...Mrs. J. B. Jay returned home Saturday evening, February 21st, from Toronto where she attended the marriage of her daughter, Miss Joyce, R. N., to Mr. Dunstan Murray, formerly of Cardigan and at present engaged in Social Welfare work in the Queen city. Mrs. Jay was accompanied on the trip by her son Kenneth.

Mr. Ephraim Malone arrived home Tuesday evening, February 17th, from the United States after a month's visit with friends and relatives south of the border. Mr. Malone spent many years of his early manhood in American cities and it was a great pleasure for him to renew acquaintances in New Haven, Conn., Taunton, Haverrhill, and Peabody, Mass. During his visit he also assisted at the Ordination to the Priesthood of his nephew in Holy Cross Cathedral, Boston, Mass.

Preliminary preparations are being made for an extensive repair job on the old St. Lawrence Church early in the spring. This wooden structure was erected in 1867 by a Mr. Thomas Dunn and was built on a fieldstone foundation which has never been repaired since.

Workers who have recently examined it were amazed at the wonderful state of preservation of the substructure after all these years. The church will be raised and a cement foundation will be laid to replace the old fieldstones.

Readers of this column will be sorry to learn that their correspondent, Mr. W. A. O'Brien, met with a painful accident whilst at work on February 17th. Mr. O'Brien had the misfortune to injure his back which necessitated his removal to the Charlottetown Hospital for treatment.

It is pleasing to learn that the health of Mr. Carl McAdam who is a patient at the Provincial Sanatorium and who underwent an operation there some time ago is greatly improved and that he expects to return home early in the spring. Mr. McAdam has disposed of his lobster fishing equipment and plans to engage in lighter employment in the future.

Miss Catherine Coffin returned by plane to Montreal on Saturday, February 14th, after spending her three weeks' holidays with her parents, Mr. and Mrs. Grover Coffin.

Congratulations are in order for Mr. and Mrs. Edward Rossiter who celebrated the thirty-fifth anniversary of their marriage on February 11th. They were married on February 11, 1918, at St. Andrew's by the late Rev. A. P. MacLellan.

Captain and Mrs. Mercier Mullins and their three children arrived in this vicinity by car from Petawawa on Saturday evening, February 14th. Captain Mullins will proceed to Korea after a short turlough while Mrs. Mullins and the children will take up residence in Charlottetown during his absence in the Orient. Mrs. Mullins was the former Polly Kelly of Morrell.

Worshippers at the Church of the Little Flower last Sunday, February 15th, were pleased to see Mr. Frank Jay, brother of their genial postmaster, in the congregation. Frank has the misfortune to have a leg amputated last fall, but in spite of that handicap he plans

A few of the Brownie mothers were in attendance. Following the Enrollment games were played. The meeting closed with evening prayer.

A marriage of interest was celebrated in the Church of the Most Holy Redeemer in Charlottetown the morning of February 17th. The principals were Mr. Bert Rananah of Morrell East and Miss Marion Ronaghan of Ruskin. Heartiest congratulations are being offered this young couple and best wishes for many years of happy married life.

Messrs. Linus and Leo Rossiter made a business trip to Tignish and other points in the western part of the Province during the past week. In Tignish they visited their aunt, Mrs. Joe McDonald, and her husband, who is station agent there.

The Bowling Tournament of the Morrell Community Centre is exceptionally alive with interest this winter as the various teams battle for top positions. There are twenty-five teams entered this year which is the largest schedule since the annual tournament began five years ago. At the end of the season trophies will be awarded at a public gathering to the winning teams and to the captains of each, as well as to individual high scorers. The high prize is a large silver cup.

Mr. Bobby MacLean, for a number of years a valued employee of the Bank of Nova Scotia here, has recently been transferred to the Bank branch at Albany, P. E. I. His many friends wish him every success.

Forty officers and men from the RCAF fighter wing at North Luffenham visited British Army units here and rode in Centurion tanks. They also heard a lecture on Korea, fighting from Col. D. B. Crist, commander of a battalion of the Gloucestershire Regiment.

Fancy Dress Carnival At Montague Last Night

A fancy dress carnival held at the Montague Rink last night was a huge success as evidenced by the large number of original costumes, and the many spectators who were entertained by the show. The Legion, who sponsored the show, spared no efforts in preparing well for last night's annual event, and were rewarded by a large number of participants in each class.

Prizes were awarded as follows: Ladies', Robin Hood, Jane Fraser, Gens., Chicken, Sam Prosser, Boys', Cowboy, Alan McCrea, Girls', Spring, Judy Cudmore, Most Original, Chicken, Sam Prosser.

