the guest of her son-in-law and daughter Mr. and Mrs. Lorne Johnstone.

Miss Betty Ann Millar, nurse-in-training at the P. E. Island Hospital, was the week-end guest of her parents, Mr. and Mrs. Harry Millar.

Mrs. Newton Hicken is confined to her home due to illness. A host of friends wish her an early return to good health.

Mr. and Mrs. Hazel McLure, Betty and Ian were visitors to Charlottetown on October 7.

Misses Gail and Myrna Clow, daughters of Mr. and Mrs. George Clow spent the week-end in Lower Montague, the guests of their uncle and aunt, Mr. and Mrs. Lloyd Collins.

Mr. Carter VanIderstone, New Glasgow, spent the holiday week-end at the home of his parents, Mr. and Mrs. Edgar VanIderstone, Peters Road.

Mrs. Everett Condon entertained several young friends of her daughter, Gloria on October 1st, the occasion being Gloria's tenth birthday. Games were enjoyed by the children after which Mrs. Condon served a delicious supper including birthday cake and ice cream.

Miss Joyce MacLeod, Montague, spent the past week-end with her parents, Mr. and Mrs. Albert MacLeod.

Pretty Leading Airwoman Bette Anne Leopold of Vancouver signs up four members of the R.C.A.F.'s 428 All-Weather Fighter Jet Squadron, the re-activated "Ghost Squadron" at Uplands Airport in Ottawa. "Ghost" pilots are FO Harry Meinert of Saint John, N.P., FO John Hartley of Ottawa, Flt. Lt. Lloyd Chambers of Charlottetown, and FO Ron Nelson of Trail, B.C.

IN MEMORIAM

MRS. JOHN FORD

The death of Mrs. John Ford, which occurred at her home in Northam on Monday morning, September 27th, after a lengthy illness was learned with deep sorrow by her many friends and relatives. She was a great sufferer, but her patience and fortitude were marvellous, and her never failing smile was a source of inspiration of all who visited her and especially to the ones who ministered to her needs during that trying time.

Possessed of many fine qualities she was a universal favorite and her kindness and hospitality to young and old will long be remembered by those who were privileged to know her. The late Mrs. Ford was the former Edith MacDonald and was born at Tyne Valley sixty-four years ago, the only daughter of the late Mr. and Mrs. John F. MacDonald.

Left to cherish her memory are her sorrowing husband, four daughters and one son. They are Mae, (Mrs. Willard MacAusland) Ellerslie, Ida, (Mrs. Edward Adams) Arlington, Rita, (Mrs. Edmund Bindon) Montreal, Jennie, (Mrs. Russell Adams) Bayside, and Kenneth of Summerside; also several grandchildren, one of whom, Arnold Ford lived in her home, and was lovingly cared for by his grandmother until he reached the age of manhood, his mother having died when he was very young. She is also survived by one brother, Peter, Tyne Valley, four others having predeceased her, and several nieces and nephews, by whom she was dearly beloved. The funeral, which was largely attended was held, following a short service at the home in the Lot 14 United Church on Thursday afternoon, September 30th, and was conducted by the Pastor, Rev. A. J. MacDonald. The hymns sung were: "The Sands of Time Are Sinking," and "I Heard The Voice of Jesus Say," while Mr. Roy Phillips very feelingly rendered

"Does Jesus Care." Burial was in the church cemetery. The Pallbearers were: Messrs. Prowse Gorill, Thomas Cotton, William Ramsay, Leigh Maynard, Albert Woodside and Ernest Morrison. The many lovely floral tributes and messages of sympathy were silent testimonies to the memory of one who was highly respected by all who knew her.

There's a heavenly gate at the end of the road
Beyond it your loved one finds rest
And what a comfort in the thought
That a loving God knows best.

Card Of Thanks
The family of the late Mrs. John Ford wish to thank their friends and relatives for their many acts of kindness and messages of sym-

pathy extended to them during their recent sad bereavement; also to the ones who sent floral tributes.

French Army Man Gives Evidence

PARIS (AP) — Capt. Jean Auguste Cazalet, charged with endangering the security of the state in France's defence leaks case, admitted today he had been imprudent in handling important documents.

The army officer insisted, however, he did not give any secret documents to Roger Labrusse, one of the civil servants who have admitted passing defence secrets to the Communist party through a Communist newspaper man, Andre Baranes.

"I can't have done that," he told investigators, "because I never

had the opportunity to learn any defence secrets."

A Paris military security authority, Cazalet admitted he knows Labrusse. He maintained that was the only reason for his arrest.

Cazalet, according to two important Paris newspapers, once ordered his secretaries to type copies of secret documents, and part of these copies were found later in the possession of Labrusse.

Cazalet said today he had copies made of "certain documents," but insisted they were intended for his office files. He said the documents were not classified as secret.

US'FUL PROJECT

OSLO, Norway (CP) — Some 5,000 Oslo school children have been busy harvesting the large vegetable crops produced in the numerous school gardens as a school work project.

Urges Long-Term Plans For An Age of Scarcity

OTTAWA, (CP)—Dr. E. W. R. Steacie, president of the national research council, urges serious consideration of a long-range program of technological development to prepare Canada for "an age of scarcity."

He made the proposal in the 37th annual report of council released Wednesday in advance of its tabling in Parliament. The report reviews the work of the council in the year ended March 31, 1954.

"Canada has good reason to rejoice in the wealth of its resources and its present substantial growth in capital investment both for primary and secondary industries," he said.

"Yet, since the world trend is toward an age of scarcity that can only be averted by major technological developments, this country may be well advised to do some serious stock-taking for the longer range in the midst of our apparent plenty."

Dr. Steacie said the research picture in Canada during the 1953-54 fiscal year was encouraging and that there is every reason to be optimistic about its future.

"Industrial research is being taken up by more commercial companies," he said. "Production is being expanded. Employment opportunities for scientists gradually are getting better."

Suggests Heating Hudson Bay

REGINA, (CP)—A British author suggested Tuesday that Hudson Bay be heated by atomic piles to raise its temperature and change the climate of surrounding provinces.

Ernest Watkins, currently on a tour of western Canada, said atomic piles in Hudson Bay, if the body of water was enclosed, could raise the water temperatures by perhaps 19 degrees over a period of years. This would bring a great deal of land south of the bay under cultivation and provide a source of power.

Announce New Way To Shrink Painful Piles

Finds Healing Substance That Does Both—Relieves Pain—Shrinks Hemorrhoids

Toronto, Ont. (Special)—among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

Now this new healing substance is offered in ointment form for hemorrhoids under the name Preparation H. The price is only \$1.19 a tube including an applicator. The name to ask for is Preparation H—at all drug stores. And remember — if not entirely satisfied — your money will be refunded promptly.

In fact, results were so thorough that sufferers were able to make such astonishing statements as "Piles have ceased to be a problem!" And
