
PLAYING IT COOL

Skipper, a Scotch terrier, goes for a swim the easy way--on the back of his friend Chris, a Samoyed husky. This is their favorite way of keeping cool in the Ottawa River, near Pembroke, Ont.

'Happy' 8th Reunion Set August 15

The reunion of the "happy" 8th Canadian Seige Battery of World War One will be held Saturday, August 15, at Shore Acres.

Among out of the province members expected to attend are: D.A. Bonnell, Pawtucket, R.I., D.D.C. MacDonald, North Battleford, Sask., M.C. West, Campbellton, N. B., William Stewart, Milford, N.H., Rev. Samuel Profitt, Beaverton, Ont., Jack Cutcliffe, Boston, Mass., Bert Connors, Detroit, Michigan, and Dr. Leo MacKenna, Vancouver, B.C.

2nd Canadian Siege Battery Plans Reunion

The Second Canadian Seige Battery, first complete Island unit to see action in any war, will hold its annual reunion Saturday, August 15.

Members will meet at the Legion Home at 1:45 p.m. From there they will move to the cenotaph, where the president, E.W. Gaskin, Moncton, N.B., will lay a wreath.

The party will return to the legion home for a business meeting followed by an informal reception and get-together. Dinner will be served by the ladies auxiliary.

The battery was recruited in Charlottetown early in 1915, and went overseas in November of that year. The battery went to France in May, 1916, and fought all through the Somme offensive as well as every other major engagement, including Vimy Ridge, Passchendaele, Hill 70 and Amiens.

It had the reputation of being one of the most efficient batteries in the Canadian army, especially in counter-battery work.

Nursing Lodge Is Planned Next To Senior Citizen Home

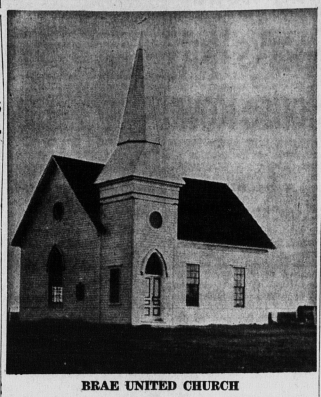
On the day that Premier Walter Shaw officially opens 12 senior citizens housing units on Grafton Street in Summerside, official sod-turning for a 50-bed nursing care lodge for senior citizens will take place next door, according to Welfare and Labor Minister Henry Wedge.

Mr. Wedge said yesterday the date for the sod-turning has not been decided, as it will have to fit in with the premier's schedule, but "we expect to have the ceremony between Aug. 15 and Aug. 20," he added.

Tenders for the home, to be built under the Senior Citizen's Housing Corporation, are expected to be called September 1. Twenty-five units in the new home, being constructed as part of the government's program for homes for the elderly, are to be used for persons requiring ambulatory care; the other 25 for persons requiring only light nursing care.

Six of the new units in Summerside are now occupied, and other units in Alberton, Wellington and Kensington will be open soon.

The building corporation is preparing to go ahead with construction of 24 units in Charlottetown this fall, but so far no one has shown willingness to donate the necessary land. Building sites so far have all been donated, keeping costs to a minimum.



BRAE UNITED CHURCH

W. Prince Church Has 90th Anniversary Sun.

ALBERTON BUREAU OF THE GUARDIAN

For 90 years a well kept little white church has served as the place of worship for Protestant people in the rural community of Brae.

In recognition of this anniversary special services will be held on Sunday. They will be conducted by the minister. Rev. David H. Hamilton. The morning service will have the nature of a congregational family gathering for worship.

The guest preacher will be Rev. S. B. Profitt, a former minister. His theme will be "The Bread of Life." Soloists will be William Wedlock of Summerside (formerly of Brae) and Charles Caseley. The guest organist will be Mrs. Harry Canon of St. Eleanors, former: Rowena MacLeod of Brae. The sacrament of Baptism will be observed.

