GREAT P. E. ISLAND REMEDIES!
 WILLIAM R. WATSON would direct public attention to the annexed original Preparations, which he guarantees to be all that he claims for them, viz., the best Medicines of the kind ever offered to the public. Immovable certainties, of the highest authority, might readily be adduced as to the efficacy of each, but the universal celebrity they have attained throughout this Island where they are manufactured, and consequently best known, renders it unnecessary.

Balsamic Syrup.
 AN INVALUABLE REMEDY FOR COUGHS, COLDS, HOARSENESS, ASTHMA, CHRONIC COUGHS, INFLUENZA, DIFFICULTY OF BREATHING, AND ALL DISEASES OF THE LUNGS, AND PULMONARY COMPLAINTS.
 This Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseuess in the Throat, &c. It operates by dissolving the congealed phlegm, thereby causing a free expectoration.
 Those who are troubled with that unpleasant tickling in the throat, which deprives them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle will, in most cases, effect a cure.
 Where a gentle aperient is required, take an occasional dose or two of "WATSON'S DYSPEPSIA BITTERS." They operate without producing those unpleasant and often distressing effects which frequently continue for a day or two after taking powerful medicine.

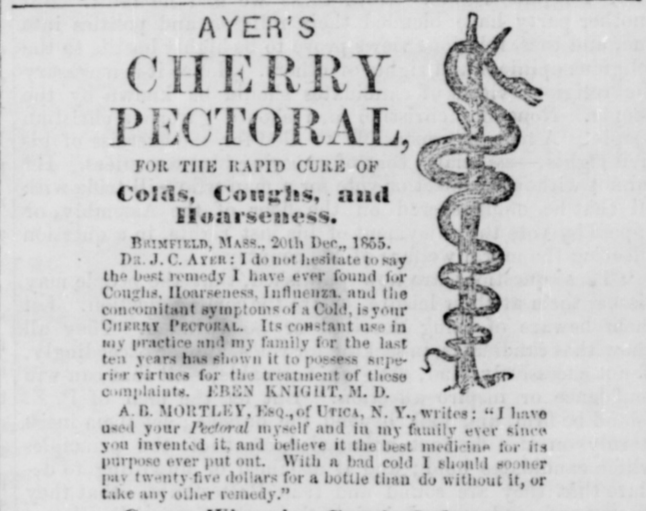

Dyspepsia Bitters.
 AN INVALUABLE REMEDY FOR DYSPEPSIA, OR INDIGESTION, JAUNDICE, BILIOUS COMPLAINTS, BAD BREATH, SICK HEADACHE, HEARTBURN, ACID STOMACH AND DIARRHŒA, AND ALL DISEASES HAVING THEIR ORIGIN IN COSTIVENESS, OR BAD DIGESTION.
 These Bitters will be found beneficial in the first stages of Diarrhœa or Dysentery, by taking half a teaspoonful at bed time, but when it fails, "WATSON'S DIARRHŒA MIXTURE" will be found a perfect remedy.

Dysentery & Diarrhœa Mixture.
 IS A SAFE, SPEEDY AND EFFECTUAL REMEDY FOR DIARRHŒA, DYSENTERY, COLIC, AND DISORDERS OF THE BOWELS GENERALLY—in ADULTS AND CHILDREN; AND IF PROMPTLY APPLIED IN CASES OF CHOLERA, WOULD BE PRODUCTIVE OF THE HAPPIEST RESULTS.—AS IT QUICKLY RELIEVES ACUTE PAIN, DISPELS FLATULENCE, SUBDUES PURGING, AND COMFORTS AND INVIGORATES THE WHOLE SYSTEM.
 "The public will please observe, there is a Seal—'Watson, Druggist, P. E. Island.'—upon the Cork of each Bottle, and that on the back (in part) of each Bottle there are these words: 'W. R. Watson, Charlottetown, P. E. Island,' without which none are genuine."
 Charlottetown, Jan. 11, 1858. Jy

A certain Remedy for Colds and Influenza.
 AT a time, like the present, when there appears to be a kind of epidemic affecting the citizens, as well as the Island generally, in the shape of a kind of Cold or Influenza, accompanied, in most cases, with a severe Cough, I think it a duty which I owe to the public to make known to them an article that will entirely remove this malady. Dr. Johnson's Anodyne Linctus is, in my opinion, one of the very best articles to cure a Cough that ever came to this Island. This is no quack preparation, but one meeting the approbation of the Medical Profession, the most eminent of whom bear willing testimony to its wonderful efficacy. The inventor of this Linctus was in the practice of Medicine for nearly twenty years, and perfected it from year to year in his practice. Taken internally, it is a safe and effectual cure for Inflammation of the Bronchæ or Bronchitis, Rose Cold, Hard Dry Cough, Whooping Cough, Hoarseuess and Common Cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise; Asthma and Influenza; for Sore Throats and Weak Lungs. Externally it will have the most happy effects in all cases where any other Linctus would be used, especially for Rheumatic Affections, Stiff Joints, Chibblains, Chapped Hands and Sore Lips. I am not in the habit of puffing up, on my own account, any patent Medicine—although I sell all kinds—but am induced to bring this article before the public from a pure motive. I know it to cure, within these last ten days, several persons of very bad Coughs, when all other remedies failed. I have seen persons suffering from the Asthma relieved by this Medicine in a few minutes. It is not generally known that it is used internally, as most all Linctuses are applied externally; this will account for my remarks regarding it.
 Persons may obtain this Medicine in almost all Stores throughout the Island. In Charlottetown, from T. Desbrisay & Co., W. R. Watson and M. W. Skinner, Wholesale Agent for P. E. Island, who will supply dealers at proprietors' prices.

