In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different. Back To Korea

Shown above is Ab. A. S. Walter Westhaver, who spent a few days at his home in Borden recently, before leaving on the Iroquois for Japan, where he will transfer to the Nooka for operations in Korean waters. This will be his second tour of duty in the Korean area.

O'Leary and Vicinity

Mr. Lorne Ellis, who is employed in Sarnia, Ontario, arrived at his home in O'Leary on Monday, April 21st. He will spend three weeks as the guest of his parents, Mr. and Mrs. Bill Ellis. This is Lorne's first trip home in eighteen months and his friends are giving the young man a very cordial welcome.

Mr. Edward Brooks, Summerside, was a welcome visitor to O'Leary on Tuesday morning, April 22nd. Mr. Brooks now makes his home in Summerside but is a former resident of O'Leary. He is one of the active laymen of the United Church in P. E. I., a Lay Preacher, one of the Elders of Trinity Church in Summerside, a delegate to Presbytery and has attended the General Council of the Church.

Miss Helen Shelton, who spent the past three weeks of her vacation in O'Leary, the guest of her mother, Mrs. Neary Shelton, left on Tuesday morning, April 22nd, for Ottawa, Ontario, where she will begin her final year's training as a student nurse in the Ottawa Civic Hospital. Miss Shelton is a graduate of the Unionville School and is active in Y. P. U. and O. G. I. T. work of the United Church of Canada.

O'Leary will be host to two important Church conventions this summer. The first is the Baptist Association of Prince Edward Island which will meet June 21st and 22nd and the second is the District Assembly of the Nazarene Church which will meet July 14th to 20th. Important speakers will address these gatherings. The spacious and convenient O'Leary United Church has been offered free of charge to both these church groups and the United Church services will be cancelled for the Sundays concerned. The people of O'Leary will give a hearty welcome to the visiting delegates and clergymen.

Let's Talk It Over

The people of Prince Edward Island generally will be four-square behind Attorney General, Hon. W. E. Darby in his crusade against salacious literature. Our newsstands have for some time now needed a thorough house-cleaning. Mr. Darby can still do considerable pruning without erasing on the side of prudery.

There is a frankness about our modern writers in their treatment of the facts of life which must be taken into consideration, of course, and if this treatment is honest as well as forthright, the choice may then well be left with the reader. But many of the cheap publications on sale are disgustingly lewd. We have a feeling that our Attorney-General has not yet scraped the bottom of this well of iniquity.

We hear that the Summerside Town Council will have full-time caretakers at our new Recreation Grounds this year. This is a step in the right direction, and shows that the town authorities intend to exploit this asset to our town's beauty to the full. We hope that the man who originated and fostered this project, Mayor Henry Wedge, will receive due recognition by having his name perpetuated in connection with the christening of this new recreation centre.

Patriotism, like fire, is a good servant, but a poor master. Intense and unreasoning patriotism has been the cause of many misunderstandings between countries, and these failures to see the other fellow's viewpoint sometimes lead to war. The ideal is a strong love for one's country seasoned with tolerance for other countries. The fellow who said: "My country, may she always be right, but right or wrong, my country" was patriotic, but such patriotism often leads to international strife.

SHOWING AT THE CAPITOL lined the training and adventures of stewardesses to a passenger who turned out to be one of M-G-M's top directors. From this beginning, the screen story of a stewardess gradually took form and one year later went before the cameras, with Jane Wyman, Van Johnson, Howard Keel and Barry Sullivan in the starring roles. "Three Guys Named Mike" is based on a story by Ruth Brooks Flippen, from suggestions made by Ethel "Pug" Wells, who was given leave from her duties as an American Airlines stewardess not only to act as technical adviser but also to play a role in the film.
