BE WISE TO DAY.—This madness to neglect a cough or cold. Consumption may follow, and though Dr Wistar's Balsam of Wild Cherry cures the latter disease, yet the former disappears at once under its influence.

Farmers and "Horse Men," are continually enquiring, what we know of the utility of "Sheridan's Cavalry Conditions Powders," and in reply we would say, through the columns of the Summerside Journal, that we have heard from hundreds who have used them with gratifying results; that is, who are experiencing.

If Johnson's Anodyne Liniment is half as valuable as people say it is, no family should be without it. Certainly no person, be he Lawyer, Doctor, Minister, or of any other profession, should start on a journey without it. No Sailor, Fisherman, or Woodsman, should be without it. In fact it is needed wherever there is an Ache, Sprain, Cut Bruise Cough, or Cold.

GRACE'S SALVE.

The unanimous testimony in favor of this article wherever it has been used, and more particularly in various parts of Essex County, where the manufacturer formerly resided, proves the high value which is placed upon it in all cases where a remedy of such a character is appropriate. The inventor of this salve was no mere adventurer, who set the article a-going only to make money, without caring whether it injured or cured those who used it, but a skillful physician and surgeon, who for many long years used it in an extensive practice, and, dying, left the recipe as a valuable inheritance to the generation which was to come after him.

For cuts, bruises, sores, and every species of inflammation upon the surface of the body, its use has been followed by the most satisfactory results, and it only requires a trial to prove it to be all that its manufacturer claims for it.—Haverhill Publisher.

Prepared by SETH W. FOWLE & SON, 18 Tremont Street, Boston, and for sale by Druggists generally, at 25 cents a box.

Wistar's Balsam of Wild Cherry.

From JOSEPH MENARD, Esq., No. 8 Canning Street, Montreal. My Wife suffered for five years from a serious Pulmonary Affection. She was recommended by some Wistar's Balsam of Wild Cherry. I certify that the use of a single bottle of this excellent Remedy has effected a radical cure, in the space of three weeks.

Highly Respectable Authority: City of Charlottetown, Prince Edward Island.

I do hereby certify that my mother, the late Ann Menard, during the last few years of her life, was in the continual habit of using Dr Wistar's Balsam of Wild Cherry, and that she frequently expressed her high opinion of the benefits she derived in the promotion of her general health. She died on the 29th year of her age.

Dated at the City Hall, this 21st day of June, 1869. PETER MCGOWAN, J. P. & City Clerk.
