

South Rustico And Vicinity

Recently, the parishioners of St. Augustine's Church, South Rustico, were happy to see a beautiful frontispiece depicting the "Scene of the Last Supper" appended to the ancient, but beautiful main altar. This artistic sculpture supplemented as it is by two beautiful angels, transforms this altar into a thing of joy and inspiration

to those who worship there. This work of art was donated to St. Augustine's Church by the family of the late Mr. and Mrs. Theophilus Pineau, as an act of thanksgiving for the safe return from China of the Reverend Cornelius Pineau, S. J., and will be dedicated at a later date, to the memory of their parents. This beautiful frontispiece is the work of the famous sculptors, Carl-Petrucchi of Montreal.

The three following received their Holy Habit's and names in the Chapel of the Mother House of the Congregation of the Notre Dame Sisters, Montreal: Miss Bernadette Pineau, daughter of Mr. and Mrs. Felix Pineau, South Rustico, who was a former pupil of St. Augustine's Convent, took the name of Sister St. Bernadette of the Assumption; Miss Marie Hagen, daughter of Mr. and Mrs. Edwin Hagen, South Rustico, who was a former pupil of the Notre Dame Convent, Charlottetown, took the name of Sister St. Frances Ann, and Miss Alice Bernard, who was a former pupil of St. Augustine's Convent, and whose home is in Egmont Bay, took the name of Sister St. Bernard of the Assumption. —CA.

MONTREAL, February 25th—Easy on your budget... and delicious, too. That's my meal starring HEINZ COOKED SPAGHETTI, and you'll find a wealth of good spaghetti dishes in "Budget Savers", a booklet just published by Heinz. Heinz makes two kinds of spaghetti, one in tomato sauce with cheese, the other with meat... and two kinds of macaroni—one in tomato sauce and one in cream sauce, both spiced with tangy cheese... good news indeed for February "budgeters"! Yes, you'll find you can beat the budget and please the family, too, when you have Heinz Cooked Spaghetti and the "Budget Savers" booklet to help you. Simply write to me, Barbara Brent, 1411 Crescent St., Montreal, for your free copy of the booklet.

There's A Mountain Of Sewing Ahead of most women, with spring days at hand. But you'll find you can get through an amazing amount if you use PRISCILLA BIAS FOLD TAPE. My enthusiasm for it is shared by so many other women, that more of them prefer Priscilla to any other tape. You'll understand why when you use it yourself. Colors are so pretty—twenty-one to choose from! You may prefer the gay checks, or the pretty two-toned effects. Remember that Priscilla Bias Fold Tape is made in Canada and absolutely guaranteed fast to boiling. I like the special finish given to the fine lawn with which Priscilla is made—makes it so easy to use!

We've Had More Fun Lately than I can remember for years—planning the house we're going to build soon. My specifications include a built-in vanity for the bedroom and a kitchen with a design all my very own—something I've been plotting ever since I began to wash dishes! It all costs money, but come a few more paydays, and we'll have that down payment. In our savings account at the BANK OF MONTREAL, it's fun to save with something concrete, so to speak, to save for. It's the secret of successful saving, and I'm doing all I can to spread the secret around! It's remarkable how faithfully you can save when it's for something you really want! Wishful thinking never bought a dream—so my advice to you is to set your sights on that "something" you've always wanted—and save for it at "MY BANK".

There Are Few Things I Hate More... than the discomforts of a stuffed-up nose, or dry nostrils. But thank goodness, I learned about MENTHOLANTUM... a FREE, GENEROUS SAMPLE of Mentholum, so that you can see for yourself why I—and many thousands of others!—are so enthusiastic about this fine product. You see... the medicated ingredients in the soothing base, loosen the clogging mucus in the nose... and ease dry nostrils. Write Barbara Brent, 1411 Crescent St., Montreal, for your sample.

St. Columba & Vicinity Mrs. John A. MacPhee was a visitor to Charlottetown on Feb. 12. Miss Eileen McEachern, St. Columba, is now vacationing with her sisters in Gardner, Mass. Mrs. Emma Fraser is making steady progress in Souris Hospital. All hope to see her home again in the near future. A meeting of the members of a poultry club was held at the home of Mr. and Mrs. Foster Garrett on Feb. 1, with a good attendance. Mr. Wallace Rose had the misfortune of cutting his foot with an axe, necessitating four stitches to close the wound. Friends of Mrs. Arthur Dixon regret to hear she has entered Souris Hospital for operation. A card party was held at the home of Mr. and Mrs. J. Chas. Campbell on Monday night. A goodly sum was realized. A government snow-plow went through Glenora on Feb. 11, thus opening the road to bring an ill lumber man out who needed medical assistance. Mr. Ralph Robertson, mail courier, was unable to complete his route on Feb. 11, due to snow conditions on Munn's Road. Pulp-cutting is still in progress even though the price is small. As it is it takes a great amount of what would later become good lumber, to make profit. Mr. John Holland, employee at Falconwood Hospital, has rented his home at St. Columba to Mr. and Mrs. Kenneth Rose, formerly of Hamilton, Ont. Mr. Joseph Chapman and Mr. Septimus MacPhee are busily engaged in cutting ice and filling their large ice-house which they erected at Black Pond last year. A car of hay has been loaded at Baltic this week. There is an abundance of stored hay, and it is good to see some of it getting away. Sympathy is extended to Mr. and Mrs. McCloskey on the death of their 10-year-old son James Waldo who passed away at City Hospital, Charlottetown. Mr. Daniel MacDonald, St. Columba, is at present lumbering in Nova Scotia. Before leaving, he got his trap-material ready and will return in time for lobster-fishing at North Lake. His funeral took place from St. Dunstan's Basilica to the R. C. cemetery in Charlottetown. Mr. Henry McLaughlin, noted carpenter, has been engaged to build a new fish factory in Souris.
