Canada Is Impressive In 14-1 Opening Day Victory

By ED SIMON
Canadian Press Staff Writer
OSLO (CP)—Canada made an easy and impressive entry into the 1953 world hockey championships Saturday, using Poland as a doormat in a 14-1 victory.
Led by centre Bob Adersley and right winger Tom O'Connor with three goals apiece, the Canadian Whitties team lived up to its pre-tournament rating as co-favorites for the title with a powerful display in all departments.
The near-flawless performance won real praise from the out-classed Polish players. Team official Tadeusz Wasilewski said in the Polish dressing room after the final whistle that Canada played an "elegant type of game."
COMBINE BRILLIANTLY
"They are very fast, have no weak positions and combine brilliantly," he added.
He rated the team "far superior" to the United States entry, which defeated Poland 12-4 in Friday's opening round.
The Canadians displayed their power and team work right from the opening faceoff. They piled in eight goals in the first period, one in a relaxed second period and five more in the third.
Goalie Roy Edwards had a simple task behind an air-tight defence and the back-checking forward combinations. He handled only 10 shots—four each in the first and third periods and two in the second. Most of them were taken at long range as the Polish players could not get a solid attack organized.

Canadians Defeat Norway 12-0 For Second Victory

By ED SIMON

OSLO, Norway (CP)—Canada's Whitties team crushed Norway 12-0 in the world hockey championships Sunday night and then left the ice to a storm of boing from the partisan crowd of 4,000 at Oslo's Jordal stadium.
The fans objected to the rough—but fair—play of the Canadians who threw the occasional bodycheck as the Norwegians attacked their goal.
It was the second scoring festival for the Canadians in as many days and swept them to

Round Table Wins Race

ARCADIA, Calif. (AP)—Round Table captured the \$135,000 Santa Anita Handicap Saturday and did it in almost mechanical fashion and record time.
Turning on a burst of speed and a drive at the head of the stretch, the Kentucky four-year-old rolled on to win the \$97,900 pot by 3/4 lengths over Terraz, with Porterhouse third.
Performing before a thrilled crowd of 33,000 over a fast track, Round Table, under jockey Willie Shoemaker, whirled around the track at the 1/4-mile distance in 1:59 4/5, breaking the record of two minutes flat set in 1950 in this same handicap by the great Irish horse, Noor.
The Duke, who rapped 40 home runs last season to lead the club in that department, said his left knee still bothers him.
The Dodger centerfielder underwent an operation in Santa Monica, Calif., Dec. 18, and a torn cartilage was repaired in two places.
"The knee feels good, but the muscles are sore in front of the thigh," said Snider after arriving from his home in Fallbrook, Calif.
"Only time will tell whether I can start the season." The Dodgers open at San Francisco against the Giants on April 15.

Championship Curling Is Now A Young Man's Game

By ERWIN FRICKE
VICTORIA (CP) — The day of the venerable stone and broom man is apparently past as far as championship curling in Canada is concerned.
The average of competitors has been dropping steadily since the Canadian curling championship was started in 1927 and this year the youngest aggregation of all has been drawn from the 10 provinces. The average age is 31.
Manitoba's entry, skipped by 18-year-old Terry Braunstein of Winnipeg, is by far the youngest with an average of 17 1/2 years.
The rink is the most youthful to compete in the Canadian championships.

Release New Series Data Sends Thanks To Curlers

Over the week-end the Hockey Committee of the Island Branch of the A. U. C. officially announced that the final series in their intermediate "B" hockey finals for the Physical Fitness trophy will be a best-of-seven series.
This series will be a closely contested one bringing together Hampshire and Winsloe. All games will be played at North River rink on dates to be arranged by clubs concerned and rink management.
The following letter was received from Cam W. McEwen, chairman of Northern Ontario, who just recently was a visitor to Charlottetown when the Dominion Schoolboy Curling Championships were held.
"Returned home Sunday night at 9:30 p.m. At the airport there were about 3,000 people, bands, and what have you; then a parade of cars about two miles long to the curling club, where the usual speeches and lunch was served. The boys really got a shock, upon landing, when they looked out at the huge crowd.
The real reason for writing this letter is to thank the curling committee and last but not least the good people of Charlottetown, for the wonderful display of good fellowship, and the manner in which draws were handled, and entertainment was tendered our team, and members of our Fort William representatives.
This past week was a highlight in my curling events and will not soon be forgotten."