Rev. S. B. Profitt will preach again in the afternoon at an outdoor service on the church grounds. His theme will be "What Mean Ye By These Stones?" Mrs. Wallace MacLean of Cascumpec will be the soloist and Mrs. David MacDonald of Alberton will be organist. This service will take the form of a memorial to the early fathers of the church.

EVENING SERVICE

The evening service will also be an outdoor one. Rev. J. E. Munson of St. Lambert, Que. will be guest preacher and special music will be sung by Mr. and Mrs. Ralph MacLennan of Springfield West and Carl Adams of O'Leary. The organist will be Miss Merry Barbour.

At morning and afternoon worship the service of praise will be led by Brae choir and in the evening by the Men's Choir of the pastoral charge.

The life of the Presbyterian Church in this community began long before the erection of a building especially for worship.

It originated with the early settlers who were under pastoral oversight of Rev. Allan Fraser, minister of Alberton, whose congregation embraced all the territory north of Lots 10 and 11.

This pioneer minister travelled on foot or on horseback to visit his scattered parishioners. He was a man whose leadership and ability were recognized by the Presbytery of his time and one who was held in affectionate esteem by his people. The hardship of caring for so large and scattered a field broke his health and at the early age of 45 his 15-year ministry came to an end in 1870.

PASTORATE DIVIDED

In 1865, five years before Mr. Fraser's death, the large pastorate was divided into eastern and western parts. The districts of Brae, West Point and Campbellton, which separated from Alberton at this time, came under the care of Rev. William Stewart. The duration of Mr. Stewart's ministry is uncertain but he was still on the charge in 1868.

In the early days at Brae, Sunday worship was conduct in the school which had been built on the land which is now the site of the church. It is an interesting fact that in this community the cemetery is older than the church building. The oldest tombstones bear the date 1867 and there is evidence that at one time this cemetery was used by people of a large area.

REV. D. H. HAMILTON

No doubt the church at Brae, as in most small communities, was built at the cost of real sacrifice on the part of those who erected it. The small edifice was under construction two years before its completion 90 years ago. The first elders were William Thomas Rogers and Lauchlan McLean. The first settled minister, Rev. A. B. MacLeod, served from 1882-1887. Some 16 years later William Beer became a member of the session.

In 1887 Brae served the connection with West Point and Campbellton to become part of a new charge with Bloomfield and O'Leary. Following church union in 1925 West Devon was added to the charge.

PAST MINISTERS

Ministers who have served the congregation since 1887 are: Rev. J. R. Coffin, Rev. Archibald Gunn, Rev. William MacDonald, Rev. Ewen MacDonald, Rev. Robert Murray, Rev. George P. Tattrie, Rev. S. B. Profitt, Rev. A. F. Baker, Rev. George Gough, Rev. Warren G. Dickson, Rev. R. R. Wagner, Rev. J. Reber Kean, Rev. Keith M. Rogerson. The present minister is Rev. David H. Hamilton.

The elders are Russell Rogers, Fred MacLeod, Robert Oulton and Walter Wedlock.

A church hall was built in 1957 and dedicated the following year.

In this anniversary year the church building has been renovated and redecorated. A new choir loft and pulpit area has been made possible through the generosity of Byron MacPhee who did the carpenter work free of charge and of Mr. and Mrs. George Griffin (nee Eleanor Oulton) who contributed financially toward it.

The floor has been tiled and both interior and exterior of the building have been painted.

Man Gets Jolt On Telephone During Storm

MONTAGUE— A short, severe electrical storm damaged power and telephone lines in this area late Thursday afternoon. No other damage was reported.

Vince Martin, who operates an auto body plant in Brudenell near the town, said he received a considerable jolt while talking on the telephone to Charlottetown. He thought an electrical charge entered his body through the hand holding the phone and left via his feet. He was numb for a few seconds but was not hurt.

Wires were reported burned off at the homes of At. MacDonald and Carl Gillis, near the Martin Auto Body Shop.

Heavy rain accompanied the storm here. However, the rain belt was narrow and apparently did not extend as far south as the Whim Road and was not much further north than Poole's Corner.
