MOOR PRETENDER'S TERRIBLE REVENGE

PARIS, June 4.—According to an account sent by a newspaper correspondent in Morocco, the pretender to the Moroccan throne is not to be trifled with.

During the recent carnival festivities at Melilla, a native interpreter figured in the procession as the pretender. The impersonation was distinctly burlesque, and the interpreter, who appears to have had some histrionic talent, amused the crowd considerably. A few days later, when the man was outside the walls of the city to visit a friend, he was seized and carried off to the pretender's camp.

There he was tried and condemned for the Moroccan equivalent of lese majeste, and was forthwith executed by being blown from the mouth of a cannon.

Piles Make Life Wretched

BUT THERE IS QUICK RELIEF FROM ITCHING AND TORQUING CURE IN Dr. Chase's Ointment

It may be truthfully stated that piles produce more excruciating pain, misery and wretchedness of feeling than any known disease. Life becomes a perfect burden during the attacks of itching, burning, stinging pains.

It is a great mistake to imagine that the effects of piles are local, for, as a matter of fact, they sap the vitality of mind and body and slowly but surely lead to the ruin of the health.

This is true of itching and protruding piles, which, because of the loss of blood, are more rapid in their disastrous effects.

Dr. Chase's Ointment brings almost instant relief from the itching, burning, stinging sensations of piles and is a positive and thorough cure for every form of this wretched, torturing and oftentimes stubborn disease. This has been proven in so many thousands of cases that there is no longer any room for doubt that Dr. Chase's Ointment is the most satisfactory treatment for piles that was ever discovered.

"To all sufferers from piles in any form I would recommend Dr. Chase's Ointment as the only cure. Over a year ago while in Boston I became afflicted with a dreadful itching. I went to a doctor who gave me some ointment which made me no better. A friend advised the use of Dr. Chase's Ointment and by the use of two boxes I was entirely cured. You may publish this statement in order that other sufferers may profit by my experience." Mr. Maxwell Taylor, Charlottetown, P. E. I.

Mr. John G. McDonald, Picton, N. S., writes: "I am writing to certify concerning the merits of Dr. Chase's Ointment as a cure for itching piles and to recommend it to any person suffering as I did, from that terrible disease. For many months I suffered severely with piles and every thing failed to produce the desired results until I used Dr. Chase's Ointment which I believe is the only positive cure for piles." Frequently when doctors have failed to cure piles and the surgeon's knife has been resorted to, Dr. Chase's Ointment has effected thorough cure; 50 cents a box, all dealers, or Edmondson, Bates & Co., Toronto.

RAIN WILL NOT SPOT IT.

It is universally admitted that our finest broadcloths are the finest and most thoroughly satisfactory broadcloths that have ever been produced. Attempts to weave a broadcloth, chifton weight, have heretofore resulted in making the material weak so that it would not wear properly. The broadcloth makers have succeeded where others have failed. The two famous broadcloths which we control absolutely for Charlottetown are marvelous specimens of weaving. They are genuine chifton weight and are almost as strong in weave as a piece of kersey cloth. The surface of the cloth has a rich, beautiful lustrous finish that is permanent. Rain will not spot it and it will look just as handsome in your gown as it does in the piece. It is guaranteed permanent finish and spot proof by the makers and ourselves.—All colors in stock.
