

# B.Y.C. Shade Saints 6-5 In Fast Overtime Battle

Leftwinger Frank Shepherd back handed a goal at the 4:30 mark of the overtime period to give the Basilica Youth Club a 6-5 decision over St. Dunstan's in a fast Island League Hockey game at the Sports Arena last evening.

Shepherd parked in front of the Saints cage, took a pass from Spy Ready, to give the B.Y.C., a victory in their first start of the season.

The youth clubbers had led on four other occasions during the exciting contest but lost it every time to the fighting Saints. The Saints took a 4-3 lead on the B.Y.C. early in the third frame and the B.Y.C. had to go earn their victory the hard way.

Brain Lewis led the B.Y.C. attack with a pair of first-period goals that gave the B.Y.C. a 2-1 lead as the first 20 minutes of play ended. The Saints outscored the winners 2-1 in the second period to go into the third at a 3-3 stalemate and both teams notched two in the last canto. To set the stage for Shepherd's dramatic overtime marker that ended a very hard-fought tussle.

Referees John Richard and Walter Lawlor called 14 penalties including a misconduct to Merrill Pineau of the B.Y.C. Eight of the sins were committed in the first period.

### LEWIS OPENS SCORING

Brian Lewis sent the B.Y.C. in front at 13:01 after he had missed an open net seconds earlier. Ready and Charlie MacDonald set him up on the play. Jean Veilleux tied things up about 2 minutes later on a picture play with his line. As Jack MacDonald and Buck Davey, Jack MacDonald started the play in his own zone and relayed on to Davey who carried to the B.Y.C. blueline. Davey set Veilleux into the clear on a beautiful pass and the big rightwinger made no mistake.

Brian Lewis was back again a minute and 23 seconds before the period ended to score on a pass from Frank Shepherd and give the B.Y.C. another temporary lead.

roughing. When Pineau was given an extra 10-minute misconduct penalty, Arnold Mullins and Min-

er MacDonald of the Saints were sent off only seconds apart, both for holding, and while they were cooling their heels Lewis scored his first goal.

Jerry Burns tied the game for the Saints time only 1 minute and 50 seconds after the second canto got underway. Joe Coyle put the B.Y.C. in front again on a pass from the blueline but 2 minutes and 47 seconds later Rodney MacInnis tied the score once again on a pass from Burns and the period ended that way.

Three penalties were handed out all to Joe Coyle of the B.Y.C.

rugged pace of the game taking its toll it looked as if it was all over. But Buck Davey who was the best man for the Saints on the ice all night, grabbed a puck in his own zone and raced the length of the rink to score his first goal of the game to send the game into overtime.

Both squads were dead tired during the extra 10 minutes of play and as a result the pace was something less than fast.

Wally Shepherd started the play that resulted in the final and winning goal when he grabbed the puck in a corner of the Saints zone. He slipped it back to Spy Ready at the blueline, who in turn relayed to Shepherd unguarded in front of the Saints goal. The goalie had little chance on his backhand. After that the Saints came back fighting and although they came close couldn't get that big equalizer.

## Capitals Coast To 6-4 Victory Over Ramblers

FREDERICTON (CP)—A commanding lead after the second period allowed Fredericton Capitals to coast to a 6-4 win over Tuesday night and end the game only one point below Amherst in the Atlantic Coast Senior Hockey League.

Caps gained a 3-2 edge during the first session, increasing it to 6-1 in the second. Hank Therrien shot the only tally of the final frame and his second of the night.

Buck Whitlock picked up a brace and one assist for Capitals while playing coach Hughie Leclerc and Ralph Miles each had one and one. Bill McDonagh and Bernie Macdonald were the other Fredericton scorers.

In addition to Therrien, Shermie White and Emmett Kennedy tallied for Amherst. Both Therrien and Kennedy recorded an assist.

## Cubs Trade Randy Jackson To Brooks For 2 Players

CHICAGO (AP)—Chicago Cubs Tuesday traded their long-ball hitting third baseman, Randy Jackson, to Brooklyn Dodgers for third baseman Don Hoak and outfielder Walk Moynihan in the first of a two-part deal.

Officials of both clubs said another exchange of players will follow next week, but there was no indication what players would be involved.

The trade came at the close of the major league winter meetings and marked the only deal accomplished at the sessions although several others were rumored strongly.

## Nashua And Other Horses Will Go To Highest Bidder

NEW YORK (AP)—Executors of the estate of William Woodward Jr. announced Tuesday that Nashua, the three-year-old champion of 1955, and other horses of the Belair Stud will be sold to the highest bidder.

The sale of the Belair stable, one of the most prominent in the United States, has been rumored since the death of Woodward, Oct. 30. The executors, the Hanover Bank and John W. Ludewig, called for sealed bids to be received not later than 11 a. m., Thursday, Dec. 15, 1955.

