WELCOME FATHER DOYLE.

Opposite the entrance and immediately above the speaker's platform in the hall *pro tem* of the F. & D. I. A., at Alberry Plains on Wednesday, 7th inst., the words, "Welcome Father Doyle" in bold relief, artistically festooned in evergreen, fully satisfied a well-filled house that a treat of rare merit was in store for each and all. Rounds of applause greeted the reverend gentleman as he entered the hall and took his place on the stand, the very embodiment of health, happiness and good will. Fruit-growing was the subject chosen. The preparation, management and care of the orchard, garden, cranberry patch and vineyard were all treated in a able and masterly manner. This excellent address which was given *ex tempore* and occupied about two hours in its delivery was from exordium to peroration brim full of useful and practical instruction, beautifully interlaced with the silvery streaks of wit and humour in the art of which the Rev. Dr. Doyle is rarely if ever excelled. The applause at the end of the discourse was rapturous and prolonged. The verbal question box, figuratively speaking was well filled, and needless to say every question was promptly and satisfactorily answered. A hearty and unanimous vote of thanks, moved by Charles McMillan, Esq., seconded by P. J. D. Edmonds, Esq, was tendered the reverend lecturer, to which he made a suitable reply. After the singing of the national anthem by the members of the church choirs representing several denominations led by the well-trained voices of the Rev. Dr. Doyle and our vocal music teacher, Mr. Richards, the whole house with heart and voice as one, giving vent to those sentiments of loyalty inspired by that beautiful "Queen of Song,"—the meeting dispersed looking forward to several other good nights during the winter months.

ROBERTS.

CONCERT AT WHEATLEY RIVER.

The Wheatley River Church choir gave an entertainment consisting of a concert and social on the evening of the 7th inst., The excellence of Wheatley River concerts is beyond question and this one was no exception to the rule, for everything was up to the standard, and we can unhesitatingly say that the choir has added another successful entertainment to the number already given in this place. The roads were not in a condition as favorable as would be desired for such an event, yet the hall was filled with an appreciative audience as evidenced by the hearty applause accorded the performers as each number on the programme was rendered. Mr. John Rackham was chairman and excellent order was maintained throughout the entire evening. The programme consisted of a pleasing variety both musical and literary. The musical part was under the direction of Miss Louisa and Mr. Jacob Smith, which fact is certain proof of the excellence of that part of the programme. The solos were of a high order of merit, especially Miss Smith's, "Break the News Gently to Mother." Mr. Smith's "The Man behind the Plough," and Mr. Sellar's patriotic piece, "The Land of the Maple." Miss Ethel Oxenham played the accompaniment to Miss Smith's singing. The dialogues were presented in a particularly pleasing manner. The acting of Malcolm and Ida Rackham in "Soaring Aloft" was extremely true and gained much applause. David and Johnny Stevenson and William Cruwys in the other dialogues were the funny men of the night, and by their witticisms and drolleries created many a broad grin and round of applause. At the conclusion of the programme Mr. W. D. McCoubrey, of New Glasgow, auctioned the pies in his usual happy and successful style. When the proceeds of the night were made up it was found that a handsome sum had been realized, and everyone seemed pleased with the night's enjoyment.

LODGE NOTES.

We see in the papers frequently, accounts of meetings of Foresters, Sons of Temperance, etc., but seldom a word from the Good Templars, whose aim is equal to any. Though there are, no doubt, many earnestly contending for the principles of our noble order, we fear some may have grown weary in well-doing.

Eastern Gem Lodge, I O G T, continues to meet every Saturday, weather permitting. Yet, we note with regret the prolonged absence of some of our worthy members, who, owing to their abilities have been in the past our tower of strength. At our meeting of the 3rd inst, the sum of $13.00 was granted as a trial order for books, to form the nucleus of what shall be known as the Gem Library. After appointing a new staff of officers, Mr. C. C. Dingwell being Chief Templar, Sister Dunbar read an interesting paper narrating an incident happening in rural life. This was the seventh paper during the quarter. On motion of a prominent member, the following resolution was unanimously passed:

Whereas, It has pleased the Ruler of all things to remove from our midst one of the old landmark, in the person of the late Donald Fraser, Esq, one whom we had known from our childhood as an upright citizen, a loving father, and a genial and kind-hearted friend.

