

### Down The Back Stretch

best liked of all New England horsemen, Dan has a record of just fifty years, in the sulky."

And here's news from S. Thane, Belyea, Frederick, N. B. ... "Just a line to tell you that E. A. Grant of Houlton, Maine, sold his two horses last week to parties here, Marion Budlong 211 3/5 to Frank VanBuskirk, and Calso Boy 214 3/5 to Arthur Myhrhall. Calso Boy is going to pasture, but I don't know where or to whose stable. Marion Budlong is going. Both of these men are newcomers to the sport and I hope there will be more to take a hint from them. I think this Thursday will probably wind up our racing here for the season and we are very well satisfied. It takes time, as you know, to get night racing started. We are in hopes another year we will get underway earlier and try and build up greater interest. Ned Linton has left for Quebec with Ritakey 208, Arlene's Mares 211 1/5 and Clipper Dale 219 4/5, and George Woodside took his trotter Tyndall Semple 214 3/5 along also." Thanks, Thane, we would like to congratulate you and wish you have done so much to bring the popular Fredrick track back on the race map. For years during military occupation it had to be left idle but now everything points to it being one of the most popular racing strips in the Maritimes another year.

The following letter of appreciation from Dr. J. T. Akins, Director of Veterinary Branch, Department of Agriculture, Frederick, N. B. will, we are sure, be appreciated by Dr. R. F. Seaman, President, and W. G. Gillespie, Secretary of the P. E. I. Harness Racing Club's colt future stakes, and the President, Secretary and directors of Summerside Raceway, Ltd. "I received the very fine trophy which was donated for the winner of the Four Year Old Futurity Trot at Summerside and I wish to express on behalf of Harry Downey and myself our most sincere thanks. It was a most gratifying moment after two years of effort in trying to bring Lakeburn along on the trot, but we were amply rewarded for our efforts and will always appreciate the hospitality extended to us at Summerside."

Our faithful friend, C. H. McGinley sends us clippings of racing held in Maine the past week. At Farmington, Richard Budlong was third in 212 4/5. At Rochester, Watchman's Angel (Hazen) won both dashes in the 500 000 2:17 trot, time both dashes 2:17 1/5. Mr. McGee by Agner T. Clegg (Brewer) won the second dash in the Junior Free For All Trot and Pace, purse \$600. Time, 2:09 4/5. Playalong (Edmunds) won both dashes in the CC Trot, purse \$600; Clive Hanover (Danny Steele) was 2-5, Frank Adams (Ralph) 4-2. Time, 2:12, 2:13. At Farmington, Sept. 24, in the Class CC Trot, purse \$600, Mary Merck (Semple) was 2-4. Time, 2:13 4/5, 2:13 4/5.

We notice an advertisement for Calumet Fingo 2, 204, leading six at Pleasantdale Farm, owned by T. Black, Berryville, Va., and I give the names of some of the principal trotters and pacers sired by him. The showing is really wonderful considering that he has only been a few years in service at his new home. One of his top money winners is Colonel Dan 2:06 1/2, who is now 13 years old and his winnings up to a month ago were \$33,469. Bob Ryan bought the colt when he had won the Classified Pace at Covehead, Sept. 16, 1948. Billy McVey was 2-3-2, Moneymaker 3-2-3, Miss Knox 4-5-4, Jerry Lee Volo 5-4-5. Time, 2:09 1/2, 2:11 1/2, 2:12. He was owned at that time by Stevenson and MacKinnon, Rock Elm, N.S. and was driven by Joe MacDonnell. He has certainly proved a great investment for Bob and has won several races this season.

Every horseman we meet is interested in Joe O'Brien's doings and we are pleased to note that his injuries received at Delaware, Ohio, have not halted his winning streak. At the Grand Circuit meet held at the Breeds, he had a half-mile oval Joe was given the mount behind Up Top in the \$13,950 3 year old futurity pace. The "Horseman and Fair World" reports it this way: "Adios, J. B. Turner's candidate for 'Horse of the Year' honors, started pacing seriously at the half-mile point. Once in command the boy son of Adios led his pursuers to the wire in 2:04, a length in front of Up Top, driven by Joe O'Brien. The next time out driver Howard Camden marched the Turner color bearer out of the gate first and led the parade to the wire again. This dash was clocked in 2:04 1/2 and prospects that the track three heat world record on a half-mile track set at 6:12 1/2 by Torrid last year would tumble over, assured. Omitted from these calculations, however, was the Follow Up pacer Up Top and his clever reinman, Joe O'Brien, who was the major threat in both previous heats. Up Top and O'Brien proved unshakable in the final mile. At the top of the stretch they went to the center of the race track and raced to the wire with Adios Boy to the final length where their last kick was enough to take the heat in 2:04."

