Former Island Minister Inducted in Ontario
The Osogode, Ontario, United Church was filled to overflowing on November 7th when the Presbytery of Ottawa inducted into the Pastoral charge of Osogode, Ont., Rev. Warren G. Dickson, formerly of O'Leary, P.E.I., where he served for 5 1/2 years, preaching his farewell sermon on October 26th.

The chairman of Presbytery, Rev. John MacAskill of Ramsayville, presided. The sermon was preached by Rev. K. H. Woodmark of Ottawa. The charge to the Minister and people was given by Rev. E. D. Burden of Richmond, a college classmate of Rev. Mr. Dickson.

He was escorted to the pulpit by the secretary of Presbytery, Rev. George D. Campbell of Ottawa. Other Ministers present were Rev. Dr. Hugh Rae of Ottawa and a personal friend, Rev. J. T. Purves-Smith of Ottawa. During the war he was the Protestant Padre at the Cornwallis, N.S. naval base. Besides those already mentioned, Rev. Mr. MacAskill and Rev. Mr. Hamilton are former Maritimers.

After the induction a reception was held for the new Minister and his family and delicious refreshments served.

Osogode is twenty miles from Ottawa. Kars is only three miles from Osogode. Osogode is about the size of O'Leary, while Kars is somewhat smaller. The land around Osogode is as flat, level and fertile as at O'Leary and it is excellent dairy country, but one does miss the good old red soil of P. E. I." said Mr. Dickson. The only industry at Osogode is a concrete-block factory, making the same kind of concrete blocks of which the new Co-op store at O'Leary is being constructed.

Resume Efforts to Refloat Freighter
QUEBEC, Nov. 11 — (CP) — Efforts to refloat the sunken Swedish freighter Ryholm were resumed today as wind on the St. Lawrence River dropped to a slight breeze.

Work was interrupted yesterday by high winds and heavy seas at the spot where the 71-ton vessel went down 23 miles east of Quebec after colliding with the freighter Basilea more than a week ago.

Crews of the tugs Josephine II and Bantoc and the salvage barge Mersey, from Halifax, started work last Saturday. The Ryholm is expected to be refloated early next week.

Miscouche Remembrance Day Dinner Last Night

With Comrade Pat Martin presiding and a creditable list of distinguished speakers, the annual Remembrance Day dinner of the Miscouche Branch of the Canadian Legion was held last evening in the Legion Home at Miscouche, which had been appropriately decorated for the occasion.

Hon. J. A. Bernard, Tignish, was guest speaker and six toasts were honored.

In responding to the toast to the Canadian Legion B.E.S.L., Major A. H. Peake of Charlottetown said that the Canadian Legion is democracy in action to its fullest sense. He said that the Canadian Legion with about 1-4 million members is a great force for good in Canada, and deserves the support of veterans and all citizens alike.

Lt. Commander Clarence Mercer, of Summerside, for the navy gave a very humorous resume of the laws of the navy in poem form, and associated certain verses with various guests who were present.

Group Captain A. G. Kenyon, C. D., commanding officer R. C. A. F. station Summerside, and the only "permanent force" speaker at the dinner, for the Air Force gave an interesting outline of certain phases of Air Force operational and training facilities in the past as compared with the present, which pointed up the progress and expansion of the R. C. A. F.

Judge J. S. DesRoches of Montague, gave an interesting and concise summation of the history of the Canadian Army from its earliest days up to the present time.

Mr. Murray A. Shanks, principal of the R. C. A. F. school, responded to the toast to the Ladies Auxilliary, and described the fine work by the Ladies Auxilliary. He said no home

is quite complete without a mother and she described the auxilliary as the "mother" of the Legion.

Mr. J. Watson MacNaught, Q.C., M.P., responded to the toast to "Our Country" and spoke on the growing sense of citizenship and a United national pride in Canada by its citizens. He stressed the important part played in world peace through the Commonwealth of Nations, and the position of the Queen, who is an important link in the chain of dominions that form the Commonwealth, but which in every other way retain their own respective national independence.

The guest speaker, Hon. J. A. Bernard in commenting on the organization of British Empire Service League (B.E.S.L.) said that it is the biggest institution that exists in the world, there are over 15,000 branches throughout the Empire. The primary obligations of the league are loyalty, unity, development of the Empire, and welfare of the ex-service men. He said it was founded by the late Earl Haig about 30 years ago and its field of useful endeavor covers the whole of the Empire. There are over two and a half million active members in the league and besides there are over 5,000 branches of women members whose numbers add greatly to the work and the aims of the immense organization.

In Canada there are 2,881 branches of the league the head of which is His Excellency the Governor General.

Brief but interesting remarks were also made by Rev. T. Ross, Amos Hubley, A. Kincaid, president of the Miscouche Branch, and Mrs. Pat Martin, president of the Ladies Auxilliary of the Miscouche Branch.

The evening concluded with an enjoyable sing song.

