Court Of Appeal Hears Cattle Possession Case

An appeal from a conviction of possession of stolen cattle by Charles William MacQuarrie, South Rustico, was adjourned to Jan. 31 for judgement by Chief Justice Thane A. Campbell, Mr. Justice Mark R. MacGuigan and Mr. Justice George J. Tweedy in Court of Criminal Appeal at Charlottetown yesterday.

MacQuarrie had been sentenced to three two-year sentences, to be served concurrently in Dorchester Penitentiary, on three counts of possession of stolen cattle, by Judge C. St. Clair Trainor.

John P. Nicholson, counsel for Mr. MacQuarrie, based his appeal on his feeling that there was "no direct evidence as such, that anybody had committed a crime".

In discussing the rights of MacQuarrie under the law, he noted that the police did not at once warn him in the required manner, that anything he said could be used as evidence at his trial. Mr. Nicholson said that the "evidence is invariably used against him (the accused) even though he isn't told that."

Mr. Nicholson protested the fact that MacQuarrie wasn't taken to see the cattle in an attempt to identify them, although the Crown witnesses were.

An appeal to have the original sentence shortened to three months in Queens County Jail, in the case of a judgement against Mr. MacQuarrie, was put forward by Mr. Nicholson. He based this suggestion on a case which was heard before Judge Trainor some time ago, when a woman found guilty of stealing $22,000 was given a suspended sentence so she could remain with her children and care for them.

He pointed out that it was hardly fair to be so severe with MacQuarrie when the value of each animal was only $70, and because he is the sole means of support for his wife and two preteenaged children.

Alan K. Scales, Crown prosecutor, recommended that the original sentence stand.

Chief Justice Campbell, in adjourning the case, noted that "the case presents new and rather important problems" and felt that they were not prepared to present a judgement at this time.

'63 Outstanding Year At St. Paul's Church

Rev. Louis Elias, rector of St. Paul's Anglican Church said the church has had an outstanding year, spiritually, financially, socially and in the field of youth work. The annual meeting of the church corporation was held Monday night in the parish hall.

A large number of parishioners were in attendance and all church organizations reported increased activity and a definite upswing in attendance at meetings with a resulting increase in membership.

The Church properties have been receiving a great deal of attention during the past few years with the result that the buildings and grounds are now in much better condition than they have been in for years.

Rev. Elias emphasized how very important to the well-being of the parish was religious education and in order that this educational program be carried out successfully, major renovations would have to be carried out within the parish hall.

The following were elected to the select vestry of St. Paul's for a term of three years:

Presley Bridges, James Haslam, John Murphy and George Anderson who replaced Dr. Frank Jelks, William Stevenson, W.R. Brennan, and Allison Gill whose term of office had expired.

The Select vestry is now composed as follows: Rev. Louis Elias, rector and chairman; James Haslam, finance warden; George Ives, property warden; Orin Simons, vestry clerk; Donald Samson, treasurer. Members of vestry, Dr. Temple Hooper, Daniel Tweel, Eric Tedford, Andrew Likely, Donald Ross, Presley Bridges, John Murphy and George Anderson.

Mrs. Leith MacLeod was appointed envelope secretary.

George Thompson, FRCO, (CHM) ARCM, is organist and choir director. Tom Gardham is the sexton.

Donald Samson and Edward Millar were elected representatives to the Diocesan Synod of Nova Scotia, with George Whiteside and John Morris as alternate delegates.

B. Mahon, A. Gill, W. Stevenson, and B. Carr were elected representatives to the Diocesan Church Society.

A meeting of the select vestry followed the annual meeting and this was followed by a lunch served by the ladies of St. Paul's Parish Guild.

58 Student Rejects At PW College

Registrar of Prince of Wales College, Gordon Bennett said yesterday that out of 765 students at the college, 58 of them were not allowed to return to classes, following the Christmas examinations.

In a prepared press release, Mr. Bennett said of the 58 a total of 20 were "repeaters who at PWC, as in most institutions, are required to drop back a year if they don't pass midterm examinations on the second try.

"Eight were conditioned students who entered with low standing and were admitted until Christmas on a trial basis. Sixteen students of the first year had six or more failures and were advised to return to grade 10.

"The remainder were students with such low marks that there was no hope of their making their year."

Mr. Bennett said all records of weak students are carefully scrutinized by a faculty committee on standards.

Supreme Court Hears Appeals And Civil Suits

Mr. Justice R.R. Bell handed down six judgments in the Prince Edward Island Supreme Court yesterday morning.

In the case of the appeal of Lloyd Inman against a conviction by Magistrate W. Chester S. MacDonald, under the Highway Traffic Act, the appeal was dismissed with costs.

