

CAMPUS COMMENT

Do you agree or disagree with the resignation of the Student Union President and why?

We feel that this course of action is merely a way of stirring up more controversy. This was taken to extremes as she should have had the chance to learn by the experience rather than being judged by her inexperience in such a case.

We disagree with her resignation on the basis that if she believed that she was in the right then she wouldn't have caved in to the bloodthirsty maggots.
