Local and Other Items.

IMPORTANT.—The Temperance Executive Committee meets in J. D. McLeod's Hall to-night.

ACKNOWLEDGEMENT.—Our thanks are due Dr. S. W. Dodd for late Pasadena, Los Angels County, Cal., papers.

TAKE IT GENTLY.—Why is a married man like the electric light? Because he frequently goes out at night when he should not.

THERMOMETER READINGS.—18 degrees above zero during the night, 20 degrees above at 10 o'clock this morning, 23 degrees above at noon.

SUMMERFIELD.—The next Presbyterian service at Summerfield will be held on the first Sabbath of March at 3.30 p. m., weather and roads permitting.

Y. M. C. A.—A full attendance of all interested in the Christian Workers Training Glass, requested for this evening in the Y. M. C. A. parlor at 8 o'clock.

ENCOURAGING ART.—The Mayor and Treasurer of Halifax have been empowered to borrow $3,000 at the request of the Art School, and pay it as requested and provided for.

THE MAILS.—The mails which crossed to Cape Traverse yesterday, arrived in town *via* Summerside this forenoon. The mails which arrived on this side to-day reached town this afternoon.

A GREAT BLAZE.—One of the greatest fires ever known in Westerly, R. I., raged for three hours one day last week. The fire destroyed several business buildings and caused a loss estimated at $150,000.

AIDING THE PROJECT.—At a recent meeting of the Halifax city council a letter was read from Provincial Secretary Fielding, promising a government grant of $4,000 toward the proposed exhibition there.

FOR PASTURES NEW.—A recently imported Englishman named George Beckham, the Treasurer of the Baptist Home Missionary Society, Toronto, has left the town rather suddenly. His defalcations are said to be in the neighborhood of $600.

DOWN ON THE LOTTERIES.—The San Francisco Police have raided what is known as the American Lottery Company but which is conducted by Chinese. The entire operating force was captured. The company is worth from $100,000 to $500,000 and does a large business.

MOUNT HERBERT HALL.—A basket social will be held in the Mount Herbert Hall Lot 48 on Wednesday evening next. The proceeds will be devoted to pay for the repairing of the hall. Should that evening prove unfavorable the social will be held on the first fine evening following.

LITERARY AND SCIENTIFIC INSTITUTE.—Mr. W. L. Cotton will this evening open a discussion on the question of "Prohibition of the Liquor Traffic." As this question is coming to the front in Canada, and as many persons in Charlottetown profess to be interested in it, a good attendance is expected.

A GRAVE ERROR.—An error has been discovered in the constitution of the State of New Jersey, which, it is said, will open the prison doors throughout the State and liberate all prisoners committed since 1875. The bar and the bench are greatly agitated over the matter, and it is claimed that on account of the error there have been no legal courts of common pleas in the State since 1875.

THE FASHIONS—The Young Ladies Journal for March has been placed on our table by Mr. Theo. L. Chappelle of the Diamond Bookstore. It is a superb copy of this favorite monthly and will be highly appreciated by our lady friends. The "Style" for March is also to hand and abounds with the latest and choicest designs. These can be had at the Diamond Bookstore together with all the best perodicals.

THE DEFUNCT BANK.—An important question is pending before the Master in Ordinary at Toronto, regarding the Central Bank, viz., to have a deposit made by a depositor set off against a note the bank hold out against him. If this principle is set off it is admitted it will considerably decrease the amount required to be paid out by the liquidators on deposits and it is thought will tend to shorten the proceedings.

SURPRISE PARTY.—We understand that a surprise party of about twenty-five left the city on Monday evening last for the residence of Isaac Saunders, Esq., Winsloe Road. Owing to the heavy rain storm quite a number were obliged to remain over until noon of Tuesday. They speak in very complimentary terms of the hospitable manner in which they were entertained by Mr. and Mrs. Saunders, whose large and comfortable new house was filled to its utmost capacity.

PERSONAL.—Mr. Alfred Beer, son of the late Mayor Beer, arrived home this afternoon from California, where he has been in the railway service during the past five years.

We are pleased to learn that Richard Hunt, Esq., Chairman of the Summerside Town Council, is recovering from his recent severe illness.

A recent number of the *Provincial Wesleyan* published at Halifax says: The thoughtful and practical discourse by Bro. J. T. Mellish, of Charlottetown, in our Robie Street Church on Sunday evening, last suggested the valuable auxiliary possessed in our lay preachers.

Curliana.

The fifth match for the Club medal was played on Tuesday afternoon between the following teams;—

H. V. Palmer.	Col. Irving.
D. B. Stewart.	Charles Palmer.
Capt. W. A. Weeks (mate)	R. R. Fitzgerald (mate)
Rev. S. Weston-Jones (skip) 12.	George McLeod (skip) 12

At the expiration of two hours' play, time was called, and the game was declared a tie.

Yesterday afternoon the match was played over again by the same rinks, and when time was called at six o'clock it was found that the scores on both sides were the same. In accordance with a previous arrangement, they played off at one end, and Rev. Mr. Jones' team came off victorious by five points, the total score standing: George Macleod's team 10; Rev. S. Weston-Jones 15.

The final, and probably the most exciting match of the series, will be played next week between teams captained by Rev. S. Weston-Jones and Rev James Carruthers.

The matches on Tuesday afternooon, as well as that yesterday afternoon, were witnessed by a goodly number of people, who appeared to take considerable interest in the proceedings.

The Charlottetown Hospital.

During the past year there have been treated in the Charlottetown Hospital 113 patients. Of this number 88 were cured, 12 improved, 9 incurable, 1 unimproved and 3 died. From the foregoing it will be seen that the Charlottetown Hospital still continues to do its good work. We have reason to believe that many of those afflicted persons who were discharged cured from the hospital, and who are now in the enjoyment of good health, had suffered from diseases which, without the benefits of hospital treatment, would have brought them to an early grave. The attendance at the out-door department, where the sick poor receive medical attendance and medicine free, has also been very large. Following is an account of the amounts received by the different lady collectors during their recent tour:—

The question of protection and free trade has just been fought out in Sweden, and the contest has ended in a decisive victory for protection. The election resulted in protectionist majorities in both branches of the Swedish Parliament, and a new Ministry was formed to frame a policy in accordance with the popular verdict. The protectionist party contains many farmers' representatives, all strong supporters of fiscal change.