Best Couple, Joe Palooka and Dizzy Dean. Special prize, Bride and Groom. Door prize, Ellsworth Ross. Following the carnival a rousing, rugged hockey game defying all description occurred when the sons took on the fathers and soundly whipped them 5-0. The six and seven-year-olds outstaged and outwitted the old men to give them a taste of the speed of the new generation.

Shortage Of Nurses

Continued from page 1

tendance and interest of the members has been excellent. During the year many and varied problems presented themselves to the Board to be solved. Numerous committee meetings were held, and to each monthly meeting. This has resulted in a saving of time at the monthly meetings.

It was with regret that the Board accepted the resignation of Miss Anna J. Mair, R.N., as Superintendent of the Hospital. Miss Mair had filled this position very capably for over twenty-five years. Mrs. Lois MacDonald, R.N., was appointed to this position, with Miss E. Tweedy as assistant.

It was also necessary, during the summer, to accept the resignation of Mr. Harry Evans as engineer, owing to illness. Mr. Evans had acted as engineer of the hospital from the time the new hospital was opened. In July Mr. Johnson was appointed as engineer, and started work on August 4th, 1952.

We purchased a multigraph, and now the numerous forms required by the hospital are printed by the staff. There is considerable saving in our printing, and when we run out of forms unexpectedly they can always be replaced very quickly. The financial statement was printed on this machine.

A new Bell and Howell movie projector was secured for the Nursing School and this has been of great assistance in teaching the student nurses.

Explosion-proof switches and outlets were installed in the operating room and case room. This eliminates a great hazard that was always present with the old type switches and outlets. A new operating light was also installed in one of the operating rooms, giving the surgeons much better light to work with. It is also much cooler, making working conditions in the operating rooms better for those who are required to spend a lot of time working there.

A new Deep-Therapy X-Ray of the latest model has been ordered, and will shortly be installed. This machine will permit the Radiologist to give treatment to many types of cancer that could not be properly treated with the present equipment. It also provides better control for the Radiologist and safeguards the patient that are not on the present machine.

The Reedman Memorial tennis court for the nurses has been prepared and equipped, and we trust this will provide recreation for the nurses this summer. It was dedicated by the Rev. Canon J. T. Ibbott, and officially opened by Hon. A. W. Matheson.

A program of redecorating the interior of the hospital, which was started over a year ago, has greatly improved the appearance of the hospital.

Honorarium for the student nurses has been increased, and is on a graduated scale for each year of their training. This, I am confident, was greatly appreciated by the student nurses.

Last Spring 28 nurses graduated from the Training School. In the Fall a new class of 22 was started, and in January another class of 7. This coming Spring there will be 14 nurses graduating. On December 31st we had 54 nurses in training, and our total staff, including nurses, is 160 people.

Considerable work has been done to the boilers, which has increased the efficiency of the boilers and lowered the consumption of fuel oil. Many other minor improvements have been made in the boiler room and in various parts of the hospital.

Help is a problem in an institution of this size, from nursing staff right down the line. A great number of our nurses move away to other provinces, and at times it is very difficult to fill the different positions. Industry is able to pay so much more for services that it is almost impossible to fill some positions. At this time, we would like to express appreciation to our many employees who—often under adverse conditions owing to shortage of help and lack of proper working space—have carried on so capably.

We now have a Record Department well organized where the medical records are kept up-to-date.

Lack Of Space We are greatly handicapped in this hospital at the present time for room. The hospital was designed and built for 100 beds, and we have more than doubled the bed capacity but have not the space to enlarge other very necessary departments for the proper running of a hospital of this size. No one realizes this more than

Dundas Day Of Prayer Service

The World Day of Prayer service was held at the United Church of Canada, Montague, on February 20th, with seventeen members from the W.M.S. of the United Church and Baptist congregations in attendance, and Mrs. Angus Brown as leader.

The programme, "Walk as Children of Light" was used. Special prayers were offered by Mrs. Garfield MacLeod, Mrs. T. E. MacBeth, Mrs. Walter Burdett, and Mrs. Angus Brown. The Minister, Mr. Angus Brown, read selections from Ephesians, chapter five, and spoke briefly on the theme, "Walk as Children of Light".

Mrs. T. T. MacDonald was the organist, and the hymns sung were taken from the programme prepared for the day through the co-operation of African Christians. The offering amounted to \$7.60 which has been forwarded to the Women's Inter-Church Council of Canada.