Thereafter they will be opened by the executors and the successful bidder notified, said the Bank for the late sportsman. "All bids must be accompanied by a certified cheque for 10 per cent of the amount bid or they shall be void."

There have been various estimates of the value of Nashua, second biggest money-winning horse in the world. Nashua earned \$752,550 by winning 10 or 12 races this year—the most ever picked up by a thoroughbred in one season. His total earnings are \$945,415 and he stands second in Citation, who retired with \$1,085,750.

## Baseball World Mourns Death Of Honus Wagner

PITTSBURGH (AP)—Time ran out for Honus Wagner and the baseball world Tuesday mourned one of its all-time great stars.

The bandy-legged, broad-shouldered Honus died quietly in his sleep in his suburban Carnegie home where he had been confined for months by the illness of old age. He was 81.

Commissioner Ford Frick said: "His feats will live forever. His death is a great loss to the game."

The great Pittsburgh Pirate shortstop indeed had left his mark on the sport that was his love and all his life. Still written in the record books are many of his accomplishments, likely to stand for years or maybe so long as baseball is played.

Honus, who ended his career as a major league batter and fielder in 1917, was one of the first choices for the sport's Hall of Fame 19 years later.

Playing in the era of a "dead" ball and great pitchers who threw spitballs, "shine" balls and other deliveries now barred, he led the National League in batting eight years, compiled a lifetime .329 average and never fell below the magic 300 mark in 17 successive major league seasons.

He played 100 or more games for 19 years in succession, owns league records with 2,785 games, 10,427 times at bat, 1,740 runs scored, 3,430 base hits, 4,888 total bases.

Afield his bowed legs churned up astonishing speed as he stole 720 bases and speared countless batted balls.

Great batter, great fielder, great runner, great competitor, Wagner had all that was needed on every score in his playing days.

New testimony to that came Tuesday from another baseball immortal, and one of Honus' playing-day rivals.

"Honus Wagner was the greatest ball player I ever knew," said Ty Cobb.

## Lefty O'Doul New Manager Of Vancouver

OAKLAND, Calif. (AP)—Clarence (Brick) Laws, president of the Vancouver Mounties, newest franchise holder in the Pacific Coast League, announced Tuesday he has appointed Frank (Lefty) O'Doul to manage the team.

As 1955 manager of the Oakland club owned by Laws, O'Doul was reported to have been paid \$18,000 a year. The Oakland club has disbanded.

O'Doul, 58, managed San Francisco Seals for almost 20 years, then went to San Diego where, in 1964, he won the coast league pennant.

## Gordon Wallace Decisions Light-Heavy Contender

LONDON (Reuters)—Gordon Wallace of Bradford, Ont., Tuesday night won a 10-round decision over Terence Murphy of London, contender for the British light-heavyweight title.

The verdict was unpopular with loud booing drowning out some cheers for the Canadian.

Wallace, who six weeks ago knocked out Randy Turpin, former world middleweight champion, opened in workmanlike style.

He scored with left and right swings to the head and opened up a slight cut over Murphy's right eye in the first round.

After a sluggish start, Murphy took command from the fourth round to the seventh. He began to outbox Wallace and steadied him with stiff left jabs and hard rights. Wallace tried to retaliate but found Murphy a difficult target.

The last three rounds provided a tough battle of punch and counter-punch in which the Canadian finishing stronger, put in some good work in the last round.

## N.L. Batters To Wear Headgear

CHICAGO (AP)—The National League voted Tuesday to require all players to wear protective headgear while batting.

There was considerable discussion of the proposal and although the vote was not announced, several officials raised objections.

The American League does not have such a mandatory rule.

## REMEMBER WHEN

By THE CANADIAN PRESS Joseph Cattarinich, colorful Canadian sports promoter, died 17 years ago today in New Orleans.

One of the continent's prominent racetrack owners, he was also part owner of the Montreal Canadiens hockey club and the discoverer of Georges Vezina, often called the greatest hockey goalie of all time.

## Olson Reads Comic Books While Waiting For Bout

CHICAGO (AP)—Aside from galloping over Lake Michigan's beach, lifting his bed by his teeth and other sturdy calisthenics, Bobo Olson Tuesday was ready to settle back with his comic books and wait for his Friday night title match with Sugar Ray Robinson.

The middleweight champion boxed five rounds at his improvised gym in the Parkway hotel ballroom and weighed in at 163 pounds, three more than he will have to scale at Chicago Stadium ceremonies at Chicago Stadium Friday noon.

Sid Flaherty, Olson's manager, said his Bobo has wound up the boxing phase of his training and now will taper off with early morning runs and light drills.

"Bo is getting crabby and edgy. That's a fine sign. Every time he does that before a fight, I know he's ready. He's ready right now."

