## Sheen - Singleton Nuptials

Trinity United Church was filled to overflowing last evening for the marriage of Edna May Singleton to Rev. John Matthew Sheen. So large was the attendance that the spacious edifice was inadequate and many guests listened to the ceremony from outside. The chancel was beautifully decorated with flowers, making a lovely setting for the bridal party.

The ceremony took place at 7.30 and was performed by Rev. L. E. G. Davies. Before the arrival of the bridal party the choir sang "O Perfect Love." As the bride entered the church on the arm of her cousin, Mr. Hugh F. Morrison, who gave her in marriage, the organist played the Wedding March. The bride was very lovely in a gown of white georgette over white silk. Her long veil of silk net formed a train at the back and was fastened with a wreath of orange blossoms. She carried an arm bouquet of pink chrysanthemums tied with white ribbon. Her bridesmaid, Miss Norma Davison, was very sweet in pale blue chiffon with pink accessories and picture hat. Her bouquet was snapdragon and yellow iris. Mr. Gerald Sheen supported the groom.

During the signing of the registers, Mrs. George Pickering and Mr. Alvin Webb, postmaster of O'Leary, sang "O Love Divine." The ushers were Eric and Roland Sheen and Wallace and Donald Bradshaw.

After the ceremony a reception was held at the home of Mrs. George Pickering. The reception rooms were tastefully decorated in pink and white. Fansies and ponies adorned the dining table. Mrs. George Pickering and her daughter, Mrs. Alfred Colwell, served, assisted by Mrs. Wm. Steeves and Miss E. R. Montgomery of Boston.

The bride is the daughter of Mr. and Mrs. John Singleton of Pitts-burgh, Penn. Her mother was formerly of O'Leary. Besides her mother the bride's guests were her grandmother, Mrs. Malcolm MacFadyen of O'Leary, her cousin, Mr. Hugh F. Morrison and Mrs. Morrison, Summerside, Miss Montgomery of Boston, Rev. A. F. Baker and Mrs. Baker, Hon. W. R. Dennis and Mrs. Dennis and Mr. and Mrs. A. J. Matheson all of O'Leary.

The groom is the son of Mr. and Mrs. George Sheen of Summerside and was recently ordained to the ministry of the United Church. An honoured guest at the wedding was the groom's great aunt, Mrs. Margaret Adams of St. John, N. B. Besides the groom's parents were his aunts and uncles, Mr. and Mrs. George Davison, Mr. and Mrs. James Sheen, Mr. and Mrs. Joseph Sheen of Kensington, Mr. and Mrs. J. E. Ferry and Mr. and Mrs. Donald Baker of Summerside.

Previous to her marriage the bride was the guest of honour at a shower when she was the recipient of many lovely gifts. Rev. and Mrs. Sheen leave this morning for Bracken, Saskatchewan, where Rev. Mr. Sheen has been given the charge of a parish which includes five churches. Both bride and groom have many friends on the Island who will wish them well in their new home. The Guardian joins in happy felicitations. S.

## U.S. Spy Sentenced To 15 Yrs. In Prison

(A. P. By Guardian's Special Wire) LOS ANGELES, July 6. — Harry Thomas Thompson, convicted of spying on the United States fleet for a Japanese agent, was sentenced to 15 years in prison today—the first American penalized under the United States spy law written during the Great War.

Thompson, discharged navy yeoman, was convicted last week of leaking naval secrets to a Japanese. Identified in a joint indictment as a lieutenant commander of the Imperial Japanese Navy.

Judge Leon Yankwich, who levied the penalty—the law allows a maximum punishment of 20 years—said Thompson was the United States' first convicted peace-time spy.

"When we say 'it is a bad bird that defouls its own nest' we give expression to a universal belief in the duty of loyalty," the Court said in passing sentence.

