IN MEMORIAM

FOUCHERE — In loving memory of Howard Lawrence Fouchere who departed this life, June 23, 1962.
There is no time that we could set for parting.
We who must remain
Are never ready for such pain.
Even our prayer would be: "Not yet!
Not yet, dear God—another day
With us let our beloved stay".
We must believe, when falls the blow
That, wisely, God has willed it so.
Fondly remembered by wife and family.

McKEARNEY — In loving memory of John McKearney who passed away June 22nd, 1962. Ever remembered by his brother Steve, Ethel and family.

REEVES — In loving memory of Bernard Reeves who passed away on June 28th, 1959. Fond are the memories of one so dear
Deeply treasured from year to year.
Dear are the memories silently kept
Of one we loved and will never forget.
Lovingly remembered by mother, brothers and sister.

AXWORTHY — In loving memory of our dear daughter and sister Isobelle Alma Axworthy, who departed this life June 25, 1960. at a playground accident at Brackley Beach. Three years have passed since that sad day
When God called one we loved away.
Little we thought when we awoke that morning
The sorrow it would bring that day.
Lovingly remembered and sadly missed by mummy, daddy and brothers.

MacDONALD — In sad and loving memory of our dear son and brother Lloyd Alison MacDonald who died June 23. 1935.
It is lonely here without you
And sad we are today,
For life is not the same to us,
Since you were called away.
You could not say good-bye to us,
Perhaps it's just as well,
We never could of said good-bye
To one we loved so well.
It was a sudden ending,
To sudden to forget,
For we who loved you dearly
Are the ones that can't forget.
Lovingly remembered by mother, dad, brothers and sister.

GURNEY — In fond and loving memory of our dear mother, Mrs. Henry E. Gurney who departed this life June 25, 1955.
Do not ask us if we miss her
Oh, there's such a vacant place.
How we'd love to hear her footsteps
And see again her smiling face.
But the Lord, who gave has taken
Up in Heaven your right you've won.
Mom dear, our hearts are aching
But the will of God was done.
Always remembered and sadly missed by the family.

CARD OF THANKS

I wish to express my sincere thanks to Dr. Auld, Dr. Beer, and the nurses and staff of the Prince County Hospital. Also a special thanks to all the kind friends and neighbors who helped my family and me in so many ways, and all who brightened the days for me with cards and visits.

Mr. and Mrs. Joseph Kenny and family of Morell, wish to express sincere thanks to the Morell Fire Department, members of the Red Cross Society, clergy, religious, relatives and kind friends and neighbours who were so helpful during our time of need following the recent loss of our home. Sincere gratitude is also expressed to those who sent donations, food and clothing and to those who helped us in any way. We wish to acknowledge a special thanks to Mr. Harry Trainor of Baldwin Road, for his contribution in providing residence for us until permanent residence is established. Thanks to you all.
Mrs. Garnet Turner.

Queens MP Regrets Fisheries Talks Fail

By FARMER TISSINGTON
Capital Bureau of The Guardian

OTTAWA — Regret that an agreement was not reached between Canada, the United States and Japan in connection with the North Pacific fisheries treaty was expressed in the Commons Monday by Hon. J. Angus MacLean, former fisheries minister.

He was replying for the opposition to a statement from Fisheries Minister H. J. Robichaud who said that despite several days of talks in Washington, no agreement had been reached regarding modification of the international convention for the high seas fisheries of the North Pacific.

Mr. MacLean said he agreed with the minister that the retention of the abstention principle with regard to the treaty was of vital importance to Canada.

"Canada and the United States have large investments in these stocks of fish and have reserved various rivers for their use so that it will be possible to reproduce their kind." Mr. MacLean pointed out. "Both countries have large investments in fish ways and other assistance to the migration of fish, along with the greater amount of public funds which have been invested in research in this regard."

Mr. MacLean said that because of this, Canada and the U.S. have a special proprietry right to the North Pecific stocks of fish. He expressed the hope that this right can be protected and that an agreement will eventually be reached which will retain abstention principle.

Roads To Resources Program Continued

Though only a relatively small amount of what is known as 'provincial' paving will be done this year, there will be no decrease in the customary amount of building under the roads to resources program, Hon. J. Phillip Matheson, minister of highways, said last evening.

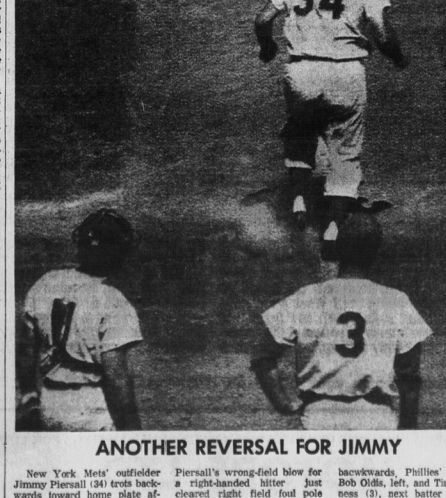
The Minister stated in recent years his department has been building almost matching amounts of roads in the two categories, at an approximate cost of $2,000,000 each, and that same amount would again be spent on resources roads.

However, he added that this year he would have only about half the normal amount for provincial paving and the building of roads would be lessened accordingly.

But he said there was a great deal of black topping and seal coating to be done on work which was already underway, mostly started last year, and this would constitute the major portion of this year's provincial work.

The roads to resources program is participated in equally by federal and provincial governments and under the agreement has three more years to operate. The amount of money allotted allows for the building of approximately 60 miles of roads each year.

Mr. Matheson also noted that it was difficult, because of local soil conditions, to start serious road work before July 1. He also drew attention to the vast amount of repairing and patching the department is and has faced as a result of the abnormally heavy damage to the highways last winter. This, alone, he said would take a considerable amount of the money budgetted for road work.



ANOTHER REVERSAL FOR JIMMY

New York Mets' outfielder Jimmy Piersall (34) trots backwards toward home plate after clouting the 100th homer of his career at the Polo Grounds in New York Sunday. Piersall's wrong-field blow for a right-handed hitter just cleared right field foul pole about 260 feet from home. Jimmy celebrated the occasion by circling the bases running backwkwards, Phillies' catcher Bob Oldis, left, and Tim Harkness (3), next batter for the Mets, watch Piersall's unusual antics. Mets won the game 5-0. (AP Wirephoto)

New Charges Laid Against Dr. S. Ward

LONDON (CP) — Eight new charges, one involving abortion, were filed Monday against Dr. Stephen Ward, society osteopath and a central figure in the Profumo scandal.

Police had announced after Ward's arrest June 8 that he might face more serious charges than the original one of living off the earnings of prostitution.

Most of the new charges involved procuring. Ward will be given a hearing on them Friday.

Ward's counsel, James Burge, said the new charges do not involve espionage or blackmail, "which was one of the other matters hinted at."

Ward himself was not charged with performing abortion. Burge said the 30-year-old osteopath was accused of advising "an unknown person" to commit a crime — "unlawfully using an instrument to procure the miscarriage of a woman."

WOMAN IDENTIFIED

The woman was identified in the list of charges shown Burge but her name did not come out in court. Prosecutor Oliver Nugent declined to detail the charges.

USE MUCH SUGAR

The United States, where the average citizen consumes about 100 pounds of sugar annually, is expected to use 10,000,000 tons in 1963.
