

## L'ARCHE The University of the Heart

L'Arche Cape Breton is a community for men and women who are mentally challenged and those who choose to share life with them. We are a community committed to equality, solidarity, and simplicity, and since we began in 1983, hundreds of people have come to share this way of life with us.

We have welcomed many volunteers from Cape Breton and from the UK, France, Austria, Germany, Granada, India, the United States and all over Canada. The experience in L'Arche has not only changed the way we see people with disabilities. It has changed the way we see the world.

We are always accepting applications from energetic, open-minded, and committed people. We provide room and board plus a monthly stipend, and will consider covering your student loan payments. There are even programs available for people interested in volunteering overseas, as there are over 100 L'Arche communities throughout the world.

Not sure what you are doing? Why not consider volunteering with L'Arche? Contact us for an information package.
