new power! 161 hp. V-8

Canada's newest V-8... by the builder of more V-8's than all other makers combined

new ride!

Revolutionary, Ball-joint Front Suspension adds to your safety, increases your comfort

Mercury takes curves and corners with new road-hugging stability and ease! Trained with Mercury's new front springs and shock absorbers, all-new Ball-joint Front Suspension gives you a wonderful new sense of sure-footed stability—makes fast-moving travel on winding highways much safer. Your Mercury will "corner" with ease and grace—take you over any road with far more smoothness, far better handling ease, and with almost unbelievable quietness! You'll ride so quietly you can converse with rear-seat passengers and never have to raise your voice!

Here's smoother, quieter, more efficient power that means extra safety, easier hill-climbing and greater economy

New '54 Mercury brings you a completely new V-8 engine to fulfill the promise of eager, flashing performance you see in Mercury's long, low, "let's go" look! Here is the thrust of 161 horsepower, giving you extra measures of controlled power for safer, smoother performance in every driving situation—more flexible power-response for easier hill-climbing—more "go" for snow and mud. It's a triumph of advanced design.

Mercury offers more models this year... an expanded Monterey line of four magnificently luxurious models, each with Mercury's great power features, radio and many other "extras"... beautiful Custom models

Powered to make all your driving easier

Power Steering\* Power Brakes\* 4-way Power Seat\* Merc-O-Matic Drive\* (Track-O-Matic Steering) \* Featured on Monterey models; optional at extra cost on Custom models.
