

Our Own Make of Tweeds
are the Best Value in the
Market.

SHEEP TALK.

When Disposing of Your
Wool, Remember our Tweeds.
New Patterns, good Honest
Wearing Goods.

A rough estimate places the number of sheep on our Island at about two hundred and fifty thousand (250,000). Allowing five pounds (5 lbs) of wool to each sheep, we have a yearly aggregate of one million two hundred and fifty thousand lbs of wool grown on our tight little Island. Now, although this does seem an enormous quantity, we are prepared to handle every pound of it this summer. In fact we want every pound of it, and we are going to make a big bid for it. In doing this we purpose doing two things,--

FIRST---We will pay the Highest Cash Price that the Market will Allow.

SECOND--We will give the Highest Trade Price the Market will Allow.

When talking about the trade part of it, you will want us to be a little more definite and to state in plain English what we have to trade. Well, if you will follow us for a little while we will do all we can in this limited space to make ourselves plain. And the first thing we would draw your attention to is our

READYMADE CLOTHING DEPARTMENT

We keep the largest stock and most extensive assortment of these goods on the Island. There is not much need of us describing these goods in detail, as our clothing has already an established reputation. One thing we will say that although cheap clothing is not our hobby, still if a man wants a cheap suit we can give him as cheap a one as can be bought on Prince Edward Island. We also have these goods homemade and imported, all sizes and shapes.

HATS & CAPS

The largest and most fashionable stock of Hats and Caps in the city--no exaggeration when speaking of this Department.

Tweeds, Flannels, Blanketings, Gingham and Flannellets, Underwear, Shirts, Braces, Ties and Collars are to be found here in abundance.

OUR CUSTOM TAILORING DEPARTMENT

Leads all others in up-to-date goods and workmanship. Here you have the finest clothes from the looms of Europe to select from, the acknowledged cutter king of the Island to fit you, and the most reasonable price store in the business, all at your service. Therefore, let us have your wool.
