NEW YORK

NEW YORK (AP) — Stock market trading interest was scattered Monday among a variety of issues and the list as a whole showed no particular drive in either direction.

Gains and losses were intermingled. Although in the overall market gainers outnumbered losers, the popular market averages were contradictory.

General Motors, whose dividend boost was credited with much of last week's general market improvement, was selling lower ex-dividend, and this tended to depress the market barometers in which it figures heavily. GM was off ⅝ at 71¾.

The Dow Jones industrial average dipped .29 to 723.01. Standard and Poor's 500-stock index eased .04 to 70.48.

Brokers said it was natural for profit-taking to muddle the market following the strength shown late last week. Brokers said the sending of federal troops into Alabama may have caused a degree of constraint among some investors.

Weekly steel production returned to the upbeat after last week's interruption of a prolonged week-to-week rise. Major steel shares, however, edged off. Motors, despite another forecast of a boom year, were irregular.

The Associated Press average of 60 stocks edged upward .2 to 272.5, another historic high in the latest series.

Volume slipped to 4,930,000 shares from Friday's 5,260,000.

Among Canadian shares, McIntyre Porcupine closed ⅝ lower, and International Nickel and Canadian Pacific were off ¼. Distillers Seagrams and Walker-Gooderham were ½ higher.

Prices on the American Stock Exchange were irregularly higher. Scurry Rainbow Oil gained ¼. Jupiter Corp. and Brazilian Traction lost ⅛.

TORONTO

TORONTO (CP)—After showing a moderate gain around noon, industrial gains were mostly halved at the close of fairly heavy trading Monday.

The exchange index showed industrials ahead 1.61 to 645.45 at 1 p.m. but dropped to 644.69 at the close. Western oils, higher through the entire session, closed at a new 1963 top and golds were narrowly higher. Base metals eased slightly.

Three active speculatives accounted for more than one-third of the session's volume—Purdex with 1,039,000 shares, El Sol with 650,000 and Cusco with 264,000 Purdex recorded the largest change with a drop of 10 cents to 29½.

The large volume on El Sol followed an announcement of the underwriting of 250,000 shares of the stock at 10 cents a share. An additional option on 750,000 shares was granted for prices ranging from 15 to 30 cents a share.

Leading industrials included Interprovincial Pipe Line and Canada Malting, both up a point, B.C. Telephone, ahead ⅝ and Dominion Bridge, up ½.

Rising in a ¼ to ⅜ range were Royal Bank, Imperial Tobacco, Consolidated Paper, Consumers Gas and Shell Oil.

On index, industrials were ahead .85 to 644.69, golds rose .02 to 88.17 and western oils advanced 1.23 to a new 1963 high of 125.59. Base metals slipped .28 to 216.43. Final volume was 4,369,000 shares compared with 3,727,000 Friday.
