Grain

WINNIPEG, Feb. 20—(CP)—Good shipper demand in oats stood out today as the main business feature of a dull session on the Winnipeg Grain Exchange. Offerings in this commodity were few but well-taken and prices displayed a firm tone. Demand was not so aggressive in barley. Rye came in for some outside demand in early trade, but once this dried up local selling moved in to dominate the market and prices declined. Exporters reported an active day, allocating 800,000 bushels of Canadian wheat to the United Kingdom, and another 132,000 to Israel. Class two wheat prices jumped up two cents, to \$2.18. Political Crisis Nears Climax In Nationalist China

By SPENCER MOOSA

TAIPEI, Formosa, Feb. 21 (Tuesday)—(AP)—Nationalist China's long-brewing political crisis neared an explosive climax today. Premier Yen Hsi-shan's office disclosed he is trying to resign, and the supreme war cabinet issued an ultimatum to Acting President Li Tsung-jen to return home by Friday or lose his job. Li went to New York in December for a stomach operation. Monday he sent word that he wants to return to China but that his doctor has advised against a long journey. The telegram demanding his return said that if he does not, Generalissimo Chiang Kai-shek will be asked to resume the presidency. Chiang "retired" 13 months ago to let Li make an unsuccessful attempt to negotiate peace with the Chinese Communists. Chiang has remained the dominant figure in the Government, however, and has continued to direct the war against the Reds almost without interruption.
