

InterVarsity Christian Fellowship

Greetings From IVCF !

We welcome you all back to school!!! We are a group of Christian students from various faculties and backgrounds who are interested in becoming your friends. Our principal binding interest is the common love that we have for our Lord Jesus Christ, and for you our fellow students. IVCF is truly committed to the spiritual welfare of students in various institutions around the world. IV chapters in educational institutions across Canada are student-run.

Through various conferences, conventions and other similar gatherings, IVCF groups from various regions, and sometimes nations, meet to encourage and learn from one another. In fact, the focus of all our activities is Jesus Christ.

Here at UPEI, we meet once a week in MAPUS LOUNGE in Bernadine Hall. Our meetings are interesting and quite informal. We sometimes invite people from outside of the university to lead our discussions; other times, a student, staff or faculty member may direct the discussion. We have discussed various topics in the past that have really benefitted a lot of people, thank God! We trust that God will lead us into some rather significant topics that will certainly stir up your pure minds and leave you with something to think about...SELAH!

We do take time to have "real" fun too. We engage in some sporting and other social activities like Bowling, Bottle Drives, GARBATHON and Beach Parties. We invite you to explore with us the exciting challenge of actively serving Christ on this University campus. More importantly, we wish you to know that we care. We will be more than willing to talk with you and answer questions that you may have about God, His Word and His people. Also feel free to contact us if you just need someone to talk to.