"It is because espionage violates with a breach of trust that it is held in such contempt and is punished so severely everywhere, especially is this true when the motivation is pure gain. That is why the name of Judas Iscariot has been exorcised through the ages. He betrayed for silver.

"Harry Thomas Thompson, you stand convicted by a jury of a most serious offence—espionage in matters relating to our national defence.

"Foreign governments do not pay money to secure the type of information available in public prints. You were paid to secure information not so obtainable—secret information as to naval matters and movements—which would help the kingdom of Japan.

"However, because of your youth, and because I believe you are not a criminal type, I shall not impose the maximum penalty."

Thompson was found guilty by a jury of 12 men after a lightning-like trial that lasted less than two days. Testimony was that he received about \$700 for information he sold the Japanese.

—LIVERPOOL, England (CP) —Peter Kane made it 17 knockouts in 18 fights when he sent Herbie Hill, Welsh flyweight champion down for the count in the second round of their scheduled 10-round bout here.

## 12 Horses In O'Brien Stables At Alberton

Harry O'Brien and sons are training 12 horses over their Alberton track this summer. In one respect they appear therefore to be more fortunate than most race-track owners in that they could almost put on a race themselves with no outside entries at all. However this is not necessary as Alberton has probably one of the best individual day's racing prospects that will be had this summer.

The two star performers of the stable at Summerside were Paddy Aubrey, 2.17, and Soviet who made a mark of 2.19 1/4 in the third heat of the 228 class. The two other Dominion Day performers were Jackie Volo, a three year old owned by Wellington MacNeil, Charlottetown, and Mickey Mouse, owned by D. F. MacNeil, Summerside.

Ima See is a green horse which Harry intended to start Dominion Day but who had not quite come up to expectations in the workouts so far. This horse may get into the sulky tomorrow.

For the futurities the stable has two two-year-olds, both by Pax Volo, and also two three-year-olds Jackie Volo and June Morning. June Morning is showing up especially well this season.

To complete the list of 12 there is a promising young mare out of Princess Catherine by Captain Aubrey, a Bud Axworthy by Capt. Aubrey and finally a four-year-old mare, dam Miss Loando by Bud Axworthy. While the writer spoke with Lloyd O'Brien, clever driver of Soviet on Dominion Day, he seemed well pleased with the entire stable and thought that all would be heard from before the snow began to fly again. ## HALL'S CULT-HILL-DIGGER A Cultivator, Hiller and Digger Combined — Three In One For \$75.00

HALL'S CULT-HILL-DIGGER not only combines the three machines in one and can be purchased at half the price charged by other Manufacturers but it is of more rugged, durable, construction,—built, tested and proven particularly suitable for conditions in this Province.

The Central and Integral Unit is designed basically strong and durable with Steel Seats, Steel Wheels and heavy Steel Axles. It is converted within a few minutes into either of the Three Practical Potato Machines, each of which is Field-Proven and the Makers stand behind them with their guarantee of satisfaction.

THE HALL HILLER gives you the optional equipment of Mould Boards or Discs, both made of hardened Sheffield Steel, giving double the life of other makes.

THE HALL CULTIVATOR is equipped with Special Brackets and Six Spring Steel Teeth. Both the Hiller and the Cultivator have the convenient Foot Lever equipment.

THE HALL BRUISELESS POTATO DIGGER is the most practical, efficient and economical on the market.

This Digger is designed to give you greater efficiency under all different field conditions. The illustration shows its wide range of adjustability, its sturdy construction and its operation is so balanced as to require only two horses, which do the work with comparative ease. It is the ideal Digger for the large or small operator because it is superior in Nine of the Ten Important Features of Potato Digging. The ONE favorable feature of the elevator type, namely the saving of 1-4c per bushel in picking cost is overcome by the Hall's Lower Purchase Cost, The Practical Elimination of Repairs against the very expensive Repair Cost of the Elevator Type, the Hall's Saving of ALL the Potatoes against the heavy loss of Bruised Potatoes with
