Hospodar Paces Tommies To 6-3 Win Over Saints

Hospodor led St. Thomas ...mies to a 6-3 triumph over ...Dunstan's Varsity in a Mar...time Intercollegiate Hockey ...gue fixture at Saints' rink ...nday afternoon.

Hospodar fired half of the visi...tors' tallies in the struggle that found the locals missing out on several great scoring opportunities.

The Tommies opened a 2-0 ...dge in the first period, were outscored 3-2 in the middle ses...sion and picked up the only two markers of the final 20 minutes.

Down 4-1 with less than 25 min...utes of play remaining, Jack ...Kane's Red and Whiters tried desperately to pull this one out of the fire. Two goals within a ...d of 50 seconds had it a 4-3 ...ey game and that's the way third period started.

A FOR EQUALIZER

Kane sent his boys over the ...ards in the third, determined ...get that equalizer. They warmed all over the Chatham ...idents and did everything but ...n the rubber in the net. Saints' ...pporters shrieked and moan...ed as the disc, on at least eight ...ccasions, just failed to hit pay...dirt.

The local students kept trying ...but it soon became obvious that the cards were stacked against them. The capable Tommies' defence surely didn't help the Red and White cause as they kept pounding away at St. Dunstan's invaders.

When Saints had run out of steam as well as luck, the Tommies were quick to capitalize on two breakaways, Ed Hospodar and Butler taking turns at beating 'Butch' Callaghan.

Saints' tallies came from the sticks of Vince and Billy Mulligan and Jimmy Cullen. The three Charlottetown boys were the spearheads of Saints' attacks all afternoon.

BIG GOALGETTER

Hospodar was the game's big goalgetter with three. Other Tommies denting the twines were Butler, Lordon and McCarthy.

Rev. Frank Grabowski called ...30 penalties, with the visitors collecting eleven of them. Lordon of Tommies and George Monaghan of Saints got tossed out of the game in the third when Grabowski called match penalties against them for high sticking with intent to injure.

Saints wind up their schedule next weekend. They play U.N.B. Saturday at Fredericton and Tommies Sunday at Chatham.

First Period — 1. Tommies, Lordon (Morris, Hospodar) 14.17 2. Tommies, McCarthy, 17.36. Penalties — Hospodar, Tingley, O'Brien, Monteith.

Second Period — 3. Saints, Vince Mulligan (Billy Mulligan) 5.11; 4. Tommies, Ed Hospodar Wood) 9.06; 5. Tommies, Ed Hospodar (Morris, Wood) 14.08; 6. Saints, Billy Mulligan, 15.06; 7. Saints, Cullen Tingley 15.56. Penalties — Green, Gallup, Peddle, B. Mulligan, Monteith, Glancy, Monteith.

Third Period — 8. Tommies, Ed Hospodar (Morris) 5.01; 9. Tommies, Butler (Morris) 18.52. Penalties — Gallup, Dalton, Dalgle, Lordon (minor and match) Monaghan minor and match).

Mysterious Ailment Seen Threat To Plante's Career

By PAUL RIMSTEAD

TORONTO (CP) — Unless a mysterious ailment disappears, the illustrious career of Jacques Plante, hockey's most prominent goaltender over the last 10 years, may be at an end.

Plante, 34, has suffered pains in his right hip and thigh for the last two months and his condition is becoming worse each day.

He made his return to the National Hockey League here Saturday night after an absence of three games and helped Montreal Canadiens to a 3-3 tie with Toronto Maple Leafs.

But Plante was slow after getting up after making saves in the third period and admitted later in the dressing room that his condition isn't good.

"It hurts every time I do the splits," said Plante. He rubbed his hand along his thigh and hip to indicate the injury area.

Bill Head, team physiotherapist, said he is still trying to determine the cause of Plante's ailment and thinks it might be a defect in his footwear or skates.

"He's unbalanced somewhere in here," said Head, placing his hands on his hips. "And his condition keeps getting worse. It's something that's continually being aggravated."