Remembrance Day Services Largely Attended
In Prince County yesterday one of the highlights of the Remembrance Day services, held in almost every town and village, was the unveiling of a monument at Kensington by the Legion branch there. Services were largely attended at Kensington and at all other centres.

At Summerside
Remembrance Day services were impressively carried out yesterday at Summerside. Traveller's Rest, St. Eleanor's and Kensington.

In Summerside, while the chimes of Trinity Church tolled, the parade formed up on Fitzroy Street, north of the armouries. Headed by a detachment of the Royal Canadian Mounted Police, whose red tunics lent a touch of color to the parade and followed by the Canadian Legion band, the parade, under command of W/C H. A. Forbes, R. C. A. F., moved off to Memorial Square, via Spring Street.

Comprising the parade also were the Legion color party, veterans of World Wars One and Two and Korean, under command of Major F. J. MacMillan, R. C. A. F. Association, the Royal Canadian Air Force, the Air Cadets, Boy Scouts, Girl Guides and the Summerside Fire Department. The services at Memorial Square were officially opened by Eric W. Campbell, President Number Five Branch, Canadian Legion, B.E.S.L. The two minutes silence was followed by the reading by Earl G. Cannon, President of the Provincial Command, Roman Catholic Church, of the Canadian Legion. Last Post, and reveille were sounded by Bugler Alban Gallant.

The firing party was commanded by Sgt. Major Emmett Trainor. As the sound of the three volleys fired by the firing party died away, a massed choir led in the singing of the hymn, "Abide With Me" accompanied by the band. Prayer was offered by P/Lt. J. P. Hanley, Roman Catholic Church, R. C. A. F. Station, Summerside.

Short but impressive addresses were delivered by His Worship Mayor Henry W. Wedge and Hon. W. E. Darby.

Mayor Wedge said "this is Remembrance Day, a day set apart in tribute to those brave men and women who made the supreme sacrifice in two world wars. Not only today, but every day, we should recall these men and women who answered the call and went forth to meet the enemy which threatened our homes and our way of life."

"War has come home to a very large number in this gathering," he went on, "and mothers should be especially remembered along with their sons and daughters. We should pay tribute to them as well for they are numbered among our country's great heroes and I say God bless them."

In closing he paid tribute to the men in the services who stand ready to guard our liberties at all times.

Mayor Wedge was followed by Hon. W. E. Darby who said that "on this day our thoughts go towards those brave men and women who gave their lives that this country might be free. To them the love of home and family were very dear, yet all these they sacrificed that their country might survive. They found courage to endure all things, now these men and women are dead and at rest in their heavenly home."

In conclusion Mr. Darby said "let us resolve to meet the challenge of these troublesome times with the same unselfish devotion so that their gifts may not have been placed on an unselfish altar." The services were concluded by the laying of the wreaths and as the veterans slowly came forward to the monument and dropped their poppies at the base, the names of fallen comrades were solemnly and impressively called.

The parade then reformed and marched down Summer Street, where the salutes was taken in front of the armouries by Group

S'side Council Decides To Bid On Building

At the conclusion of the regular meeting of the Summerside Town Council held on Monday evening, a special meeting of the building committee was held to deal with the matter of the purchase of the old Post Office building in Summerside.

In view of the fact that the Provincial Government has declined to purchase the property, the Town of Summerside is next on the priority list of purchasers and should the Town Council decide to take up the offer owing to the fact that it will be put up at public auction to the highest bidder.

At the meeting held on Monday evening it was decided to forward a wire today to the department stating the amount which the council would be willing to pay for the property.

Mayor Wedge stated last night that he was not at liberty to divulge the amount of the offer owing to the fact that if it were not accepted by the Federal Government it might have a bearing on the future sale of the property. — S.

Brig. Peake Guest Speaker At S'side Legion Dinner

Summerside Branch of the Canadian Legion, B. E. S. L., Branch No. 5, last night held their annual Armistice Day banquet at the Legion Home. The president of the branch, Comrade E. W. Campbell, acted as chairman and toastmaster at one of the most successful, in a long line of banquets held by the Summerside Branch.

The guest speaker of the evening was Brigadier G. C. K. Peake who paid a personal tribute to those who had made the supreme sacrifice in two world wars.

Dealing with the present world situation, Brigadier Peake said that the world today is pregnant with causes of war. Many people say that the Korean war is a stupid war he stated, but it is not stupid, because Korea, a small peninsula of land holds the key to our whole way of life. The whole situation in the world today is grave, and he contended that if

the present situation is handled badly it would start a world war all over again.

He paid a stirring tribute to the part played in the world by the Legion and reminded the members that the Legion plays no small part in the affairs of the world today.

The response to the Canadian Legion was made by Comrade Roland Philipson who outlined the purposes of the Legion and its aims, to aid and assist those who have served, to foster loyalty of its members to the country to which they owe allegiance and to assist comrades who are now serving their country in time of distress.
