SATURDAY'S BASEBALL

Tribe Smothers Yankees; Chisox Blank Boston 8-0

By THE CANADIAN PRESS

Cleveland overcame a six-run lead with the help of homers by Rocky Calavito and Vic Wertz to defeat New York Yankees 15-8 Saturday.

Four Yankee errors and numerous mental lapses helped the Indians who trailed 6-0 and 7-2 at various stages, then scored five in the sixth when they chased starter Don Larsen, four more in the seventh when they hung the defeat on Tom Morgan, and another four in the eighth off Tommy Byrne. Bud Daley, who faced only two men in the sixth, was the winning pitcher.

Chicago White Sox beat Boston 8-0 as 34-year-old Jim Wilson hurled a seven-hitter for his eighth win.

Baltimore swept a day - night doubleheader from Kansas City, Ray Moore pitching a five-hitter for a 4-1 decision in the afternoon, and Bob Neiman's bases-loaded double in the seventh contributing to a 7-5 victory in the nightcap.

TWO IN THE TENTH

Detroit defeated Washington 5-3 with two runs in the 10th, Bill Tuttle driving in the first with a triple and then scoring himself on Wyane Belardi's single.

In the National League, Brooklyn defeated Cincinnati 8-5 with three runs in the 10th inning after the Redlegs had overcome a 5-0 deficit to tie the score in the eighth and ninth. Ted Kluszewski hit a bases-loaded homer for Cincinnati in the eighth off starter Sal Maglie who had pitched four-hit shutout ball until then.

St. Louis turned back Pittsburgh 8-3 with Wally Moon hitting two homers and Stan Musial one to support the solid pitching of Willmer Mizell and Jim Konstanty. Dale Long hit his 17th homer for the Pirates.

Lew Burdette shut out New York Giants with four hits for a 4-0 Milwaukee victory. Bobby Thomson drove in three runs with a pair of doubles and a single to help beat former Brave Johnny Antonelli.

Ted Kazanski and Stan Lopata each hit two-run singles during a five-run second inning to help Philadelphia beat Chicago Cubs 6-4. Ernie Banks hit his 14th homer in the first off winner Saul Rogovin.

English Lead Australia In Cricket Play After 3rd Day

NOTTINGHAM, England (Reuters)—England wound up the third day's play in a rain-blighted five-day cricket test match with Australia Saturday well placed for a win.

The Englishmen declared their first inning at 217 for eight at tea and then captured two Australian wickets for 19 runs before rain and bad light ended play an hour early.

With more than 10 hours already lost through rain and the prospect of the pitch becoming treacherous as it dried, England's policy was to go for runs. It lost wickets in the process, six crashing in the space of 34 runs to some fine seam bowling by Australians Keith Miller and Ron Archer. Miller took four to finish with figures of four for 69.

But the plan seemed justified after tea when English spinners Jim Laker and Tony Lock each claimed a wicket with only 12 runs scored.

Scorecard

England first innings

P. E. Richardson, c Langley, b Miller 81
M. C. Cowdrey, c Miller, b Davidson 25
T. W. Graveney, c Archer, b Johnson 8
P. B. H. May, c Langley, b Miller 73
W. Watson, lbw b Archer 0
T. E. Bailey, c Miller, b archer 14
T. G. Evans, c Langley, b Miller 0
J. C. Laker, not out 9
G. A. R. Lock, lbw b Miller 0
R. Appleyard, not out 1
Extras 6
Total for eight wickets declared 217

Lock	4	2	5	1

French Horses Complete Week Of Triumph

EPSOM, England (AP)—French horses completed a week of triumph at Epsom Downs Friday by sweeping the first three places in the Oaks, classic for three-year-old fillies.

Mrs. Suzy Volterra's 3-1 favorite Sicarelle galloped home three lengths in front of Marcel Boussac's Janiari to win $42,036. Prince Aly Khan's Yasmin was third, six lengths behind Janiari.

Pierre Wertheimer's Lavandin began the string of French victories Wednesday by winning the Epsom Derby. Then Baron Gilbert de Rothschild's Tropique carried off the Coronation Cup Thursday.