In the case of the appeal of Boyd Archibald Bernard, against a conviction by Magistrate MacDonald, under the Excise Act, the appeal was allowed with costs.

In the case of John Henry Reid, appealing a conviction by Magistrate A.J. Haslam, charged under the Highway traffic Act with being a resident of the province and purchasing a motor vehicle outside the province and bringing it into the province failed to transfer the registration within 10 days.

Reid was fined $50 and costs or 30 days by Magistrate Haslam on May 24, Mr. Justice Bell dismissed the appeal but reduced the fine from $50 to $10.

In the case of George Reid, appealing a conviction by Magistrate Haslam, charged under section 28 of the Liquor Control Act, for unlawfully selling liquor to another person, had his appeal allowed and the conviction quashed.

The conviction in this case had resulted in a fine of $200 or 30 days.

Judgement was delivered upholding a codicil to the last will and testament of Elizabeth Mae Palmer, late of O'Leary.

The codicil was attacked on the ground of lack of due and proper execution.

In this case Richard Hinton acted for the executors of the estate, and Neil MacLeod and H.L. Palmer QC acted for the caveator.

In the action of Raymond Burghard against Cockshutt Farm Equipment Ltd. judgement was delivered in favor of defendant, dismissing the plaintiff's action.

Burghard was suing Cockshutt for $8,134 damages, on a claim of breach of contract.

Marshfield Presbyterians Establish New Organ Fund

St. Columba Presbyterian Church, Marshfield held its annual meeting in the church recently with a large number in attendance. The meeting opened with a short worship service conducted by the pastor, Hugh Lowry who presided for the evening with Mrs. Cedric Ballem acting as secretary.

The financial statement revealed that all pledges had been met and that all the accounts had been paid. The allocation for the budget had also been met.

Mrs. Athol MacBeath reported a very successful year for the Ladies' Aid stating that it had contributed towards the stipend of the minister, a donation towards the salary of the janitor, paid part of the labor of painting the church, had jointly with the Harrington congregation made some repairs and added things to the manse, that a piano had been jointly purchased by the two congregations and placed in the manse.

Mrs. Cedric Ballem reported a good year for the WMS which had made a donation to Camp Keir, also towards the project for Miss Mary MacKenzie, presbytery deaconness, that the COC and Explorer groups were in a healthy state and had a good year.

The Sunday School report given by Talmage Foster in the absence of David Foster showed a successful year. The chairman read the Senior High report.

The session report was read by Earl Foster, clerk of session, showing that a number of children had been baptized and that five had come into full membership of the church during the year.

The auditors report was given by Mrs. Earle Foster. The trustee board report for the year was given by the chairman, Allison Scott.

The meeting accepted the budget allocation as set by the presbytery for the year 1964. A letter was read from Rev. Peter Ruddell informing the congregation that a campaign for funds for Presbyterian College, Montreal was in progress and it was unanimously decided to accept the suggested allocation.

With the congregation celebrating its 100th anniversary of the present sanctuary and as the project for the year was the purchase of an electric organ, Earl Foster was appointed treasurer for the organ fund. The congregation is asked to send in suggestions as to how it thinks the centenary should be celebrated.

Following the appointment of the trustees, Minto Foster was named chairman for the year and Scott MacArthur, secretary-treasurer.

Veteran Councillor, Arthur Gormley To Seek Re-election

ARTHUR GORMLEY

Veteran Ward 1 representative, Arthur Gormley, "dean" of City Council with 14 years service, last night announced his intention to again be a candidate in the civic election of Feb. 12.

Mr. Gormley, admittedly waiting to announce his candidacy, said he had consulted several businessmen and citizens of the ward and was warmly urged to come out again. "They expressed satisfaction with the way I had looked after the interests of Ward 1", he said, and this coupled with similar suggestions from other voters led to his decision.

The veteran councillor has been operating his own business, the Charlottetown Shipping Service and Stevedoring Company, for several years past.

He is chairman of the public property committee in the present council and over the years has served on all standard committees excepting finance. He was chairman of the police committee for six years.

Although rumors have been heard of competition for Mr. Gormley, with the name of Arthur McInnis, insurance broker, prominently mentioned, no definite statements have been made as to intentions.

RUMORS FLY

In the meantime election rumors continue to fly, but last night they centred around Ward 6 with at least two new names being mentioned in several places.

Those rumored as giving serious consideration to being candidates include Ivan Doherty, Riverview Drive, widely known in Island sporting circles particularly for his connection with hockey and various promotional efforts.

Another name heard in connection with Ward 6 is that of Dr. Douglas MacDonald, a son of Lieutenant-Governor W. J. MacDonald, and well known in other political fields.
