CURRENCIES

MONTREAL (CP)— The United States dollar in terms of Canadian funds was up 1-16 at $1.07 29-32. Pound sterling was up ¼ at $3.01⅜.

NEW YORK

NEW YORK (AP)—The stock market ended a week of recovery Friday with a mixed session in which cigarette stocks were strong and General Motors was weak. Trading was light.

Volume was 5,610,000 shares, the lightest since Sept. 26 when 4,970,000 shares changed hands.

The Dow Jones industrial average ended with a minor loss of 1.22 at 771.71 after backing away from a rise of 4.18 at the end of the first hour.

Other averages and indexes also declined. In the over - all list of 1,363 issues traded on the New York exchange, however, gainers outnumbered losers 571 to 569.

New lows for the year totalled 43. The two highs were General Mills preferred and Standard Oil of Ohio.

After a mixed start, the market made a moderate gain with cigarette manufacturers setting the pace. This was on news that a member of the U.S. surgeon general's advisory committee had told of a breakthrough in research on cigarette smoking and lung cancer.

HELD GAIN

Later he said his remarks had been misinterpreted and he toned down the original report. Nevertheless, cigarette stocks held to the best part of their gains.

Three cigarette makers were among the most active stocks: Reynolds Tobacco, up 2⅛; American Tobacco, up 1¾; and Philip Morris, up 1¾.

For a while it looked as if some strong action in other groups was developing, but this melted. One reason for the backtracking was a Wall Street rumor that General Motors would report considerably lower third-quarter earnings than it did a year ago.

GM common sank 3⅞ to 71⅛ on 245,500 shares as most active stock. The weakness was inevitably reflected in other blue chips as Du Pont fell 1¼, Standard Oil (New Jersey) ⅛, General Electric 1⅝, Westinghouse Electric ⅝ and U.S. Steel ⅞.

LOST 12 CENTS

The New York Stock Exchange index fell 12 cents to $41.21.

Among Canadian issues, Granby Mining closed up ⅞ Alcan ⅝, Distillers Seagrams ⅝, Walker Gooderham ¼, International Nickel lost ⅝, Canadian Pacific ⅛.

Prices were irregularly higher on the American exchange.

Among Canadian issues, Preston advanced 1⅛⅛ Brazilian Light and Power, Canadian Javelin and Scurry Rainbow Oil declined ⅛.

MONTREAL

MONTREAL (CP)—The market advance Friday, prolonging an upward trend started Tuesday.

The industrial index advanced .85 to 139.99 after a hesitant start. Trading was light and ignored Wall Street, which moved irregularly lower Friday afternoon.

Advances out numbered declines 75 to 65 on the combined Montreal and Canadian exchanges and 51 to 37 on the senior list.

Banks were up impressively, on index ending 1.76 higher at 107.39. Royal gained 1⅜ to 67⅛, Canadian Imperial Commerce ⅜ at 56 and Toronto-Dominion 1 to 55.

URANIUM STRONG

The uranium mines were strong with Denison up 2¾ points at 58 and Rio Algom ⅝ at 23¼. Among the other senior mines Hollinger won ⅜ at 20⅞.

Utilities were lower with Quebec Telephone and Trans-Canada Pipe Lines each off ½ at 18 and 27¼, respectively. Bell Telephone dipped ⅝ to 45¾ (ex-rights) while the rights in initial trading Friday sold between 55 and 56 cents. Brinco plunged 47½ to $4.65, being the most active industrial in sales of 41,771 shares. This probably resulted from profit - taking after last week's frenetic trading.

Other strong issues included Bathurst Paper, up 1⅜ at 24, Alcan ⅝ at 27⅜, Du Pont ½ at 36¼, and Moore Corp. ⅞ at 76⅞.

Rothmans advanced 1½ to 24 after a report from New York of a break-through in isolating a major cancer-causing element in cigarette smoke.

On the Canadian Stock Exchange, Prime Potash was volume leader in sales of 29,500 shares, ending off 2½ cents at 13½ cents.

On index, papers advanced .29 at 106.05; utilities fell .24 at 125.91. The composite index rose .70 at 134.18.

A NEW WALL PANEL FROM Abitibi

One of a new, exclusive series

BARNBOARD

a weathered woodgrain pre-finished wall panel that gives any room a charming rustic accent

The beautiful deep-grain effect of this new pre-finished panel gives you the popular barnboard look at a very low cost. It is the perfect panel for the relaxed, casual atmosphere of a family room. BARNBOARD may be used to panel a whole room or to set off an area as a feature wall—behind a bar or fireplace, for example.

SPECIAL MAR-GARD FINISH

MAR-GARD T.M. PENDING

This process, an Abitibi development, is a pre-finishing technique in which the surface finish becomes an integral part of the panel to provide protection for a lifetime against scuffs, scratches and stains. The Mar-Gard surface never needs wax or varnish and is easily cleaned with any household detergent

Available in 4' x 7', 4' x 8' and 4' x 9' panels, with color-toned score lines in a random plank effect providing easy nailing on 16" centers, BARNBOARD is only one of the attractive and economical Classic and Prestige panelboards made by Abitibi.