Meanwhile, the 35-year-old Robinson—who kayaked Olson in the 12th in 1950 and took close 15-round decision from his two years later—ended his boxing routine weighing 160 pounds on the head.

The current odds are about 2 1/2 to 1 against Robinson becoming the first fighter to regain the middleweight crown twice. And the Harlem Dandy says they probably are justified.

"After all," he smiled, "one is right more times than wrong if he stays with champion—the record books show that. But I didn't come to Chicago to lose."

## CARS OF THE LINE

By Earle G. MacLeod

Not long ago, before the TV people cleaned it up themselves, the Battle of the Neck lines was raging. Just as furious, but not nearly so fascinating a controversy is the automobile Horsepower Race. On one side of the fence you have people saying it's scandalous tooling-up to put a 100 mile an hour car in the hands of every half-wit. Or

on the other side, added horsepower is a safety factor, a reserve of quick power the value of which you can only appreciate when you're in a tight highway spot and suddenly need it.

Before we can judge, we need a few facts. Fifteen of the 18 new cars boosted their top horsepower rating in 1955. The average increase over 1954 was 17 horsepower.

The most powerful engine in each manufacturer's line averages 160.9 horsepower, which is a higher rating than any single automobile had in 1950. In 1954 for the first time, every standard make of car had at least one engine topping 100 horsepower. Some develop more than 200 horsepower and experimental engines have been run that develop 400 horsepower.

The important thing to remember, I think, is this: when a car is on the highway, it's a lot safer if highway speed is not also its maximum speed. It's more comfortable, and that flexible reserve will pull you out of tight spots.

It's a point for debate and that's briefly the pro-horsepower side. The strong competition of the last few years has meant one good thing: a goodly supply of above-average used cars, lots of top performers at amazingly reasonable prices.

So drop around and see for yourself what some of these good late models are like.

At this time of year a lot of people inquire for a cheap used car for the bad roads so this week we are featuring the following cheapies.

1946 Chev 2 door, new paint job, easy to start these cold mornings. \$350 takes her home.

1947 Ford 1/2-ton, good shape, good compression, easy starting. Yours for only \$295.

1944 Dodge 1/2-ton, this will take you over the rough roads for only \$180.00.

1937 Chev 4 door. Come and start it for \$65.

1943 Chev 2 door. Yours to drive away for \$55.

1950 Dodge 4 door. Here's a buy to warm the heart of the canniest Scotsman at \$400.

1947 Austin 4 door \$165.

## Major Leagues Turn Down Most Of Players Requests

CHICAGO (AP)—The major leagues ended their joint winter sessions Tuesday after rejecting most of the players' requests.

The American and National Leagues turned down a \$7,200 minimum salary, unrestricted winter ball play, a limit to the number of bonus players and the right to be informed of negotiations for future radio-TV world series contracts.

The majors, who ended their meeting 24 hours earlier than anticipated, agreed to pay the players "outside" spring training expenses. Both leagues agreed to permit players to report prior to the March 1 spring training deadline if they desire and continued

## Canadiens Dump Grand Falls

GRAND FALLS, Nfld. (CP)—Montreal's junior Canadiens defeated the Grand Falls hockey team 7-2 here Monday night to continue their string of exhibition victories. Period scores were 2-0 and 3-1.

Both leagues turned down a proposal to permit exhibition games during the all-star game interval. The leagues were split on this matter and commissioner Ford Frick cast the decisive vote against it.

The National League went on record as commending Walter O'Malley, Brooklyn Dodger president, for his efforts to set up a major league TV game of the week with a share of the proceeds to go to the minor leagues.

The majors agreed to appoint a committee to meet with the minors to negotiate a new major-minor league agreement and to consider the minors' proposal to accept the winter baseball leagues as active members of organized baseball.

## Alouettes Sign Five Stars

MONTREAL (CP)—Montreal Alouettes of the Big Four Football League Tuesday night announced the signing of five of their star United States imports for next season.

Quarterback Sam Etcheverry, halfback Pat Abruzzi and end Hal Patterson were signed to two-year contracts, while tackle Tex Conliffe and end Red O'Quinn signed one-year pacts.

Club spokesman said the early signing is intended to avoid situations such as arose at the end of the 1954 season, when halfback Alex Webster signed with the New York Giants and Etcheverry signed with both the Chicago Cardinals and the Alouettes.

Etcheverry still had a year to go on a two-year contract but the Alouettes decided to add another year to the agreement. No terms were announced for any of the contracts.

## Elected Director

MONTREAL (CP)—Cooper Smeaton, former referee in the National Hockey League and a Stanley Cup trustee, has been elected a director of the Canadian Arena Company, which owns the Montreal Forum, it was learned Tuesday.