Be it Therefore Resolved, That we, the members of Eastern Gem Lodge feel deeply the great sorrow which has come to our sister, Bessie Fraser, and to other members of this Lodge, and we hope and pray that in their great bereavement they may be consoled by the thought that the departed has gone to meet his reward for a faithful and exemplary christian life and that the bereaved may be strengthened and comforted by Him who has promised to be a protector to the widow and a father to the fatherless.

NERVES UNSTRUNG.

Are your nerves unstrung? Are you sleepless, restless, "fidgety," with a haunting dread, a foreboding that some one dear to you is going to die, or that some other terrible thing is going to happen?

You would give a good deal to get rid of these feelings, to be able to sleep soundly have no bad dreams, and rise refreshed and clear-headed ready for a hearty breakfast.

You can do so, and at very little cost. Take a couple of Dodd's Dyspepsia Tablets after each meal today, and see if you don't sleep as "sound as a rock" tonight, and get up hearty, hungry, and without a headache in the morning. Just try this plan today.

Stomach complaints arise from Indigestion. Dodd's Dyspepsia Tablets cure Indigestion. We claim this. You test the Tablets. They'll prove the truth of the claim

You can't have Indigestion if you try, while you're using Dodd's Dyspepsia Tablets. If you don't believe it—test them. They'll convince you by curing you.

Besides curing Indigestion, Dyspepsia, Biliousness, Heart Burn, Sour Stomach, Water-brash, and all other stomach diseases (except cancer) Dodd's Dyspepsia Tablets strengthen the stomach. It rests while they cure your Indigestion. They need only a week or two, to do this. Then your stomach is able to do its own work. Test them. They'll cure you.

A BAD BRIDGE.

SIR,—I would like through the columns of your valuable journal to call the attention of the C. P. W. to the state of the bridge near the Hazelbrook factory. Now this bridge should long ere this have been replaced by a new one, but there it remains a testimonial to the neglectfullness of the present administration.

Now, Mr. Editor, my object in calling his attention to this work is that it is a very important matter, it being the bridge over which tons of milk are daily drawn to the factory. A bridge like this is a scandal to any "purity" Government, such as our leader claims to lead; but I am afraid he is like the common-place preachers, who aim at nothing and hit it. Now that the election is coming on, this matter, I hope, will be attended to at once.

DARRMAN.

Hazelbrook, Feb. 12, 1900.

—At the annual meeting of the Dominion Shorthorn Breeders' Association, held in Toronto, a few days ago, Mr. F. G. Bovyer, of Georgetown, was elected a vice-president. An important resolution was adopted to the effect that the members of the Dominion Shorthorn Breeders' Association be made members of the Dominion Cattle Breeders' Association by the payment of a small per capita fee to be decided upon by the Executive. The report of the executive stated that the work of recording shorthorns for the last three years had increased by leaps and bounds, keeping in line with the increased sales and prices of these cattle during that time.

The CHARM OF BEAUTY

Not in the Features so much as in the Grace and Vitality of a Healthy Body--Dr. A. W. Chase's Nerve and Blood Pills make Women Beautiful.

There's a certain charm of beauty in the graceful, elastic movement and clear complexion of a healthy woman in which the features do not play an important part.

The pale, sallow complexion and dull leaden color of the skin, dark circles under the eyes, headaches, pains in the back and sides, dull eyes, weakness, nervousness, despondency and low spirits are symptoms of weak, watery blood and improperly-nourished nerves.

No woman can be beautiful until the blood is enriched and the nerves strengthened. Dr. A. W. Chase's Nerve Food is a food for the blood and nerves.

Dr. A. W. Chase's Nerve Food restores the energy and strength to a run-down system. Note your weight before using them, and the increase week by week as the brightness returns to the eyes, the color to the cheeks and the form rounds out with firm, healthy flesh, the natural result of rich, pure blood and a healthy nervous system.
