The Same... Old Sarsaparilla.

That's Ayer's. The same old sarsaparilla as it was made and sold by Dr. J. C. Ayer 50 years ago. In the laboratory it is different. There modern appliances lend speed to skill and experience. But the sarsaparilla is the same old sarsaparilla that made the record—50 years of cures.

LOCAL AND OTHER ITEMS

The Liberal Conservatives have engaged the Lyceum as their Campaign Rooms, from this date till after the Election. This Hall will be open every day and evening. All friends of the party are expected to attend, and will be made welcome.

St. Peter's—Rev. Geo. I. Foster will preach in St. Peter's Church to-morrow evening.

B. I. S.—Regular monthly meeting to-morrow at 3 o'clock p. m. A full attendance is requested.

HEARTZ'S HALL.—Rev. Mr. Reagh will preach at Hartz's Hall tomorrow afternoon at three o'clock.

SONG SERVICE at the Gospel Meeting in the Y. M. C. A. tomorrow afternoon at 3.45. Everybody welcome.

CALEDONIAN CLUB—Adjourned meeting at Club Rooms Tuesday next, July 6th, at 8 p. m. Business relating to the Scotch gathering.

ANNUAL PICNIC.—St. Paul's Church Sunday School annual picnic will be held at Suffolk on Thursday, July 8th. See advt. on Monday.

Mr. H. J. PALMER, Stipendiary Magistrate for Queen's County, this morning further postponed the Curran-Webster case for one week. This postponement was made in the absence of Mr. Webster and his counsel.

FOUR MEN LOST.—The hull of the small fishing schooner Alice, from the Magdalen Islands, came ashore at Black Bush, near Souris, yesterday. She had been manned by four men, all of whom were lost. Their names are unknown.—Guar.

BAPTIST ASSOCIATION MEETING.—The Baptist Association of Prince Edward Island met in Bedeque yesterday. Upwards of eighty delegates reported. The meetings were full of interest and in spite of the weather were largely attended. Sunday school work was discussed in the afternoon and a very able paper was read by Rev. W. H. Warren of Bedeque. The evening service was given up to Young People's societies and was addressed by numerous speakers.

CHEAP BICYCLES.—A late New York despatch says: The bicycle pool is broken. After years of organization the ironclad agreement has gone to smash, and with it the price of high-class wheels have slumped. The Pope Manufacturing Company announces that the price of the Columbia '97 has been reduced 25 per cent. The John P. Lovell Arms Company came forward with a similar announcement. It is believed the big bicycle rate war is on, and the public will get some cheap wheels this summer.

Mrs. BREWER REMEMBERED.—At the close of the prayer meeting in the Central Methodist Church last evening, the ladies of the congregation waited on Mrs. Brewer at the parsonage and presented her with a handsome gold brooch with diamond settings and \$10 in gold. The presentation was accompanied by an address befitting the occasion. Rev. Mr. Brewer, as is now generally known, goes to Marysville this year, and the ladies of the church by their presentation last evening gave expression to the very kind feelings and high esteem entertained by them for Mrs. Brewer.—Moncton Times.

A TREAT IN STORE.—In the Kindergarten Hall on next Tuesday evening commencing at 8 o'clock will be given a condensed dramatization of George Eliot's "Adam Bede" with orchestration by Miss Mabelle Bryant, of New York. After a perusal of Miss Biggart's testimonials we think it is quite safe to say that a rare treat is in store for all who intend to avail themselves of the opportunity. Miss Biggart comes highly recommended, and when we say that part II. of the entertainment will consist of a tableau of song by Miss Aimee C. Jones, who will repeat by request some of her most popular numbers, we think enough has been said to secure for these talented young ladies a large audience. The performance is for the partial benefit of the P. E. Island Hospitals.

A BAD CUT.—On Thursday afternoon last, Joseph Murphy, a young man of this town, while endeavoring to break in the door of a restaurant from which he had been ejected, smashed a pane of glass with his right hand, and in doing so inflicted two fearful cuts in his wrist. One of the cuts completely severed the artery, and he lost a lot of blood before the flow was arrested. He was taken to Mr. J. S. Cook's where Mr. Jas. Macdonald, V. S., and Mr. Bradley, a medical student from Charlottetown, arrested the terrific flow of blood, and Drs. McLeilan and McPhail were soon on the scene, tied the artery and dressed the wound, which will leave the young man unable to work for some time to come.—Summerside Journal.