The French horses were strongly favored for the Oaks but few fans expected a clean sweep in this 178th renewal of a race first run in 1779.

Among the also rans in the Oaks was Mythical, probably the first Canadian-owned thoroughbred ever to run in the fillies' classic.

Mythical, owned by E. P. Taylor of Toronto, finished sixth. The filly is one of several horses Taylor is racing in Britain.

Hogan Choice To Win Open

NEW ROCHELLE, N.Y. (AP)—Ben Hogan, the little man all the big pros fear, is the overwhelming choice of the players in the round robin tournament as the next national open champion.

Of 16 players in the round robin, four unhesitatingly picked Hogan to win his fifth open title at Rochester, N.Y., next week. Three named Tommy Bolt and two each voted for Sam Snead, Cary Middlecoff and Gene Littler. PGA champion Doug Ford received the only other first place vote as two of the 16 declined to make 1-2-3 selections.

Broken Bone May Rule Out Patterson's Big Money Bout

NEW YORK (AP) — A broken bone in Floyd Patterson's right hand may rule out a big money match with Archie Moore in September for the world heavyweight championship.

X-rays Saturday gave positive confirmation to the bad news that took the edge off Friday night's 12-round split decision over Tommy (Hurricane) Jackson.

"There is a definite fracture of the fourth metacarpal bone in the right hand," said Dr. Vincent Hardiello of the New York State athletic commission.

Dr. Alexander Schiff of the commission said in his opinion the right hand "might not be a punching hand for three months." In any event, a Yankee Stadium bout between Patterson and Moore, as planned by the International Boxing Club for sometime between Sept. 17 and Sept. 27, appeared to be in doubt.

Harry Markson, IBC managing director, said future plans would be made early in the week when IBC president Jim Norris meets with Charlie Johnston, Moore's manager.

Johnston arrived home Saturday by plane from London where Moore successfully defended his light-heavy crown against Yolande Pompey. The gamblers already have made Moore an 8-to-5 favorite over Patterson.

"Archie Moore is the world heavyweight champion right now," proclaimed Johnston. "We might fight James J. Parker in Montreal in July. We have a good offer and are very much interested.

"The people in London said he was the greatest fighter ever seen in England. He'd handle either one of those novices (Patterson or Jackson) with ease.

Snead Pessimistic About Chances In National Open

NEW YORK (AP)—Sam Snead, who has blown a half - dozen chances to win the national open golf championship, has a word to describe his prospect in the annual tournament next week:

"Stinking."

"If I could get my touch on the greens the way I've done the three times I've won the masters and some other tournaments, I'd figure my odds pretty good," the rhythm man from Virginia said. "But I'm stinking."

Sam checked into town Wednesday for defence of his round robin championship at Wykagyl in nearby Westchester county, starting Thursday.

British Defeat Americans To Captue Curtis Golf Cup

By STERLING SLAPPEY

SANDWICH, England (AP) — A determined band of British women, led by two steady-swinging matrons, came from behind Saturday to upset the United States' best amateur women golfers and win the Anglo-U.S. Curtis Cup competition for only the second time in nine tries.

With Mrs. Roy Smith and Mrs. George Valentine leading the way, the British girls won four of the six singles matches over the Prince's course to fashion a 5-4 victory. This duplicated their winning margin in their only previous triumph, at Murifield, Scotland, in 1952.

Saturday's warm sunshine was much better than the freezing conditions Friday when the United States won two of three Scotch foursomes. It was the dogged determination Saturday of the British girls on the afternoon round, rather than the weather, that proved decisive.

FINAL PAR FOUR

Mrs. Smith shot a careful par 4 on the final hole to defeat Polly Riley of Fort Worth Tex., five-time Curtis Cup veteran, 1 up in the key match.

A few minutes later Angela Ward, playing her home course, completed a 4-and-3 victory over Mary Ann Downey of Baltimore to make the score 5-4.

Mrs. Valentine's role in the surprise triumph also was a big one as she defeated Pat Lesser of Seattle, the current U.S. champion, 6 and 4. Two down at the luncheon intermission, Mrs. Valentine won four straight holes to go ahead and never let the Seattle girl catch up.

