Intramural Finals

After a long hard year of playing intramurals, the countless late evenings, the games that you played short-staffed, the muscle pulls and bruises, its finally time to get some awaited recognition.

Two fun filled evenings are planned for all those who took part in intramurals in any of its shapes or forms this year; from hockey and basketball to any of the many tournaments that were held like golf or wallyball.

The first evening will be held Monday April 3 at the Tradewinds Nightclub in Charlottetown. Beginning at 9:00, why not come down and check out the NCAA basketball's championship finale? Some free food and drinks will be offered. Catch the last game of March Madness, at one of the last pre-exam events. All basketball team bonds will be returned at this time.

Wondering who the best players in hockey or basketball were this past intramural season? Well, on Friday April 7th from 4:00 to 5:30 you'll get your chance to find out. Ronnie Annear will be handing out the hardware to those players chosen by their peers as being the league's elite. Free pizza and beverages will be awarded as well (it's sponsored by Labatt's, get the hint) during the evening. All participants can pick up their invites at the front desk of the Sports Centre. See you there.