Adios Boy, the wonder colt pacer referred to above, finished on the front end of the \$15,000 invitation- al Pace at Brandywine Raceway last week ago, heading some of the greatest pacing stars of the day, but seconds later the judges took

the decision away from him and gave it to the runner up, Wilmington Star 1:58 1/4. The judges allowed the claim a foul against the colt for bearing out in the stretch.

In the Two Year Old Trot Reading Futurity, purse \$14,986, Child's Hanover (Kryin) was 1-1-1, Butch Hanover (O'Brien) 3-1-2. Time, 2:08 1/2, 2:09. Joe won the Two Year Old Pace Reading Futurity, purse \$16,888 with Mig Hanover or Nibble Hanover with 3-1-1. Mr. Knight (Safford) was 1-4-2, Libby's Boy (D. Miller) 2-2-0. Time, 2:07 1/2, 2:08, 2:14. There is a photo in The Horseman and Fair World showing Joe holding Mig Hanover and Henry K. Eckbert, vice president of the American Casualty Co. presenting the trophy to John Simpson, trainer of the winner.

Many horsemen's thoughts are centered on the famous Blue Grass region of Kentucky this week and thousands from all over the continent and from as far away as Italy and New Zealand are there visiting the stock farms, attending the auctions at night or seeing the races. The first afternoon's racing was on Wednesday and last night 45 yearlings from Walnut Hall Stud opened the auctions. Tonight 44 from Walnut Hall Farm will go into the ring and keen judges of future racing material will be bidding them up, some possibly as high as \$30,000. Gainsway Farm and Castleton Farm will also have sales of yearlings and as the Gainesways have been racing particularly well this year they will likely bring a high average.

J. Henry DeWitt of Woodstock, N.B. had another winner last week at Saratoga Raceway with Margy Frisco in the 222 pace, time 2:07 1/2. The young driver Jimmy Laine, with the Sherbrooke, Quebec, stable has been doing exceptionally well at Saratoga. Last week he won the B Pace, purse \$800 with the 3-year-old Mary Frances by Adios in 2:08 1/2 and the next night he won the 2:17 trot, purse \$2,000 with General Meredith, time, 2:13 1/2, and the 2:25 pace, purse \$1,000 with Nana Trot, a 3-year-old by The Widower, time 2:18. The track was slow... Aubrey Rodney, who was the top money winning driver in the United States in 1913 and made a clean sweep of the fast trots with Baden 2:04 1/2, is still among the top, if not the top, driver at Saratoga. The same night that Margy Frisco won Rodney drove Bonnie Brook Dean to a win in the 2:14 pace, purse \$2,200. Time 2:03. It was his ninth win of the year and a new half-mile record for Bonnie Brook Dean.

Among the Maritime winners at Quebec Raceway that we have no record was Just Lucky. He won the CC Pace, purse \$300, for driver Al Langille, time, 2:16 1/2. Just Rita, by Abner T. Clegg, owned by B. C. Crulshanks, Halifax, won both dashes in the C Pace, purse \$400, time, 2:12, 2:13—a new record for Rita. The pacer Deerfield by King's Counsel 1:58, that raced in the stable of Clayton MacLeod, Westville, N. B. last season, won the C Pace, purse \$300 in 2:12 1/2, which is a new record. He is now owned by A. Demers and Sons, Que.

Horace Willis was telling us at the track the other day about a big, good-gaited trotter that he is racing down in Sydney. He T. Black, Berryville, Va., and I said that he looked like a real comer. He is by the Ontario sire Mr. Chips, whose get is racing particularly well this season. Going back over September results at Sydney we notice where Jack Chips (Moffatt) was 7-1, Sept. 10, with Lady Reamer (Reid) 1-3, time, 2:19 1/2, 2:19 1/2. Prior to that he had won a heat in 2:26 1/2. He is owned by Art Kendall, Glace Bay. We also notice that the pacer Scotty Boy (Hickey) by Bellini Scott 2:09 1/2, owned by Wilson Collins, North Sydney, took a new record of 2:15 1/2. The previous week at Sydney the pacer J. S. J., formerly owned by Horace Willis, and now owned by Tom Hawes, Sydney, won his two dashes, time, 2:15, 2:14 1/2. Horace told us, and we are glad to hear it, that the Sydney management has been holding races regularly throughout the season and the attendance has been very good.

