'Clean-Up' Week Launched By City

The greatest concentrated drive to beautify the city on an individual basis began yesterday and will continue until Saturday.

The occasion is officially known as 'Clean-up Week' and it is hoped it will do more to clean the city than any effort so far attempted.

"Since it is our earnest desire to make our city one of the cleanest and most attractive in Eastern Canada, we heartily endorse the initiative behind 'clean-up week'. I believe that with the co-operation of all our citizens we can make Charlottetown a place which our summer visitors will long remember for its cleanliness and neatness—two attributes which never fail to impress tourists", Mayor A. Waltham Gaudet said last night.

All members of the City Council join with me in expressing the hope that everyone will do his utmost to make the week a success and thus make the city of which we are all so proud an even nicer place in which to live," he added.

The city has placed disposal cans at all the major corners of city streets for visitors and the people of Charlottetown alike and to enforce their use fines of up to \$80 will be imposed on violators. If the fines are not paid, up to 10 days in jail may result, it was pointed out.

And while the citizens of Charlottetown are expected to make their contribution to 'clean-up week' by cleaning yards, and the rest of their property, the city will make its contribution by giving the citizens the convenience of free removal of all trash and debris gathered up at this time.

"Our city trucks will be available to pick up the debris which citizens wish removed and will accept special trips at times to be set for this purpose. This is our contribution to the success of the week," his Worship stated.

By the chairman and given a cordial welcome by president John Simmonds were: Mrs. Robinson, Mrs. H.C. Chant, national secretary; Mrs. Neil Gordon, national treasurer; Mrs. Eric Harvey, national councillor, Newfoundland; Miss Wand Wyatt, national councillor, P.E.I.; Mrs. R.R. Shortreed, provincial president, British Columbia; Mrs. J. MacRae, provincial president, Quebec and Miss Archer.

Other guests of Rotary secretary Rev. Donald A. Campbell and Fremont Archer, city; George Greenough, New Glasgow; Captain Jerry Halifax.

Visiting Rotarians were: Keith Clark, St. John's, Nfld.; Pat Wynn, Halifax; W.J. Clark, Pearl River, N.Y.

The highlight of the adventure came on Thursday morning when each of us received our citizenship certificates in the impressive surroundings of the House of Commons," Miss Archer said.

The speakers were thanked by co-chairman Arthur Carruthers.

IODE And Ottawa Trip Described To Rotary

Rotarians had a rare and enjoyable experience at the weekly luncheon meeting at the Charlottetown Hotel yesterday when two members of the fair sex gave brief addresses. Mrs. Peter Robinson, Toronto, national president of the IODE, now annual convention in Charlottetown told of the work of that organization, and Miss Judy Archer, who represents the local club at Ottawa in Rotary's adventure in citizenship related her experience and showed a number of highlight slides.

Introduced by chairman, Inspector A. S. McNeil, Mrs. Robinson in a summary of IODE activities referred to the raising of \$500,000 yearly and promptly disbursed on services and \$500,000 on education.

"This work holds the interest of over 30,000 women across Canada," she spoke said.

"The name of the IODE on its equipment, food and clothing reaches into Europe, Korea, the West Indies, Hong Kong and India."

High on the list of activities enumerated by Mrs. Robinson were war memorial dedications and burials in memory of the men and women who gave their all in two great wars. These amount to \$78,000 and provide 15 overseas post-graduate scholarships of \$2,000 each and 30 burials in Canadian universities valued at \$1,800 each for children of Canadian war veterans.

Post-graduate scholarships are also awarded to students from the West Indies, Ghana, India and Pakistan as well as providing medical training and hospital maintenance, she said.

Two thousand schools have been adopted by primary chapters across Canada and a project of adopting 26 schools in the MacKenzie River Archipelago educational district, which she anticipated would take three years to accomplish, has been taken care of completely in

three months," Mrs. Robinson stated.

Paying tribute to Rotary, the speaker referred to the magnificent contribution made to service by Rotary clubs. "It is organizations such as yours and mine which keeps faith alive and makes us ever conscious of the needs of those less fortunate," Mrs. Robinson said.

OTTAWA VISIT
Miss Judy Archer as Charlottetown's representative to "Adventure in Citizenship" sponsored by the Rotary Club of Ottawa described her visit to Canada's capital along with 230 other students from all parts of Canada. Coloured slides taken by Miss Archer, emphasized the scope of the entertainment provided.

The students were met at the Chateau Laurier by the president of Ottawa Rotary and others and were given a civic welcome by Mayor Charlotte Whitton. Many interesting speakers addressed meetings at the Chateau, including Hon. J. Angus MacLean. Regret was expressed that neither Mr. Diefenbaker

nor Mr. Pearson could arrange to be present.

A memorable visit to Parliament buildings concluded with a view of the peace tower and its Memorial Chamber.

Fisher High school was the centre of attraction where dinner was served and a concert given by Ottawa High School talent. A musical ride put on by girls dressed in RCMP uniforms featured the entertainment which was followed by a dance. Group discussions at Carleton University and luncheon at the Chateau Laurier was followed by an afternoon visit to City Hall which was another highlight in citizenship experience, Miss Archer said.

Following a tour of Rideau Hall and the viewing the magnificent display of tulips in the area, the students were addressed briefly by General Vanier.

At the RCMP training division at Rockcliffe the students were thrilled to witness the Mounties exercise a drill especially for their enjoyment. A band concert and buffet dinner concluded a memorable trip to Rockcliffe.

Other places of national interest visited in town were the new National Art Gallery, Vincent Massey Park, Clarke Memorial Auditorium, Canadian Mint and the Supreme Court of Canada.

"The highlight of the adventure came on Thursday morning when each of us received our citizenship certificates in the impressive surroundings of the House of Commons," Miss Archer said.

The speakers were thanked by co-chairman Arthur Carruthers.