AYER'S CHERRY PECTORAL,
 FOR THE RAPID CURE OF
Colds, Coughs, and Hoarseuess.
 BIRMINGHAM, Mass., 20th Dec., 1855.
 Dr. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseuess, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. Its constant use in my practice and in my family for the last year has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D.
 A. B. MOULTON, Esq., of Utica, N. Y., writes: "I have used your Pectoral myself and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."
 Croup, Whooping Cough, Influenza.
 BIRMINGHAM, Mass., Feb. 7, 1856.
 BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the chest disease of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.
 AMOS LEE, Esq., MONTREAL, La., writes 20th Jan., 1857: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your Pectoral by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicine is, as the choicest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the poor man's friend."
 Asthma or Phthisis, and Bronchitis.
 WEST MANCHESTER, Pa., Feb. 4, 1856.
 Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Mercantile.
 A. A. RAMSEY, M. D., ALEXANDRIA, MONROE CO., LOUISIANA, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."
 We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.
 Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.
 ASTOR HOUSE, NEW YORK CITY, March 5, 1856.
 Doctor AYER, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing; until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We tried his kindness, as we do your skill; for several days recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well.
 WOUNDS WITH GREAT SUCCESS. OLLAND SHEELY, of SHELLVILLE.
 Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—Philadelphia Ledger.

HOLLOWAY'S PILLS.
 THE EXCITING CAUSE OF SICKNESS.
 The blood is the life-sustaining agent. It furnishes the components of flesh, bone, muscle, nerve and integument. The stomach in its manufactory, the veins its distributors, and the intestines the channels through which the waste matter rejected in its production, is expelled. Upon the stomach, the circulation and the bowels, these Pills act simultaneously, relieving indigestion, purifying the fluids, and regulating the excretions.
 THE NATIONAL COMPLAINT.
 Dyspepsia is the most common disease among all classes in this country. It assumes a thousand shapes, and is the primary source of innumerable dangerous maladies; but whatever its type or symptoms, however obstinate its resistance to ordinary prescriptions, it yields readily and rapidly to this searching and unerring remedy.
 BILIOUS AFFECTIONS.
 The quantity and quality of the bile are of vital importance to health. Upon the liver, the gland which secretes this fluid, the Pills operate specifically, infallibly rectifying its irregularities, and effectually curing Jaundice, Bilious Remittants, and all the varieties of disease generated by an unnatural condition of the organ.
 A WORD TO FEMALES.
 The local debility and irregularities which are the especial annoyance of the weaker sex, and which, when neglected, always shorten life, are relieved for the time being and prevented for the time to come, by a course of this mild but thorough alterative.
 USED THROUGHOUT THE WORLD.
 Holloway's Pills are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.
 ALARMING DISORDERS.
 Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution, at the same time.
 GENERAL WEAKNESS.—NERVOUS COMPLAINTS.
 When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility. Holloway's Pills are the best remedy known in the world for the following diseases:—
 Age, Dysentery, Liver complaints, Tons, Bilious Complaints, Erysipelas, Lumbago, Female Irregularities, Rheumatism, Pains, Bowel Complaints, Fevers, all kinds, Retention of Urine, Constipation of Gout, Scrofula, or King's Evil, Weakness, all kinds, Consumption, Head-ache, King's Evil, Debility, Indigestion, Sore Throats, Dropsy, Jaundice, Stone and Gravel, Secondary Symp.

Sold at the Establishments of Professor Holloway, 244, Strand (near Temple Bar) London, and 80, Maiden Lane, New York; also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 3d 3s 3d, and 5s each Box. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Box.

Ayer's Cathartic Pills.
 THE sciences of Chemistry and Medicine have been taxed their utmost to produce the best, most perfect purgative which is known to man. Innumerable proofs are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all men. They are safe and pleasant to take, but powerful to cure. Their penetrating properties destroy the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone with strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill, and which they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suggestion of a doubt. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.
 The Agent below named is directed to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:—Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a full stomach, Nausea, In Digestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Eruptions and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.
 Do not be put off by unprincipled dealers with some other pill that make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.
 Prepared by Dr. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. Price 25 Cts. per Box. FIVE BOXES FOR \$1.

 A. J. WHITE & CO., Sole Proprietors, 50 Leonard Street, New York.

THIS philanthropist has spent the greater part of his life in travel, having visited Europe, Asia, and Africa, as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid.
 When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sadorific which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectant, that opens and unblocks the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities by the bowels.
 From the above, it is shown that Dr. Morse's Indian Root Pills do not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear. The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the affected parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.
