

Tendered Welcome Before Entering Benedictine Order

Word has just been received by Mr. and Mrs. D. J. MacIsaac, Rock Barra, of the arrival of their daughter, Isabel, in Louis-iana. U. S. A. Miss MacIsaac left the Island during the latter part of August to join the Benedictine Order of Novitiate at Covington, La. It is interesting to note that this young lady has had a very successful scholastic record in this province, having always led her class in every grade in school, winner of the Governor General's bronze medal besides two scholarships to the honors and last year Isabel won honors and prizes in her graduating class of Commerce at Prince George's School, Prince George, B.C. Her sisters, Miss Mary MacIsaac, of the staff of Canadian Bank of Commerce, Calgary, Alta., and Miss Flora MacIsaac, staff of Canadian Bank of Commerce, Toronto, Ont., and her brother, Mr. Don MacIsaac, employed with Canadian General Electric, Toronto, came to the Island to visit with Isabel before her departure, also her aunt, Mrs. Whiteley of Boston, Mass. Prior to her leaving her home she was tendered a "farewell" party by her girl-friends and former classmates, and presented with a well-filled purse accompanied by a most appropriate address. The Guardian joins with her many friends here in wishing Miss MacIsaac every success in her noble choice of duty in God's Vineyard and many happy years to labour in His service.

Following is a copy of the address mentioned above:— Dear Isabel,—

This is your party. We, your neighbors, friends and classmates have gathered here this evening in your school to show you that we hold you in very high esteem, to wish you bon voyage and the greatest success and utmost happiness in the new life that you are about to enter. Our feelings of pride in your achievements and ambitions are tempered with regret in that the scenes of your future life and labor will be so far removed from ours. Your scholastic success has always been a matter of pride and satisfaction to all of us. You have always applied yourself wholeheartedly to your studies and this coupled with your extraordinary aptitude in the things that pertain to the mind and the class leadership each year, beside the winning of two scholarships and other honors and prizes on several occasions. We are sure that you can look forward with confidence to a high attainment in learning in the religious life. Your friendliness and unassuming personality which made us love you will, we are sure, make friends for you wherever you go. Your conduct has always been exemplary. Your decision to enter the religious life is not surprising to us as your piety and love for spiritual things have always been apparent. We shall miss you but we admire the noble decision you have made. You will ever be in our thoughts and in our prayers and we know that you will never forget us. Please accept these gifts with our prayers and good wishes as a token of our esteem and friendship. Signed on behalf of all present.

COMMON INJURY The ankle is the most commonly sprained joint because of the rigidity of its lateral ligaments.

COOKS CANNERY

Will be canning Chicken and Fowl from SEPTEMBER 20th to 27th. All chicken and fowl to be plucked and drawn. All canned Fruit and Vegetables must be called for by SEPT. 28th, when we close for the season.

Maritimers Return From Korea

Among the 43 Korean war veterans of the Princess Pats who arrived back in Canada on Monday and Tuesday, aboard two special Canadian Pacific Airlines U.N. airlift flights were these four boys from the Maritimes. They have been repatriated to ride the special course in paratroop training at Rivers, Manitoba. Left to right they are: Lieut. R. D. Wittaker, Saint John, N.B.; Pte. I. F. Blaquiere, Charlottetown, P.E.I.; Pte. D. W. Burns, Saint John, N.B.; Pte. R. F. Clatterburg, Halifax.

LARGELY ATTENDED

Continued from page 1 town Hospital he had been seriously concerned about its finances in the past few years.

He expressed the hope that those attending the fair would be generous with their money as it would be used in a good cause. The Bishop also extended his personal thanks to the Recce Band for their fine concert and paid them a tribute when he said that undoubtedly the reason the crowd was so large on opening night was their playing.

Very Large Attendance

The largest Bazaar opening night crowd in its long history was on hand last evening to almost fill the Forum to capacity.

Mr. Austin Trainor was Master of Ceremonies for the opening and first introduced Dr. W. J. P. MacMillan, Chief of Staff at the Charlottetown Hospital. Dr. MacMillan said it was the 19th year he had spoken at a Bazaar opening and never before had he seen so many people present.

He told the gathering they were opening the Bazaar 'in a blaze of glory. I hope we will close it in a blaze of dollar bills'. Dr. MacMillan related an outline of the facilities of the hospital and said it had everything a first class hospital should have. However, he added that the high cost of living now felt by everyone has a serious effect on hospital management because of the great deal of free work done.

He paid tribute to the ones responsible for the arrangements and decorations and also thanked those who have given their time year after year to help. I see their faces here again tonight.

Something For All

The Bazaar has something to appeal to all lovers of a fair of this kind. There are the various wheels of chance with their boxes of chocolates and teddy bears; there are ring toss games and a rabbit race. Then too there are the booths displaying the beautiful handiwork for which the women of the parish have long been noted. There are splendid samples of cushion covers and quilts, blankets and tablecloths and men's sox. Attracting the eyes of all women present is the display of hand made baby clothes.

And important to everyone is the fact that there are two booths where top-notch home cooking may be bought and where a good cup of tea may be had. The Bazaar will continue for the rest of the week.

ROYAL TREAT

Moncton, N.B. —(CP)—A supply of Maritime oysters and lobsters will be placed aboard the royal train carrying Princess Elizabeth and the Duke of Edinburgh when it arrives in Moncton Oct. 31. The presentation will be made by Mayor Joseph LeBlanc on behalf of the citizens of Shediac.