We acknowledge with thanks a copy of the Charlottetown Guardian of Thursday, Sept. 25, 1913, sent us by our friend W. R. Brennan. It was Exhibition Week and it was mighty interesting to read the writeups and notice the winning horses and drivers. The Three Year Old Trot and Pace stake was won by Abewell, owned by C. F. Thorne, Charlottetown and driven by S. Brown, 1-1, best time 2:43 1/2. The 223 trot—The Rexall Girl, owned by Hammond Kelly and driven by Peter Conroy, best time 2:22 1/2. Stallion Race Trot Stake—Baron Cecil, owned and driven by R. H. Grey, Thornton, N.S., best time 2:21 1/2. The 219 Class Trot and Pace, owned by Dorothy, owned by Dr. Cameron, best time 2:18 1/2. 237 Class Trot-240 Class Pace—Oakley H., owned by Hooper Horne and driven by Fred Cameron, 2-2-1-1-1; Carferry (T. Semple) 1-1-1-2-3, best time, 2:20 3/4 by Carferry. After the fourth heat the race was carried over until the next morning and Oakley H. won.

At Truro last Saturday night Ann's Dream, owned by J. K. Curran of Summerside, and driven by Don MacNeill won her fourth straight Free For All dash at the Truro Raceway, time, 2:10 1/2; Judge Miller (O. MacLeod) 2-2. Other winners were, Race 1, Lily Belle Lee (MacDonald) 1, 2:18 1/2; R. O'Brien 2, Wayne Budlong (Kennedy) 3, Time 2:22 1/2. Lily is owned by R. MacKinnon, Marion Bridge, C. B. Race 2 -

Prince Jollity, owned and driven by C. W. MacKenna, Truro, 1, Lady Ruthie T. (LeBlanc) 2, Time, 2:18 1/2. In races 3 and 6 Lahey's Dream (Conroy), owned by Well MacNeill, was 1-3, David G. (MacLeod), owned by G. E. MacLeod, Westville, 2-1. Time, 2:15 1/2, 2:14 1/2. In races 5 and 8 Tommy Morgan (D. MacNeill), owned by C. F. MacKay, Northam, P.E.I. was 1-3, Patrick Budlong, owned and driven by G. Turner, 2-1. Time, 2:15 1/2, 2:15.

At Saint John last Saturday afternoon the biggest surprise was when Donald G. R. upset the apple cart in the 8th dash by winning from the fastest field on the card in 2:13 1/2. The summary was, 5th and 8th dashes, Annuncio (R. Creamer), owned by W. McComb, Newcastle, 1-2, Donald G. R., owned and driven by Lloyd McKinney, Gagetown, 8-1, Ramona Chips (Lawson) 2-3. Time, 2:15, 2:13 1/2. In the 1st and 4th dashes the trotter Real Fingo (O'Meara), owned by Mrs. E. Mustacalla, was 1-3 and the trotter New Forest, owned by Robert T. Holman, Summerside, and driven by Blair Andrew, was 2-1. Time, 2:16, 2:15 1/2. Our congratulations to owner Bob Holman and to driver Blair Andrew, who has given New Forest a new record and one not too far away from the best trotting performance made on that track this season. Real Fingo has been a winner each race night since he went to Saint John. In the 2nd and 6th dashes Viola McKinney, owned and driven by Blair Andrew, was 1-4, Spencer (K. Queen), owned by R. Barry Gair, John, 5-1, Avalon Gal (O'Meara), owned by H. M. Sweeney, Bridge-water, 2-5, Jay's Hope, owned and driven by A. W. Jay, Borden, 6-2. Time, 2:18 1/2, 2:17 1/2. That good pacer Thelma Lou (M. Downe), owned by T. P. Downey, St. John, won the 3rd and 7th dashes with Pure Gold (A. Langille, Sr.) 2-6, Diana O. Grattan (Robichaud) 3-2. Time, 2:16 1/2, 2:15 1/2.

At Moncton Raceway last Saturday night there were two double winners. Mrs. Poulton's pacer Esso, driven by C. Smith, won dashes 3 and 7 with Hedgewood (C. Killam), owned by B. Dobson, Moncton, 2-4, Princess H., owned and driven by S. H. Horseman, Moncton, 5-2. Time, 2:14, 2:12 1/2. The other double dash winner was Abbelland in the 4th and 8th dashes. He is owned by James Watt, Que., and driven by W. Jardine; Robert Bruce (Burt), owned by George Brooks, Kensington, 2-2, Royal Bank (Barrieau) 3-3. Time, 2:12 1/2, 2:12. Other winners were, 1st dash, Fortunate Boy, owned and driven by Harvey Goumier, Moncton, Lily Marlene (Goumier) 2, time, 2:15 1/2, Fifth dash—Stewart's Time, owned and driven M. C. Horseman, Moncton, 8-1, Peter Federal (Killam) 2-2. Time, 2:15 1/2, 2:15.