Elizabeth Price was the other British winner, downing Jane Nelson of Indianapolis, 7 and 6.

TWO U.S. WINNERS

Margaret (Wiffi) Smith of St. Clair, Mich., and Barbara Romack of Sacramento, Calif., were the only American winners over the par 35-37—72, 6,122-yard course.

Miss Smith, 2 up at the halfway point, breezed home with a 9-and-8 victory over Philomena Garvey of Scotland with a medal score of 34, one under par, for the first nine holes of the afternoon round.

Miss Romack, 1954 U.S. champion, defeated Janette Robertson, 6 and 4, and she, too, built her lead from 2 up at the lunch break to 7 up after 27 holes.

The United States has won the cup six times and the 1936 matches ended in a tie. The biennial competition began in 1932.

Young Swimming Star Dies Of Heart Attack

NEW HAVEN, Conn. (CP)—John Glover, 22-year-old all-American swimming star, died Wednesday of a heart attack in the Yale University pool while practising for the Olympic tryouts.

Glover, from Larchmont, N. Y., was last year's winner of the National Amateur Athletic Union's 100 - yard free - style competition while serving as captain of the Dartmouth university team. For the last three years he had been picked for the all-American team.

Drobny And Gibson Winners Of English Tennis Tourney

MANCHESTER, England (AP)—Jaroslav Drobny and Althea Gibson Saturday won the singles finals of the northern England tennis tournament and thereby placed themselves among the favorites in the forthcoming all - England matches at Wimbledon.

Drobny, former Wimbledon titleholder, took the men's singles cown by subduing Lew Hoad of Australia, generally regarded as tre world's No. 1 amateur. The exiled Czecr who now is a citizen of Egypt needed the first set to warm up but after that he was the better of the two. He won 2-6, 6-3, 7-5.

Miss Gibson, who may become Wimbledon's first negro champion defeated Louise Brough, a fellow American for the women's title.

It was the 15th title the 28-year-old New Yorker picked up in 16 tournaments since she embarked on a three-continent tour early last fall. In Europe this spring she has triumphed in nine out of nine.

Friday, Miss Bigson defeated Shirley Fry, No. 2 in the United States, and Saturday she conquered Miss Brough, four - time Wimbledon queen and defending champion.

Drobny teamed up with Don Candy of Australia to win the doubles from Hoad and Bob Howe of Australia 10-8, 6-2.

Mrs. Dorothy Head Knode of the United States and Ann Shilcock of Britain won the women's doubles, defeating Mrs. Thelma Long of Australia and Mrs. Betty Rosenquist Pratt of the U. S. 1-6, 7-5, 6-2.

Inco Metals at Work in Canada

To make sure that milk you drink is pure, many Canadian farmers and dairymen now use milk-handling and processing equipment made from stainless steel containing about 8% nickel. The Inco nickel used to make stainless steel in Canada is mined, milled, smelted and refined here, and stays in Canada to help provide jobs for Canadians.

This is how stainless steel made in Canada with INCO NICKEL helps bring you pure milk

and makes jobs for Canadians

From milking time to bottling time, milk produced by *the most* modern farms and dairies seldom touches anything but nickel-containing stainless steel.

This stainless steel has a hard, corrosion-resistant surface that is easy to clean. When used in farm and dairy equipment, it helps keep milk pure.

All the stainless steel produced in Canada for this equipment is made with Inco nickel. Here's how this Inco nickel helps provide jobs for Canadians:

1. Nickel-bearing ores are mined, milled and smelted by Inco near Sudbury, Ontario. Final refining is done at Inco's plant in Port Colborne, Ontario.
2. Inco nickel is used in Canada for the manufacture of stainless steel.
3. This stainless steel is used by Canadian manufacturers in the production of milking machines, coolers and other equipment for handling and processing milk.

These steps in the manufacture of this equipment—from the ore to the finished product—require thousands of workmen. In this way, Inco nickel stays in Canada to help provide jobs for Canadians.