IN MEMORIAM

In loving memory of our dear wife and mother, Mrs. Oswald Graham, who departed this life September 19th, 1949. Lovingly Remembered by Husband, Daughter and Granddaughter.

STOPS HEADACHE FAST ASPIRIN

May Make Island A Focal Point For Special Tours

A possibility that Carr Speirs Company, Stamford, Conn., nationwide organizers of special tours for business firms of the United States, may enter the Canadian field with their tours is seen as a result of conversations held during the annual meeting of the Canadian Tourist Association in Murray Bay, Que., last week.

Company representatives discussed the matter with Mr. George Fraser, director of the Travel Bureau here, and there is a strong possibility that they will make Prince Edward Island the focal point next year.

The company arranges all-expense tours for business firms which use them as an incentive to salesmen to increase business. Generally the large firms offer some reward to their top salesmen and lately the rewards have taken the form of holiday tours to such places as Mexico or Bermuda.

If plans for using this Province as their Canadian point go through as Mr. Fraser expects, the Carr Speirs Company will also issue a booklet in color setting forth the beauty of the Province and telling of its advantages. The booklet would receive wide distribution in the United States and would be prepared at the expense of the Stamford firm.

During the Canadian Tourist Association annual meeting Mr. R. G. Perry, Montreal, was elected president. He succeeds Brig. W. W. Reid, of this city. Mr. George Fraser was named a director of the Association. Following the convention at Murray Bay the delegates were invited to Montreal where they were guests of Mayor Camille Houde at a dinner and entertainment at the Mount Royal Hotel.

Among those present was Mr.

Arthur Clark of the Maritime Central Airways who took part with Mr. Fraser in the discussions with Carr Speirs. The tours they arrange are all by air and for this reason have been named the "Million Air Holidays". If it is decided to go through with the idea the Maritime Central Airways would pick up the tours at Moncton.

Labor Income

OTTAWA, Sept. 18 — (CP) — Canadian labor income reached a record level during June and the first six months of this year, the Bureau of Statistics reported today.

Continued advances in employment, wage rates and salaries brought the estimate for the month to \$625,000,000, a gain of 18.7 per cent over \$595,000,000 in the same month last year. For the first six months of this year, labor income rose 17.1 per cent to \$4,628,000,000 from \$3,952,000,000 in the similar period of 1950.

The bureau reported that labor income was higher than last year in each of the groups of industries, both in June and the half-year period. For example the total for manufacturing was \$280,000,000 compared with \$233,000,000 in June last year, and in the six months amounted to \$1,603,000,000 against \$1,395,000,000.

FAMOUS SCHOOL

The Edinburgh School of Medicine for Women was founded in 1886 by Sophia Jex-Blake, an English doctor.

LOCAL MARKET

Continued from page 1 which means that besides the heavier seasonal shipments there will also be the percentage increase in production reaching the market this fall.

Heavier Storage Costs

Mr. Clay said yesterday that people generally eat the same kind of meat the year round and as a result with the heavy run now on much of the pork will have to be stored—perhaps till mid-winter. This increases the operating costs of packers and helps make possible cheaper pork at the present.

The Senior Livestock Fieldman believed that with the great increase in Canada this year there will now be an exportable surplus. However, in order to ship to the United States, the logical market, Canadian prices will have to come down in line with those which are prevailing south of the border. In this country they have been consistently higher and Mr. Clay feels they may have to come down as much as 25 per cent in order to permit growers here to be able to sell the surplus.

Since there is felt to be a certain amount of consumer resistance to high priced meats the sudden lowering of pork prices will probably effect all meats. With ham, bacon, roast pork and pork chops all dropping in price it is believed that consumers will buy on a price basis. If this is true it is felt that other meats will have to respond to market conditions.

So far this year Canada has exported 71 million pounds of beef to the United States compared to only 54 million pounds last year. At the same time shipments of mutton and lamb have also risen by 50 percent.

A possible reflection of the high price of beef in Canada is the fact that Canadians in the first half of this year consumed 10 percent less beef and veal than they did in the first six months of 1950.

DEAD LETTER OFFICE AUCTION CANADA POST OFFICE. Illustration of a man and woman at a desk with boxes.

Auctions are fun...but lost parcels aren't funny! A lady you never heard of just bought the lovely tea set you mailed to Aunt Sophie last year. Not much fun for you in that, but nice for the lady who got it for half what you paid for it. The gift didn't reach Aunt Sophie because the Post Office just couldn't read the address on the package, or the wrapper came off because the package wasn't tied securely. The Post Office couldn't return the gift to you because there was no return address on, or inside the parcel. Along with 6,000,000 other letters, circulars and packages—toys, wearing apparel, surveying instruments and even a horse collar—the tea set went to the Dead Letter Office, Canada's largest lost and found department. Experts couldn't figure out where the package was to go. The package was stored for a year, but no one enquired about it. With thousands of others it was catalogued and sold at auction. That's when the lady you never heard of legally bought Aunt Sophie's tea set. Visit your Post Office for accurate weighing and correct postage and for courteous advice on addressing and wrapping.

CANADA POST OFFICE. Hon. G. Edouard Rivest, K.C., M.P., Postmaster General. W. J. Turnbull, Deputy Postmaster General.
