VERNON RIVER CYO ROYALTY

As a climax to almost six years of activity the Vernon River CYO held a coronation ball and crowning of the king and queen of their club. This youth group has been very active and accomplished union, taking religion, social activities, education and sports as a background of activity. They have equipped and maintained the hall, put on plays and concerts, organized ball and hockey teams. Elmer Hynes one of the members in a short address said he felt it was one of the most successful CYO's in the province. The king and queen selected and shown above are Rita Magennis and Lennie Hynes, both very popular in the community, as indicated by their appointment to reign over the organization for the next year.

Prizes Presented To SDU Students

Students from Mount Stewart, and Albany, P. E. I. and Hong Kong, China, took top awards at St. Dunstan's University Commencement Exercises yesterday afternoon.

Top prize in senior year arts course, donated by Most Rev. Malcolm A. MacEachern, went to Ellen Reddin of Mount Stewart, while Gabriel Chan of Hong Kong won the Mr. Justice Mark R. MacGuigan prize for leading the science class.

Donald G. MacCormac of Albany won the Dr. L. I. Duffy prize as the highest ranking Commerce student in the graduating class.

Other prizewinners were:

The Mary E. MacDonald Scholarship, awarded by the faculty on the basis of student leadership and academic standing in the junior year, awarded to Colin McMillan, Charlottetown.

EASTERN BRIEFS

SPENT WEEKEND

Donald MacLaren and Jerry Branch of Halifax spent the weekend with Mr. and Mrs. Douglas MacLaren, Montague.

OUT OF HOSPITAL

Mrs. John Hunter, Strathcona, returned to her home Friday after being a patient at the Kings County Memorial Hospital.

VISITING FRIENDS

Captain MacQuire of Malagash, N.S., is visiting friends in Montague.

SUNDAY GUESTS

Mr. and Mrs. Penna Moore, Charlottetown were Sunday guests of Mr. and Mrs. Edward Bulpitt, Roseneath.

TO OTTAWA

Senator Elsie Inman left for Ottawa on Monday to be present at the opening of Parliament today.

WERE VISITORS

Mr. and Mrs. Robert Shaw were visitors at their respective homes on the Island over the weekend. They are formerly of Montague and now live in Westville, N.S., where Mr. Shaw has recently been transferred.

AT STURGEON

Mr. and Mrs. Joey Lanigan and little son Lennie, Montague, will be the guests of Mrs. Lanigan's parents, Mr. and Mrs. Leonard Smith, Sturgeon, for two months. Mr. Lanigan will be engaged in lobster fishing.

GRADUATES FROM DAL

Senator T. V. Grant and Mrs. Grant of Montague and Dr. Roy Grant and Mrs. Grant of Summerside are in Halifax today to attend the graduation of Raymond Grant, the Senator and Mrs. Grant's youngest son. Raymond is graduating from the school of medicine of Dalhousie University and will practice in Saint John, N. B., where his brother Dr. Earle Grant is a well known surgeon and his brother Dr. Norbert Grant, a successful general practitioner.

Traffic Case Is Set Over

Donald Edward MacPherson, Charlottetown, appeared before Magistrate A.J. Haslam in city police court yesterday on a charge of driving in a manner which was dangerous to the public. The accused was remanded without bail to today.

Four police constables, including Davidson Biggar, Allan MacLeod, Sidney Hurry, and Alfred Arsenault testified on the stand against the accused.

Counsel for the accused is Lester O'Donnell.

In charge of assault, Glen Campbell, North River, had his case adjourned to May 22.

A motorist was fined $10 and costs or five days for going through a red light.

Two men were charged with being drunk and incapable. One was remanded to May 16 without bail, and the other was fined $20 and costs or 15 days.

Canada Plans Loan To India For 16 Planes

OTTAWA (CP)—Canada will loan India a maximum $12,500,000 to cover purchase of 16 Caribou transport planes from de Havilland Aircraft of Canada Limited.

A financial agreement covering the five-year loan was signed here Tuesday by External Affairs Minister Paul Martin and T. T. Krishnamachari, Indian minister for economic and defence co-ordination.

Canada will make an outright grant to India of an amount sufficient to defray half the interest charges, which will be at commercial rates. Delivery of the planes is expected to be completed by mid-1964.

India is discussing with Canada, other Commonwealth countries and the United States provision of more military aid in the wake of last fall's

MP, awarded to Donald G. MacCormac, Albany.

A prize for French, presented by Chief Justice Thane A. Campbell, awarded to Kathleen Walsh, Montreal, P.Q.

A prize for Latin, presented by Rt. Reverend J. N. Poirier, awarded to Philip Mullally, Charlottetown.

