

# Now that you're in university-what are your plans?

You need a plan. So you know where you're going. Financially. And academically.

We have a good career plan. It's called the Regular Officer Training Plan (ROTP).

ROTP pays your tuition and most other expenses while you earn a degree in Engineering, Sciences, Or Arts.

Under our plan you continue your studies right where you are.

You'll have no summer employment problems as ROTP pays you while you train to be an officer. And you'll get 30 days paid vacation each year.

For more information on our plan, contact your local Canadian Forces Recruiting and Selection Unit at:

129 Queen Street

Charlottetown, P.E.I.

Phone 892-2611