Plante, winner of the Vezina Trophy six times in the last seven seasons as the NHL's best goaltender, was forced out of the lineup early in the season and again last week.

WON HART TROPHY

He has helped revolutionize goaltending and last year was awarded the Hart Trophy as the NHL's most valuable player.

It was Plante who introduced the goaltender's face mask to the NHL. He also expanded on his goaltending job by leaving his net to clear loose pucks.

Coach Toe Blake is concerned about Plante.

Both he and Plante can agree the mysterious ailment has hurt Plante's effectiveness.

"You saw that one tonight," said Blake, referring to Toronto's second goal—a long bouncing shot by Ron Stewart.

Plante said the puck took a bad hop, "Curved about three feet."

Blake said the matter is in Head's hands but added: "I just hope it isn't a case of goaltender's nerves."

In Plante's absence, young Cesare Maniago filled in as Canadiens' goaltender. Maniago, plucked from Toronto Maple Leafs two years ago in the NHL draft, was in goal Wednesday in New York when the Rangers whipped Montreal 4-3.

"We'll keep Maniago with the team," said Blake. "But if Jacques is able to play regularly we'll farm him (Maniago) out so he can play regularly."

Junior Saints Whip YMCA Phalanx 57-35

Junior Saints won the lone City Basketball League contest Saturday night when they defeated Phalanx 57-35 after trailing 30-15 at the half.

The Malpeque Road collegians outscored their opponents 42-17 in the final 30 minutes of play for their wide victory margin.

Top pointgetter for the Saints was Corrigan with 20 points while teammate Len Sirois garnered 13. Phil Mullaley swished the twines for 10.

Roy Doiron paced the losers with 10 points and Keir Johnston trailed one point back at 9.

Donnie 'Funnel' MacLean refereed the game.

Two Basketball games are slated for tonight at SDU: Saints play host to Pirates in the opener at 7 o'clock and at 8.30 BYC plays PWC.

Here are the lineups for Saturday's game.

SPORT ECHOES

Summerside Bureau of The Guardian

Congatulations To Champs

Congratulations to Fern Seel, Bernice Cook, Kay Hoare, and Elsie Farquhar for winning the Silver "D" bonspiel and earning the right to represent Prince Edward Island in the Diamond "D" competition in Saint John later this month. Of the six games the Seel rink played, four of the scores were 14-3, 12-4, 14-6' and 14-2, and their composite score, for and against was 71-29. Rarely do you see the curling such a convincing display of superiority as this. The RCAF ladies should represent P.E.I. well in the Diamond "D".

George Dalton, Summerside boy doing well with the Saint Dunstan's varsity hockey team. George scored the tying goal against the Acadia Axemen last week-end, and has settled into the scoring on other occasions. We didn't know George went in for hockey until he came down to Summerside as winter with the SDU high school team and went on a scoring spree against his former school mates. We'll be watching the progress of this young Summerside native as he continues to play for Jack Kane's smooth aggregation.

Champions topped like the pins they were aiming at in Crest Lane's bowling alleys on Saturday. Tom King who had held off the challengers for six consecutive weeks finally bowed to Doug Tucker by the close margin of 22 pins. King missed out on the usual dinner's $10 cheque from Eastern Bakeries but collected a ten-spot from Crest Lanes for his 353 total in the second string. Wanda Chappell, defending ladies champion, was dethroned by Molly Farrell by another close margin, 21 pins. Wanda was back 62 pins after two strings, but then started to come on. She looked to have it made in the seventh frame with the final string, leading by 12 pins, but she faltered in the home stretch.

A Bit Disappointed

We were a bit disappointed to hear that Halifax Juniors had defeated our Penguins 8-3 at Halifax Saturday night. Some things that must be taken into consideration are: the Birds had played a tough game at Summerside Friday night. They had a long trip to Halifax the next morning. Some of their key players were missing. They were trying out a new goaler. Ron Ball is a fairly decisive marksman and we can't help hoping that the ground is not too hard on Dar away under that shaky ankle which Ivan Doherty is nursing to.

Two boys who have been toiling in the shadows of the other imposing reputations
