

FINE CATCH AT BONSHAW

Another fine catch of speckled trout were brought into the

Summerside bureau office of the Guardian-Patriot on Sunday evening, following the opening of the fishing season on that day. Using worms for bait, these two men, Preston MacCausland (left) and Alvin Mathews, both of Summerside, caught 33 beautiful fish at Bonshaw, including one which weighed about two pounds and can be seen on the left, lying horizontally. They both stated there were about 50 fishermen at Bonshaw on opening day and many of them seemed to be doing as well as they were.

The church choir sang as an anthem, "Thy Will Be Done". Mrs. Lloyd Fraser was organ accompanist.

Fire Trucks For Forest Use Slated

This year, each county of the province is to have a four-wheel drive pumper truck to be used to fight forest fires.

One truck is now situated in Charlottetown; a new truck, bought last fall, is to be located in Sherbrooke; and a truck now on order, will be located in Kings County at a place to be determined later.

Last year there were 18 forest fires in the province. The largest one burned about five acres and the others were of an acre or less.

Estimated loss of timber in last year's fires was \$1,000.

Announcement Is Said 'Insult To Electorate'

CARDIGAN — Thomas J. Kickham branded the causeway announcement as "an insult to the electorate of P.E.I." last night as he spoke in Cardigan Legion Home at the annual meeting of Third District of Kings.

"They have pulled this causeway 'gag' four times now and are trying for a fifth. Just how genuine do the Tories think we are?"

Souris JCs To Have Sign At Borden

The Souris Junior Board of Trade has purchased a large sign to be erected at Albany Corners on the Trans-Canada Highway about three miles from Borden, inviting visitors and others to the "Home of the Dragger Fleet—Souris".

The meeting of the Jaycees last night was informed that arrangements for having the sign erected will be completed shortly. It is hoped to also erect a similar sign at Wood Islands.

The sign has been purchased through contributions from merchants in the Souris area.
