IN MEMORIAM

ADAMS—In loving memory of a dear father and husband Claude Adams who passed away January 23, 1942.

Oh, the world is cruel dear father
Oft my heart is very sad·
Fourteen long years and how we miss you
You made our lives so glad.

On that morn so very early when
The man climbed o'er the hill.
Little did we think dear father,
You would soon be cold and still.

And we often think when weeping
How you were alone to die,
On that chilly winter's morning,
With no chance to say good-bye.

And the comforts of life our father,
That you couldn't find here on earth,
May you find them where angels are singing,
In God's heavenly kingdom of mirth.

Lovingly remembered by wife and family.

HUME—In loving memory of Mother, Mrs. Earl Hume, who passed away January 18, 1947.

Deep in our hearts lies a picture
More precious than silver or gold
Tis a picture of a dear mother,
Whose memory will never grow old.

Lovingly remembered by daughter Thelma and son-in-law, Kenneth and Grandchildren.

CARD OF THANKS

I wish to thank each one for the nice gifts, cards, and letters received at Christmas; also all who remembered me since I entered the Orthopedic Centre for surgery. My sincere thanks and a Happy New Year to you all.

Toronto Stocks

TORONTO (CP)—What started out to be a sharp recovering rally faded in late stock market trading in Tuesday to an irregular advance.

Observers said the market forged ahead mainly because of a solid advance on Wall Street. They said that when the New York market settled back, it was natural for the Toronto market to do likewise. They also said that technical adjustments were made by investors in order to put the Toronto exchange in the proper respect to Wall Street.

During the last two weeks there were a number of sessions in which the Toronto Stock Exchange gained ground while New York was declining.

Uraniums were the most consistent group on the board Tuesday and they finished strong. Denison Can-Met Explorations 25 cents was ahead ⅞, Northspan 30 cents and Pronto 20 cents. Stanrock, however, lost 20 cents.

International Nickel helped the seniors were mixed in a fraction with a climb of 1⅝ points. Other base metal index retain a gaintional range. Junior gains ranged to 50 cents, led by Chibougamau Mining.

Calgary and Edmonton and Royalite each added ½ among senior western oils.

Index changes: Golds up .60 to 77.48; base metals up .52 to 222.21; western oils up .74 to 163.00.

N. Y. STOCKS

NEW YORK (AP)—The stock market made a general recovery during most of Tuesday's session but lost much of it in late dealings.

The session had the distinction of being the slowest to date of the new year.

Steels and aircrafts were the pacemakers when prices were at their best. Practically all divisions participated in the rise. The gains were extended as the session progressed. But late in the day many gains melted away.

The Associated Press average of 60 stocks rose 20 cents to $175.70.

Upside Canadian stocks include International Nickel, up 1¼ and Canadian Pacific, ahead ⅛. Off were Distillers-Seagrams, down ⅜ and Granby Mining, off ¼.

Gaining Canadian stocks on the American Exchange included Brazilian Traction, up ⅜, Preston East Dome and Scurry-Rainbow Oil, ahead 1-16 respectively.