At Truro Raceway Wednesday night four of the eight dashes were won by P.E.I. owned pacers. Races 2 and 6 by Propans (D. MacNeill) owned by Small and Arnet, Summerside, time 2:16—a new record. Four of the horses in dash 2 made a blanket finish. It was the best race of the night. The other Island double winner was in races 4 and 7. They had a real good card for the fans at Saint John on Wednesday night and the Free For All resulted in a great battle between Abbelland, owned by Jams Watt, Gaspé, Que., and driven by W. Jardine, and Panama Chief, owned and driven by Al Langille, Sr. Abbelland won Race 8 in 2:14 with Panama Chief 2, then Panama Chief in a stirring finish won the 8th dash with the same field, Abbelland 2, time, 2:10 1/2—a new season's racing mark, bettering the 2:11 1/2 made by Peter Lee Brewer last week. Al Lopez, manager of the Cleveland Indians (center), symbolically "breaks the record" after the Indians defeated the Detroit Tigers for their 111th win of the season, breaking the Yankees' 1927 record of 110 wins. Helping him is Early Wynn (right) and Bobby Avila (left), one of the batting powers in the 11-1 victory at Cleveland.

### Hunters' Corner

Continued from page 6

began vacating the sunny inland dams and pot-holes, where they were hatched and raised, early in September. The movement was well under way in mid-month.

Methods the day of the sunny, warm weather duck hunter is about over. Now don't jump to conclusions and blame the shifting of the opening day from October last... the eel grass come-back is the cause. In 1933 the eel grass died, from a form of blight is the general belief, but exact cause has not been definitely established. When the disease had spent itself out green tidal flats and estuaries had changed to a bleak expanse of mud. Our waterfowl, ducks, geese and brant, suffered untold hardship and in one phase our eastern brant were conceded to be on their way out for keeps.

At one stage their numbers had dwindled to a pitiful remnant but they followed the geese and ducks to inland flats and marshes, something heretofore absolutely foreign to their nature and managed to survive. After 20 years the season was re-opened (1953). During this twenty year period a new crop of ducks and geese hunters came into being and salt water shooting came near to becoming a lost art even with the old timers. Our flats were as bare as the Proverbial Mother Hubbard's cupboard and the waterfowl had to either seek food in our stubble fields and inland lakes and marshes or starve to death. A duck or a goose will take chips risks to survive when the chips are down.

Today the situation has changed. Black ducks do not have to stand being pushed from pillar to post in order to get enough food to assure a coating of fat for the cold weather. Some in fact do not require any urging to repair to the bounteous salt flats. At low tide birds dabble in and under the eel grass lying prone on the mud. Besides the black ducks and other edible portions of the grass a wealth of marine life lives and thrives in the eel grass beds. When the tide rises they gather in immense flocks and ride out the rough weather. If the weather is fine they enjoy a quiet, soothing rest in the cradle of the deep while waiting for the dinner gong to sound. Regardless of this modern trend quite a few blacks still have a yen for the sheltered inland feeding grounds— as I mentioned earlier they have developed an independent streak with the return of natural food conditions.

Many hunters are under the impression that the tasty and plump Blue-wing teal are scarce this season. Like the blacks they began to arrive early in places where conditions were to their liking and in some feeding grounds there are several hundred blues. At time of

writing I estimate in excess of one thousand geese in Queens county with a few hundred in Prince and Kings. The bulk of the Queens County geese are on salt water. Of these approximately 600 are in two concentrations. Ring-necked ducks are numerous in certain districts while Baldpate (Widgeon) and Pintail are becoming more common with each passing season. The Pintail is a slender, greyish duck, and is frequently spotted among a flock of blacks. It is a swift flyer and top table bird.

Hun and pheasant prospects are on a par with last in most districts and in others have definitely increased. As with the ducks success on opening day may depend a lot upon luck and being in the right place at the right time... shooting straight in another essential that must not be overlooked. Methinks its the hunter who is not afraid to use his legs is the one who will bag the most Hun. Hunting them from a car produces a wealth of pleasant scenery but it takes more than sights to fill the roasting pan.

Early in the season upland game hunting conditions will favour the coveys. A lot of hay was left standing; many stubble fields were combined and weeds and natural grasses grew luxuriantly last summer.

This all tends to favour both Huns and pheasants but its really the ducks that are the sixty-five dollar question this opening day. Not because of a scarcity. As I see it at the moment we have more black ducks by a considerable margin than we had last year but—that may not mean a thing toward filling hunter's game bags. Its hard to figure out what black ducks will do and their actions on opening morning will mean success or disappointment to the majority of duck hunters. Remember its only a hop to a haven on the tidal flats. Its already a foregone conclusion that trigger happy shooters who jumped the gun have taken the joy out of opening day for many regardless of what the ducks do or decide not to do.

### Weightlifter Plans To Retire

VANCOUVER (CP)—Doug Hepburn, Vancouver's world weightlifting champion, said Thursday he will make his last appearance as an amateur Saturday night. The 285-pound strongman's paring shot will be an attempt to lift six members of the Vancouver Canucks hockey team (weighing about 950 pounds) on a specially built frame.
