

B.C. Lions Are Confident But Want Underdog Role

By DENNIS ORCHARD
TORONTO (CP)—Grey Cup week is developing an Eastern Conference accent. It has a distinct flavor of Hamilton Tiger-Cats, and the odds are expected to stay on Hamilton's side up to the 1 p.m. EST kickoff Saturday. From the eighth floor of their

holer near the Varsity Stadium practice field, British Columbia Lions are releasing an impression of confidence, but they're not trying to play their role as underdogs.

Head coach Dave Skrien, for one, will inflame free agents among his offensive players with his comments about them Wednesday. He said his Western Football Conference champions are "not stronger" offensively this year.

"His line needs more blocking punch, he wants bigger and better men at ends, another two positions in the backfield leave something to be desired."

"Hamilton has been more consistent offensively than we have this year," Skrien said Wednesday before his players left for their second Toronto workout.

"They've had a few poor games. But we have had several, with fumbles, critical big game plays, individuals missing assignments."

"We're pretty close defensively by any comparison. Statistically in most departments we're ahead of them."

Skrien has said Lions lack the "killer instinct" offensively, but his ability or desire to pile up points once they have a game safely in hand.

But he is pleased that, on the record, "when you get behind, they won't leave you behind very long."

A player who shapes up as an extremely important to Lions' attack Saturday is Bob Swift, the 20-year-old fullback who stepped in this year with the off-season retirement of Nub Beamer.

Marsha And Goyette Lead Rangers To Victory

NEW YORK (AP)—Two goals each by Donnie Marshall and Phil Goyette sparked the Rangers' attack that overcame the Toronto Maple Leafs' 6-3 in a National Hockey League contest Wednesday night.

Three goals in the second period, two of them within 13 seconds, and the other with just 15 seconds remaining in the period, kept Rangers in command. New York's flurry started after Goyette and George Armstrong of the Leafs had traded goals, the Rangers' coming in the first period and the Leafs' early in the second.

Marshall broke the mid-way in the second session, beating Toronto goalie Terry Sawchuk after a goal-mouth scramble. Just 13 seconds later, Earl Ingarfield, who seemed to beat his former teammate, kept Rangers in command.

Jim Pappin made it 3-2, scoring for Toronto 37 seconds after Ingarfield had done it. Then Earl Bob Nevin scored the goal that seemed to beat his former teammate.

HAVE RANGERS EDGE
Nevin, picking up passes from Duff and Ingarfield, beat Sawchuk close up to give Rangers a two-goal edge.

Marshall topped it to 5-2 with his second goal of the night, which came while he was killing a penalty early in the third period. Then Goyette hit again less than two minutes later on a power play.

New York's victory snapped a three-game Toronto winning streak and vaulted Rangers into third place in the NHL standings, just two points behind the second-place Leafs and three behind first-place Detroit.

It was the first loss in nine starts for Sawchuk, who has been sharing Toronto's goal-keeping job with Johnny Howe in the summer, draft had six victories and two ties and boasted the best net-minding average in the league before running into Rangers.