HIGH SCHOOL

Prize for the student ranking highest in grade 12, donated by the Provincial Bank of Canada, awarded to Edward O'Brien, Sherwood, P. E. I.

Prize for the student ranking second highest in grade 12, donated by the Provincial Bank of Canada, awarded to Carl Cheverie, Charlottetown, P. E. I.

Prize for the student ranking highest in grade 11, donated by the Benevolent Irish Society, awarded to William Clow, Summerside, P. E. I.

Prize for the student ranking second highest in grade 11, donated by the Benevolent Irish Society, awarded to Winston M. Gregor, Fort Augustus, P. E. I.

The Birks Medal, donated by Henry Birks and Sons, Limited, Halifax, N.S., for the student who, in his high school career, has exhibited outstanding qualities of leadership in student affairs, awarded to Walter Bradley, St. Teresa's, P. E. I.

The Colonel Paton prize for the most proficient cadet on parade awarded to William Stanley, Charlottetown, P. E. I.

Sea-Going Circus Plans Visit To Montague

MONTAGUE BUREAU OF THE GUARDIAN

A circus is scheduled to visit Montague this summer for the first time in about 50 years.

And to make the occasion even more historic, this one is scheduled to come by water. A 225-foot vessel will dock at Montague, land the animals and performers who will move to a large circus tent capable of seating 3,000 persons.

The decision to sponsor the circus was made at a special meeting of the Montague fire department Monday night.

Some of the animals included in the circus will be elephants, tigers, black panther and many others, the firemen were told. A crew of more than 100 including the acrobats and clowns, will accompany the ship.

The circus which is said to be based in Oklahoma was loaded aboard ship in Florida and will call at several ports on the Atlantic seaboard this spring and summer. Water transportation is being tried by the circus owners in an effort to cut transportation costs.

According to a well known historian in the Montague area, W. D. Johnston, a circus last visited Montague between 1911 and 1918, but he wasn't sure of the date. He recalled that a visit by a circus between 70 and 75 years ago was marked by the escape of a tiger.

He said the tiger was finally killed with a pitchfork at Greenfield by the late Donald Geary Nicholson.

The sea-going circus is scheduled to appear in Montague, June 20 with afternoon and evening performances.

Fire Chief Douglas Coffin advised the special meeting that 22 fire calls had been made in the past few weeks and thanked the men for their support and assistance which was without remuneration.

Following the meeting Monday the members went with equipment to burn dangerous grass areas within the town.

Judgments Issued To Collect Tax Arrears In Montague

MONTAGUE — William Reddin, Montague town solicitor was welcomed to the town council meeting by the mayor and councillors Monday night. All councillors, town clerk and town policeman were present for the meeting.

Mr. Reddin's visit was to explain the next steps to be taken following judgement taken on property, personal and real, for tax arrears. Judgement has been taken against 19 persons for personal property tax and on 13 for real estate. The next step is the one that costs the taxpayers extra, Mr. Reddin pointed out but he wished the go ahead from the council before taking this step.

Also welcomed to the council was Louis Cantelo, president of the Southern Kings Fish and Game Association, who was seeking information on the proposed dam on the Sutherland stream, a joint project of the department of industry and the Town of Montague.

At a meeting of the Fish and Game Association it was resolved to support this project and to do anything it could to assist in the completion of the project. Mr. Cantelo was present to offer this assistance and to look over the site.

A new dump site will have to be procured for the town and discussion took place on this matter with several sites mentioned and to be looked into by the sanitation committee who will bring back information for next month's meeting.

Also discussed was the fire alarm system, which will come to an end when the telephone system switches to dial. Several proposals have been made with no definite decision being reached.

Fire calls out of the town were dealt with and it was pointed out that the town bylaw states, length of the hose only, which would be slightly over one mile.

PARKING PROBLEM

The parking problem was also dealt with and the decision to allow one hour parking between 9 a.m. and 5 p.m. daily except Sunday is to be applied. This will affect the business section of the town from approximately Hilchey and Vandkerstine's store to the Baptist Church.

Road signs are to be purchased for such turns to Montague as Poole's Corner so as to make it easier for people to find the town, as one councillor put it.

The condition of the highway from Cherry Valley Corner to Montague as well as from Georgetown and Cardigan came up for consideration. A delegation of the whole council to wait on the government in the near future was decided upon.

Mayor B.H. Yeo advised he would be attending the Canadian Federation of Mayors convention to be held in Toronto later this month. He will be presenting the resolution adopted at Halifax, and again this year at Charlottetown at the provincial federation meeting, which deals with assistance and consideration for the smaller towns.

Glass Lined HOT WATER TANKS

22 gal. Pressure tested to 125 lbs. per square inch. Fitted with replaceable magnesium anode to retard electrolytic erosion caused by mineral deposits in water.
